India is one of the fastest-growing economies, and knowledge creation and research are essential to sustaining this growth. The National Education Policy (NEP) 2020 emphasises the importance of multidisciplinary education and flexible degree structures to enhance higher education in the country.

In line with these changes, Higher Education Institutions (HEIs) are encouraged to offer a range of Master's programs and adapt to new guidelines, such as the Learning Outcomes-based Curriculum Framework (LOCF) and the Choice Based Credit System (CBCS).

To support the implementation of NEP 2020, a Faculty Development Program (FDP) is designed to help educators to understand the objectives of the policy and incorporate these insights into curricula and teaching methods, thereby improving the quality of education. The goal is to empower educators and strengthen academic standards by making higher education more flexible, accessible, and responsive to the evolving needs of students.

About Women's College, Tinsukia

The **Women's College, Tinsukia** (with B++ Grade in the 3rd Cycle of NAAC accreditation), came into being in 1966 on the auspicious day 9th July. A handful of visionaries viz. the Late Anath Bandhu Bose, Late Shanti Ranjan Bhattacharjee, Late Prithwish Chandra Bhadury etc. with unstinted support of academicians like Late Subodh Chandra De Sorcar were behind the genesis of the College. Eminent educationist the Late Uma Prasanna Dey was the founder principal of the College with 78 students on roll as the first batch. The auspicious occasion was blessed by the Late Dr. Indira Miri, the revered educationist and pioneer of women empowerment in Assam. At present with the 2(f) and the 12(B) statuses of the UGC, the College has flourished into a multi faculty institution offering Arts and Commerce programs with fifteen hundred students and more than hundred teaching and non-teaching faculties. A full-fledged study Centre of the IGNOU and one Distance Education centre of the Dibrugarh University housed in the institution offer various courses at distance mode to aspiring students. Of late, a new plot of land has been acquired by the College, where a New Campus is being developed utilizing grants received from the Rashtriya Uchcharat Shiksha Abhiyan – RUSA.

The College is located at Durgabari (27.4920° N, 95.3537° E), in the heart of Tinsukia – the industrial and commercial hub of Assam and is well connected by Road, Rail and Airways with all the cities of India.

The Brilliant results of the College both in the H. S. and the Degree examinations and its ideal location, mixed with its academic ambiance attract students from not only from the entire State, but from other states like Arunachal Pradesh, Nagaland etc. The College is a veritable melting point of diverse cultures and different people – creating a confluence of ideas and attitudes among the students, which makes for its unique character among the Colleges of the region.
