Current Pursuits

A. I am currently working on a book titled '*Prachyawad, Aalochana Aur Sahityetihas*' (*Orientalism, Criticism and Literary History*) in which I am studying the influences of European ideas on historiographers of Hindi Literature. The book is almost ready for publication.

B. Simultaneously I am also working on a project '*Edward Said ki Duniya*' (*Edward Said's World*) on the life and writings of late Prof. Edward W. Said, who has significantly influenced the academic discourses of last five decades around the world.
