

Name : Mr. DULEN BORA
Designation : Assistant Professor
Department : Physics
Specialization : Condensed Matter Physics
E – mail : dulen_bora@yahoo.com

Recent publications of Mr. Dulen Bora

1. Correlating Spectral Variations of Malachite Green with Organic Co-Precursors in TEOS Silica Hybrid Glasses by D.Bora ,S.Hazarika IJSE,Vol-4(12),2013,1593-1597.
2. Parametric Characterization of Spectroscopic Properties of Malachite Green in Sol-Gel Derived Silica Matrices with a Prospective Analysis of Optical Usage by D.Bora ,S.Hazarika; IJSE,Vol-3(5),2013,1977-1581..
3. “Effect of co-dopants on quantum yield and lifetime of Malachite Green doped SiO₂ glass” by D.Bora ,S.Hazarika in Proc. of NLS-22,MU,Mangalore (2014).
