Resolutions:

1. The DAC has resolved that the candidate Alakananda Paul (Application No. 728856) cannot be admitted under OBC (NCL) category since she has not submitted her NCL certificate till date.
2. However, since her candidature has not been converted to UR before publication of Merit List due to an inadvertent error on the part of the Department and also since she ranks 3<sup>rd</sup> in the Waiting List of the UR category, the Head may write to the Vice Chancellor seeking special permission for her admission to the Department in an Offline mode in the UR category, as and when she becomes eligible for the same, i.e. after the publication of the 2<sup>nd</sup>/3<sup>rd</sup> list.
3. The DAC also resolves to request the Administration to consider converting the empty EWS seats to UR category to accommodate and admit more students to the Department.
