27) Regarding the course fee, the H.O.D has placed the course fee fund ledger account which shows the present balance of the course-fee fund for department is 68,690/- . This amount is much less than the course fee amount of 11,0400/- . The house seeks a clarification from the competent authority (Finance Section of AUS) regarding this issue as the document shows an amount of 30405/- against the name of Prof. Dipankar Purkayastha (for journal VCH 334) type journal date 14/11/2015. The house needs a clarification from the higher authority (finance section) as Prof. Purkayastha was not the Head of the department on the said date .
