Resolution:

1. In view of the course E-203 being made mandatory Open Choice Course, the Department resolves ~~to interchange the~~ ^{interchange the} courses E-203 and E-204 of the current CBCS MA English syllabus. However the titles and contents of both the courses would remain the same as has been approved by the competent authority. Hence Course E-203 will now be "Literature and Film" and Course E-204 will now be "Contemporary Approaches to the Study of Literature".
The Head of the Department is authorised to take appropriate steps to communicate the same to the concerned authorities.

2. Since Shrabani Ghosh had already cleared the ~~the~~ internal assessment for courses 103 and 105 her internal assessment marks in the following courses this semester will be considered ^{only} 101, 102 and 104.
