**Resolution:**

1. In view of the fact that the University has resolved on introducing Course 501: “Research & Ethics” as a course at the University level for the Course Work of M. Phil. and Ph. D. Degrees w.e.f. 2020 academic session, the meeting resolves to convert the existing Course 501: “Research Methodology” to Course 502: “Research Methodology” in the proposed Syllabus. Besides, the meeting also resolves to club together the existing Course 502: “Contemporary Approaches to Literature” and existing Course 503 under the new nomenclature “Critical Approaches to Literature” as Course 503 in the proposed Syllabus. However, because of the paucity of time, the meeting could not select texts to be discussed in this paper and therefore the meeting resolves to do so at a later stage. Course 504: “Term Paper” remains the same in the proposed Syllabus.
