

ASSAM UNIVERSITY, SILCHAR

NOTICE

It is for information of all concerned that students who have applied for Post Matric/Merit- cum Means based scholarship for Minorities and other scholarship (Fresh/Renewal) in National Scholarship Portal are required to submit hard copies of online application along with supporting documents for online verification of their applications by the university. However, it is found that though many students have submitted hard copies but a good number of applications are not supported by requisite documents such as appropriate income certificate, fee receipt, hostel fee receipt (for Hosteller) and bank pass book record etc without which the application cannot be verified by the university.

Therefore, such students are asked to contact Research & Fellowship Cell immediately to know the shortfalls of their respective application for further necessary action. Moreover it is seen that some students are yet to submit hard copies of applications to the university office for online verification. They are hereby asked to submit the hard copies with supporting documents without further delay failing which online applications of all such students will remain unverified and the concerned students will be responsible for the same.
