Dr. Himadri Sekhar Das  
Department of Physics  
Assam University (A Central University)  
Silchar 788011, INDIA

Dear Dr. Himadri Sekhar Das

On behalf of the Organizing Committee I am delighted to invite you to attend the XVI International Conference on Light and Electromagnetic Scattering by Non-Spherical Particles (ELS-XVI). I appreciate your willingness to present a paper entitled "Investigating the correlation between different parameters in an aggregate dust model" and look forward to hearing about your exciting results and discuss them with you and other colleagues.

The conference will be held at the Atlantic Building of the University of Maryland, College Park, Maryland, on March 19-25, 2017. For more details, see [www.giss.nasa.gov/staff/mmishchenko/ELS-XVI](http://www.giss.nasa.gov/staff/mmishchenko/ELS-XVI)

I highly recommend you to stay in Maryland for a period March 15 – April 15 so that you can get familiar with our facilities and have discussions with your colleagues at the University of Maryland.

If you have any questions, please, do not hesitate to contact me at [Ludmilla@astro.umd.edu](mailto:Ludmilla@astro.umd.edu)

Yours truly,

Dr. Ludmilla Kolokolova  
Chair of the ELS-XVI Local Organizing Committee  
Senior Research Scientist  
Department of Astronomy  
University of Maryland  
College Park, MD, 20742, U.S.A.
