From the Vice-Chancellor's Desk

A university makes its mark in the academic arena not only through quality teaching at the undergraduate and Master's level, but also through its research activities in various subject fields. Research conducted by the faculty and research scholars in the different university departments in their respective specialized areas contribute significantly towards determining the status that the university enjoys in the highly competitive and quality-oriented academic world. Besides making academic contributions leading to advancement of knowledge, research programmes of a university can be of considerable applied value in terms of generation of manpower, enhancement of managerial skills, industrial innovations, pollution control, medical breakthroughs and a host of other advancements in the watershed area of the institution.

Since its inception in 1994, Assam University has paid special attention to the advancement of research in various subject fields of humanities, social sciences, science, commerce, management and other streams of study. The faculty and research scholars of the University have received and participated in a large number of highly prestigious national as well as international research projects and programmes such as fellowships, associateships and grants. The University has also been able to attract students from the SAARC countries under ICCR scheme. Several collaborative programmes with reputed Indian as well as international agencies and institutions are also being pursued in the different departments of the University. Following the policies of the Government of India, programmes under UGC-sponsored community college and B.Voc are running in full swing. The University has also adopted the latest guidelines of the University Grants Commission while conducting the admission to M.Phil. and Ph.D. programmes in 2017 onwards. The University has also adopted the Choice-Based Credit System (CBCS) of study at the undergraduate and post-graduate levels in the University. The admission process for both Master's and M.Phil. / Ph.D. programmes have been made fully online as per the guidelines of the University Grants Commission. All these measures are expected to further streamline the process of admission of and course selection by students, and improve the quality of their outputs.

Keeping in view the increasing number of applicants choosing Assam University as the place where they would like to conduct their research, the University administration is trying its utmost to provide necessary facilities such as health centre, post office, bank services, stores having goods and provisions, gymnasium, playground, central library and transportation facilities. The process of office automation especially in the field of academic activities has been initiated and the entire campus is being covered with networking facilities. New hostels are coming up and a Kendriya Vidyalaya has been sanctioned, the process for the establishment of which is under progress.

Besides the Silchar Campus, the satellite campus at Diphu in Karbi Anglong district is also making great strides in the activities of its various academic departments. Facilities similar to those provided to the scholars in the Silchar Campus are also being made available to the scholars in the satellite campus. These include networking facilities, canteen, health centre, bank and transport facilities, which are being created with financial support from the Government of India.

I take this opportunity to congratulate our students, faculties and administrative employees of the University on their achievements. I also give a hearty welcome to the new batch of research scholars who are about to join the University and wish them all success

(Prof. Dilip Chandra Nath)

THE UNIVERSITY

Assam University, Silchar (a Central University) was established by an Act of Parliament promulgated in 1989 (Act XXIII) and enforced by a Notification of the Government of India in January 1994. In 2014 the University has been reaccredited by NAAC with Grade B with a CGPA of 2.92.

With the Bhuban and the Barail ranges of hills at the backdrop, the University campus is surrounded by lush green hillocks, natural lakes and the picturesque tea gardens of South Assam. The inner landscape is featured by sprawling lawns, well nurtured gardens and eco-forests. The serene setting makes Assam University campus a unique one with exquisite natural beauty which captures viewers' imagination and provides an ideal atmosphere for study and research.

Distance between the main campus and the Silchar city is about 23 km. Silchar city being the gateway to the entire southern part of North East India is the hub of commercial activities and is known for its history as the Tea Capital of South Assam.

Away from the humdrum of the busy city-life of Silchar and set amidst its sylvan surroundings, the University engages itself in academic pursuits. The objectives of the University, as enshrined in Section 4 of Assam University Act, are –

“to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and by the example of its corporate life to make provisions for integrated courses in Humanities, Natural and Physical Sciences and Social Sciences in the educational programmes of the University; to take appropriate measures for promoting interdisciplinary studies and research in the University; to educate and train manpower for development of State of Assam; and to pay special attention to the improvement of the social, economic conditions and welfare of the people of that state, their intellectual academic and cultural development.”

The sprawling University campus at Silchar is spread over an area of about 600 acres on which there are 38 post graduate departments and 6 Interdisciplinary Centres including School of Technology. In addition, CIL (Central Instrumentation Laboratory) has also been established in the university. Keeping with the policy of Govt. of India, Skill Development Programmes have been initiated through UGC sponsored Community College and B. Voc. Programmes. The University provides state-of-the-art facilities to students coming from different parts of the country and abroad. The current roll strength is around 4500 at the post

graduate and Integrated Courses including around 1500 M. Phil, and Ph.D at research levels. These apart, there are nearly 25,000 students in the affiliated and permitted colleges in the five districts of south Assam which together constitute the jurisdiction of Assam University. The colleges impart under-graduate teaching in Science, Arts, Commerce, B.Ed. and the Law streams.

During the last one decade, the University has made impressive strides in establishing itself as a premier institution of learning by blending quality education, socially relevant academic endeavours and scientific research with mission-orientation and tireless striving for excellence. Assam university has signed Memorandum of Understanding (MOU) with university / institutes like Hyderabad University, North Bengal University, Pune University, North-East Institutes of Science and Technology (earlier RRL) in India. International collaboration with Jiao Tong University of China, Nantes University of France and University of Montreal, Canada has been initiated through MOUs. The placement cell in the university provides help and support to the students through campus interview. In recent years organisations like TCS, WIPRO, IDBI, PRADAN, HSBC and others have selected many of our students of different departments. University also arranged NET coaching for SC/ST, minority students. Students taking admission from other institutes, other than institutes affiliated to Assam University, Silchar have to submit Migration Certificates within 2 months of their admission.

The University Campus is fast developing

and is endowed with amenities / facilities such as Post Office, Telephone Exchange, Public Call Offices, Bank, Police Outpost, Water Treatment Plants, Electric Substations, Students' Hostels (both Boys' & Girls'), Health Centre, Staff Quarters, Shopping Complex, Guest House, Central Library, Auditorium and Parks. In addition other amenities like ATM, Sports Complex, Cafeteria, E-Journals, INFLIBNET, DELCON, Bio-informatics and KIOSK facilities are also available. University has introduced Choice Based Credit System (CBCS) from 2010-2011 at post graduate level and semester system in colleges affiliated to it.

DIPHU CAMPUS

Establishment of Assam University Campus at Diphu has been a long felt demand of the people of Karbi Anglong, Assam. A satellite campus of Assam University at Diphu has been launched from the academic session 2007-08. The authorities of Karbi Anglong Autonomous Council have allocated 272 bighas of land in Diphu-Lumding Road about 8 kms away from Diphu town. The land so allocated has already been taken over by the University and is in the process of construction of boundary wall and other buildings. The campus site is located in a beautiful surrounding of the lush green hills.

There are **10** departments in the Diphu Campus (i) English, (ii) Political Science, (iii) History, (iv) Physics, (v) Life Science, (vi) Commerce, (vii) Assamese, (viii) Anthropology (ix) Hindi, (x) Geography and Centre for Tribal Studies.

ACADEMIC DEPARTMENTS

RABINDRANATH TAGORE SCHOOL OF LANGUAGES & CULTURAL STUDIES

Department of Linguistics

The Department of Linguistics came into being in 1995 with the aim of developing a better understanding of language study and linguistics. With the diverse linguistic scenario in North East India providing its backdrop, the thrust of the department's endeavour has been on analyzing the languages of North East India with special reference to the languages of South Assam. The department is also giving importance to the study of endangered languages of the North East India as a lot of minority languages are spoken in this part of the country which is considered to be endangered so that we can do something meaningful to preserve these languages. All the North Eastern languages show dialectal variations which need to be studied structurally as well as sociolinguistically. Such studies would help the standardization of languages and pave the ways for their use in education and other fields of socio-cultural life of North East India. Keeping this in view, the department has developed its course curriculum in such a way so as to enable the students at the Post Graduate level to acquire special knowledge to take up independent researches in future on various languages/dialects and their recent developments.

CENTRE FOR EDUCATIONAL PLANNING AND MANAGEMENT

The Centre for Educational Planning and Management has been established and made functional from the Academic Year 2011. The Centre is attached to the Department of Education of Assam University, Silchar. The director incharge of the Centre is Prof. N. B. Biswas. The centre offers a course leading to Diploma and Post Graduate Degree in Educational Planning and Management.

Objective of the Centre : Educational Planning and Management

- To develop leadership qualities, management efficiency and policy planning in the field of education
- To disseminate knowledge on educational management among the graduates and educational practitioners
- To develop skills for identifying and solving the problems of educational institutions
- To develop skills in computer application in educational management
- To develop skills in the preparation of projects on educational planning and management and promote research in the related fields.

ALBERT EINSTEIN SCHOOL OF PHYSICAL SCIENCES

Department of Physics

The Department of Physics started its functioning in 1996. The Department offers a four Semester M. Sc. programme (Two years duration) where the students at present can opt for one of the two specializations - i) Astrophysics and ii) Condensed Matter Physics, with laboratory classes. Research areas that are covered at present include - Astrophysics, Particle Physics, Cosmology, Chemical Physics (with application to bio-molecules), Atmospheric Physics.

The Department possesses a number of sophisticated instruments that includes 16 inch Mead Telescope, 14 inch Celestron Telescope, Astronomical CCD, Photometer, Ellipsometer, FTIR, UV visible spectrophotometer.

The Department also has a cluster computing facility.

Courses Offered :

- i] M. Phil (by course work & dissertation). **Seats Available : 06**
- ii] Ph. D. (by course work & research work). **Seats Available : 06**

Faculty :

A student should score minimum 50% for Entrance examination of the Department to be considered for the merit list. A relaxation of 5% marks may be allowed for category to SC/ST/OBC(N.C).

Department of Chemistry

The Department of Chemistry established in 1996 has been imparting training at advanced level of Chemistry in general for M. Sc students and Ph. D Scholars. The research interests of the faculty cover areas, like, Materials Chemistry, Surface Science and Technology, Liquid Crystals, Natural Products and Medicinal Chemistry, Theoretical Chemistry, Synthetic Organic Chemistry, Coordination and Bioinorganic Chemistry, Electrochemistry and Chemistry of Nanomaterials. The Department organises

Refresher's Courses, Workshops and Conferences with support from national level scientific organizations and societies. A number of research Projects sponsored by UGC, DST, DRDO, DBT, DAE, NRB, and BARC, have been undertaken by faculties. The Department has, already, been supported by DST-FIST and UGC-SAP programmes. The Department is equipped with major scientific equipments, like, UV-visible Spectrometer, Fluorimeter, FTIR, TGA, DSC, Polarizing Optical Microscope, Impedance Analyzer, Cyclic Voltammeter, CHN Analyser, Tensiometer High Performance Cluster Computing (HPCC), Polymerase Chain Reaction (PCR) etc. The Department is having a Computer Laboratory and Departmental Library.

Centre for Soft Matters

The Centre for Studies in Soft Matter, established under the aegis of the Department of Chemistry in 2009 under the UGC 11th Plan grant to enrich the academic and research pertaining to design, synthesis, characterization, physical properties and device application of soft materials. The purpose of the Centre is to provide a platform for study and research related to advanced arenas in Material Sciences which is one of the thrust areas of Chemistry Department.

Thrust areas of the Deptt: Material Chemistry

Department of Mathematics

Department of Mathematics started functioning in the year 1994. The Department offers M.Sc. , M.Phil. and PhD programmes in Mathematics. Academic activities of the Department apart from teaching and research include activities like organising seminars, conferences, workshops, Refresher Course, Winter Schools etc. for serving teachers and students. The Departmental Library is sponsored by the National Board for Higher Mathematics (DAE), Mumbai. The Department is also sponsored by UGC (SAP) and DST (FIST). The academic programmes are managed by a competent core faculty and backed by updated syllabi and computer laboratory.

Department of Statistics

The Department of Statistics under the Albert Einstein School of Physical Sciences, Assam University started functioning from July, 2014. The mission of the Department is to establish itself as a leading department in attaining excellence in Research and Education in Statistical Sciences. The department is at its initial stages but has joined the main stream of the university through activities like conducting of workshops, seminars, data analysis consultancy and external collaboration with organizations like the Indian Statistical Institute, Ministry of Statistics and Programme Implementation (MoSPI), Indian Council of Social Science Research, Chiltern International etc. The department possess fully air conditioned computer lab with internet connection and printing facility, airy class rooms in a serene setting, uninterrupted projection facility, public address system, licensed version of SPSS 23 etc. The basic objective of the PhD program is to enhance both pure and applied Research in the field of Statistics and Statistical Sciences. The Research area of the department is not restricted to Statistical Graphics, Cricket Analytics, Data Mining in Sports, Distribution Theory and System Reliability.

Courses Offered :

HARGOBIND KHURANA SCHOOL OF LIFE SCIENCES

Department of Life Science and Bioinformatics

The Department launched its M.Sc Programme in July 1996. Currently the department has four Professors, three Associate Professors, Six Assistant Professors and five technical staffs along with 110 students at P.G. level and more than 50 numbers of research scholars both in Ph. D and M. Phil levels. The faculty members are engaged in research activities in diverse fields as mammalian cell and molecular Biology, health science, Plant Molecular Biology, Plant functional genomics, computer aided drug designing, natural product, biodiversity, plant taxonomy, toxicology and agricultural research. The faculty members have received international experiences from institutions like NIH, USA, Hiroshima University, RIBRM, Japan, IPSR, Okayama University, Japan, Gifu University, Japan, Shizuoka University, UC Berkeley and University of California, Riverside, USA, University of North Carolina, Chapel Hill, USA, Oklahoma state University, Stillwater, USA, University of Dusseldorf, Germany, Liverpool John Moores University, UK and Chicago University, USA etc. All the faculty members are actively involved in research in their respective fields in collaboration with various national/international institutes. The faculty members have published papers in reputed International and National Journals. The Department has organized several International conferences, National symposiums & workshops to disseminate the knowledge in biological sciences. The students of this department are placed in various academic and research Institutions.

Department of Life Science and Bioinformatics is the pioneer department in the University to be recognized under UGC-SAP programme in 2007 and subsequently upgraded to UGC SAP DRS-II in the year 2013. Department of Life Science & Bioinformatics has been recognized under DST-FIST Programme in 2008 for infrastructure development. Under the initiative of faculty members of Department of Life Science & Bioinformatics, DBT, Govt. of India has established two institutional facilities like Bioinformatics Centre and Biotech Hub in the University. Department has received various International and National Project fundings from DBT, DST, UGC, CSIR, JSPS, NRF, NTRF, SERB etc.

Bioinformatics Centre

Bioinformatics Centre of Assam University, Silchar came into existence in the year 2008 with full financial assistance from Department of Biotechnology, Govt. of India under DBT-BIF scheme. Since its birth, the centre is actively engaged in teaching and research in the different fields of Bioinformatics. Realizing the need of incorporation of Bioinformatics tools in Life Sciences research, the Department of Life Science, Assam University took special initiative to establish this centre. In January 2009, the Bioinformatics Laboratory was inaugurated by the then Vice Chancellor Prof. Tapodhir Bhattacharjee.

Bioinformatics Centre of Assam University has launched a PG Diploma in Bioinformatics Course of 1 year (2 semester) duration. Till date 5 batches of students have already completed the course. The sixth batch is on the roll. The main aim of this course is to create trained manpower in the field of Bioinformatics. The centre organizes seminars, workshops and training programmes from time to time to popularize Bioinformatics in this region and the entire northeast as a whole. The main thrust area of research of the centre is Computer Aided Drug Designing. Teachers and researchers carry out intensive research in the field of drug designing from natural products with the help of Bioinformatics tools.

Journal Access facilities: Bioinformatics Centre has special Journal access facility under DBT's e-Library Consortium (DeLCON). A good numbers of high impacted and peer reviewed journals are accessible from the centre. The centre has extended this facility to other Science Departments, Affiliated Colleges, Computer Centre, Central Library and Hostels also. Bioinformatics Centre ranked 1st in number of papers accessed by users in North East India and ranked 8th in entire India.

Resources Developed: The Centre has developed one database of ant diabetic phytochemicals and is named as DiaBank. This will be made available online soon. Bioinformatics Centre has taken an initiative to publish one journal named "Bioinformatika" starting from this year. The journal will focus on recent discoveries and ideas in the field of Bioinformatics.

As per DBT, Govt. of India Ranking, Bioinformatics Centre of Assam University ranked 1st (First) in publications in the field of Bioinformatics among all the Bioinformatics Infrastructure Facilities (BIFs) in different Universities in India in 2014.

Courses Offered :

PG Diploma in Bioinformatics (self financing). Duration : Two Semesters.

Classes are conducted on Saturdays and Sundays only.

Department of Microbiology

The department of Microbiology was established in the year 2009. The main objective and focus of the department is to guide and impart innovative education to provide trained and efficient microbiologist to the society. The department endeavours to specialize its student in distinct areas of Microbiology. The department is well equipped with modern and Sophisticated instruments like QPCR, DGGE, DFGE etc. gradient thermal cyclers, gel documentation systems, high speed refrigerated centrifuge, UV-spectrophotometer, fermentor, water purification system, environmental shaker, deep freezer (-500 C), blotting apparatus, bio-safety cabinets and high quality research microscopes. Faculty members of the department are having various projects funded by DBT, DST, UGC etc. Various reputed papers are being published time to time in high general impact by the faculty members.

The course contents have been kept as per UGC guidelines and support competitive exams like UGC-CSIR NET/ DBT-JRF/GATE/ICMR-JRF/ICAR-JRF. The department is also involved in conducting seminars, quiz and NET counselling, group discussions to enrich the knowledge and to motivate students for appearing in competitive examinations of National and International level. Guest lectures are regularly held by inviting distinguished academicians, scientists of International repute from various esteemed institutes, universities and industries. The department encourages the students to establish new methodologies and encourages innovative ideas.

Department of Biotechnology

The Department of Biotechnology, Assam University, Silchar offers MSc, M. Phil and Ph. D programmes in Biotechnology. The Master Degree programme of the department was started in July 2004, and is of two years duration. The Choice Based Credit System (CBCS) was adopted from July 2010 onwards. Core courses as well as advanced courses like Genetics, Molecular Biology, Biochemistry, Immunology, Microbiology, Bioinformatics, Genetic Engineering, Plant Biotechnology, Animal Biotechnology and Medical Biotechnology are covered. MSc final semester students also undertake a short term research project towards completion of the programme. Our main goal is to impart hands-on-practicals in six different laboratories, 1. Biochemistry 2. Animal Cell Biology and Immunology 3. Molecular Biology 4. Microbial Technology 5. Plant Biotechnology and 6. Bioinformatics and Genomics. The departmental faculties are actively involved in research in the broad areas of Molecular Biology, Cancer Biology, Plant Biotechnology, Immunology, DNA barcoding, Genomics, Genetics and Bioinformatics. Department has several research projects on Cancer Genomics, DNA barcoding, Methanogenomics, Molecular characterization of nitrogen fixing bacteria, Plant Biotechnology, etc. The Department is equipped with a small Animal House, and state of the art equipments such as Deep Freezer (-20 & -80), Gradient and Personal Thermal Cycler, Real Time PCR equipment, Gel Documentation System, Animal Cell Culture and Plant Tissue Culture facilities, Automated DNA Sequencer, etc. and much more. These facilities are available to MSc, MPhil and PhD students. Students actively participate in the seminars and workshops conducted at both University and National level. They are also encouraged to participate in co-curricular activities at University level.

JAWAHARLAL NEHRU SCHOOL OF MANAGEMENT STUDIES

Department of Business Administration

The Department of Business Administration under Jawaharlal Nehru School of Management Studies (DBA-JNSMS), Assam University started functioning in July 1997. The mission of the Department is to contribute through the pursuit of excellence in teaching and other creative academic endeavours pertaining to management education, research, consultancy and training to the process of developing capable human resources and thereby to the corporate, industrial, entrepreneurial, social, intellectual and cultural development of the country. To accomplish its mission, the Department offers AICTE-approved full-time Master of Business Administration (MBA) programme and also research programme in Management leading to the Degree of Doctor of Philosophy (Ph. D). The Faculty in DBA-JNSMS has developed over the years core competency in a diverse range of areas in Management. These range from the conventional areas like Financial Management, Marketing or HRM to such specific areas - as Entrepreneurship and Skill Development, Information Technology, Operations Management, Tourism & Hospitality Management, Global Trade & International Relations, Urbanisation and Heritage Studies, among others.

E. P. ODUM SCHOOL OF ENVIRONMENTAL SCIENCES

Department of Ecology and Environmental Science

The Master Degree programme in the department started in July 1996. Ph.D. and M.Phil. programmes were launched subsequently in 1998 and 1999, respectively. Ongoing researches in the department include areas like Natural Resource Management & Biodiversity Conservation, Microbial Ecology, Rivers, Wetlands, Forests and Agro ecosystems, Insect Ecology, Algal Ecology, Wild Life Ecology, Environmental Pollution and Ecotoxicology and Ethnobotany of Medicinal Plants. Over the years, the department has established collaboration with national level institutes like Indian Institute of Remote Sensing, Dehradun, G.B. Pant Institute of Himalayan Environment & Development (NE

Unit) Itanagar, North Eastern Regional Institute of Science & Technology (NERIST) Itanagar, National Botanical Research Institute (NBRI), Lucknow, Central Agriculture University (CAU), Imphal, Indian Agricultural Research Institute (IARI), New Delhi, North East Institute of Science and Technology (NEIST), Jorhat, Central Institute of Freshwater Aquaculture (CIFA), Bhubaneswar, Bharthidasan University, Tiruchirapalli and University of Canberra, Australia. The department is supported by the UGC Special Assistance (DRS-I and DRS-II) and DST-FIST programmes. The department has been given a "Centre for Biodiversity and Natural Resource Conservation" by UGC under the XIth Plan. An Ornamental Fish Hatchery Unit has been established in the department.

CENTRE FOR BIODIVERSITY AND NATURAL RESOURCE CONSERVATION

Aim and Objectives of the Centre

Biological diversity is fundamental to the fulfilment of human needs. An environment which is rich in biological diversity, offers the broadest array of options for sustaining human welfare and for adapting to change. The Barak Valley falling in Assam in the Northeast India belongs to the Indo-Burma Hotspots, and one of the most biological diverse regions of the world. Barak Valley constitutes 8.9% geographical area of the state covering an area of 6922 sq km. The land use/land cover area of the valley may be characterised by evergreen forest, semi evergreen forest, mixed moist deciduous forest, scrub forest, degraded forest, agricultural land and tea plantations. Barak Valley has 12 Reserve Forests, (RFs) and one Wildlife Sanctuary (WLS). The Valley is richly endowed with plant and animal resources, which needs to be managed on a sustainable basis to serve as the main drive of development in the area. The sustainable development of any area depends on the proper utilization of its natural resources.

The Centre for Biodiversity and Natural Resource Conservation attached to the department of Ecology & Environmental Science is mandated to carry out research works pertaining to biodiversity conservation and effective and scientific management of the natural resources of the valley with the following aim and objectives:

- To study the ecology and conservation of flora and fauna of Barak Valley.
- To study the landscape ecology in the Barak Valley.
- To study the natural resource utilization pattern and management by the traditional communities of Barak Valley.
- To study the biophysical parameters in major ecosystems.
- To document indigenous knowledge system of the region.

TRIGUNA SEN SCHOOL OF TECHNOLOGY

Department of Agricultural Engineering

The Department of Agricultural Engineering (established in 2006) offers the courses that deal with the application of engineering principles and scientific technologies for sustainable food production, and all along the food production to consumption chain. The course structure and syllabus for the UG and PG programmes have been designed to create skilled and technically sound human resources to cater the engineering needs of farm mechanization, irrigation and drainage, soil and water conservation, post harvest processing of crops, value addition, renewable energy, and appropriate design and utilization of aquaculture resources. The laboratory infrastructure has been developed to impart the essential practical knowledge including the application of computers and IT for the design, simulation, modeling, remote sensing etc. Two industrial trainings form a part of the UG programme that aims to provide the industrial exposure and enhancement of technical know-how and skills. The Department is actively involved in multi-disciplinary research with projects funded by DST, UGC, MoFPI and NHB.

The Thrust Areas of research of the Department are:-

- Soil and Water Conservation Engineering
- Ground Water Hydrology
- Watershed Management
- Farm Implements and Machinery
- Waste recycling and Bi-product Utilization
- Bioprocess Engineering
- Tea Processing Technology
- Aquacultural Engineering
- Water Resources Development and Management
- Rainwater Harvesting
- Remote Sensing and GIS
- Renewable Sources Energy and Utilization
- Mechanization of Horticultural Crops
- Food Engineering and Food Industry Management
- Climate Change and Climate Resilient Agriculture

Department of Computer Science & Engineering

(Formerly Department of Information Technology)

The Department of Information Technology was established in the year 2006-2007 under Triguna Sen School of Technology (earlier School Of Technology) and was one of the first to provide undergraduate engineering course in the university. The primary objective of the Department of Information Technology is to offer an environment that encourages to one's potential in academic programs. Within the ambit of Information Technology, the Department endeavors to develop

newer program-solving methods and apply these to creative design scenarios in contemporary and emerging technologies. The course structure and syllabus for the UG and PG programmes have been designed to create skilled and technically sound human resources to cater the engineering needs of the IT and allied industries. One industrial training forms a part of the UG programme that aims to provide the industrial exposure and enhancement of technical know-how and skills. The department is supported by MHRD and World Bank Through Technical Education Quality Improvement Programme (TEQIP - II). The Department has renamed as Department of Computer Science & Engineering in the year 2015.

The key focus areas of the Department are:

- 🖥️ Internet Computing
- 🖥️ Computer Graphics and Multimedia
- 🖥️ Mobile Computing
- 🖥️ Database and Information System
- 🖥️ Information Retrieval
- 🖥️ Soft Computing
- 🖥️ Cyber System
- 🖥️ Communication and Signal Processing

Department of Electronics and Communication Engineering

The Department of Electronics & Communication Engineering (ECE) (formerly Department of Electronics and Telecommunication) was established in 2011. The primary objective of the department is to impart quality education and training in the various fields of Electronics & Communication Engineering to meet the requirements of well skilled engineers in the region as well as in the country and abroad. The department offers courses, which are industrial as well as research oriented. The department has a clear vision to provide a vibrant and optimum learning environment to students in order to help them excel in today's competitive environment. To keep pace with the current technological trends, the department has a well designed and constantly reviewed syllabus to incorporate all advancements in existing and emerging technologies which give students a holistic and pragmatic view of the present scenario of the Electronics and Communication industry.

The Focus Areas of the Department are:-

ARYABHATTA SCHOOL OF EARTH SCIENCES

Department of Earth Science

The Department of Earth Science was established in November 2009 under the School of Environmental Sciences. The department envisions preparing Human Resources skilled in multi-disciplinary areas of the Earth Science and also to foster the cause of the discipline in the Nation vis-a-vis the region. North East India has reserves of some of the largest Hydrocarbon (Oil and Gas), Coal and Atomic Minerals (especially Uranium) deposits known in the country along with a treasure house of various geological mileau including geo-tourism. At the same time the region is highly vulnerable to natural hazards which include flood, landslide and earthquake etc. The department is committed to address these and various other fundamental and challenging issues of geological nature affecting the society.

SWAMI VIVEKANANDA SCHOOL OF LIBRARY SCIENCES

Department of Library & Information Science

The Department of Library Science has been established in the year 2009 under the School of Information Sciences. Now, the Department has been placed under separate "Swami Vivekananda School of Library Sciences" since 2011 which is unique in India that the Department of Library and Information Science has been placed under separate school. At present Prof. Sumanash Dutta, Department of Economics, Assam University, Silchar has been appointed as the Dean of the School w. e. f. January 2013.

The Master of Library and Information Science program at Assam University, Silchar educates students in the principles, practices, and ethics of library and information science, imbues them with a sense of service to diverse populations, and prepares them to be life-long learners and active leaders in a rapidly changing information and knowledge society.

The Department of Library Science of Assam University is committed to the University's mission of teaching, learning, research and community services. As a professional department, it will be the department of choice in Assam in general and Barak Valley in particular, which will educate its students, in both theory and practice, to identify, acquire, organize, and disseminate information. By integrating technology across the curriculum, the department will impart the knowledge and skills of the profession in preserving and providing access to the records of our cultural heritage and the documents of scholarly research. By nurturing research, innovation and service, the department will strive to offer high quality student-centered programmes necessary to prepare library and information professionals in the knowledge society of the 21st century.

The Department of Library Science would be recognised both nationally and internationally as a leader in producing information professionals. The department would be noted for its production of trained and professionally qualified librarians and other information professionals who are motivated to leadership and service. Those LIS Professionals would be knowledgeable and ethical in their professional practice. While recognizing the rich cultural and technological heritage of their fields, they will be prepared to make themselves adoptable in changing environment and also would be lifelong learners.

The department has been using the modern ICT tools and gadgets for classroom teaching including Smart Classroom and Internet based teaching -learning.

Central Instrumentation Laboratory

The Central Instrumentation Laboratory was established in the year 2007 with funding from University Grants Commission. The Central Instrumentation Laboratory houses sophisticated state of art analytical instruments like Gas Chromatography-Mass Spectrometry (GC-MS), Atomic Absorption Spectrometry (AAS), High Performance Liquid Chromatography (HPLC), Fourier Transform Infra Red Spectrometer (FT-IR), Impedance Analyser (LCR Meter) and a 400

MHz FT-NMR with multi probe facility. The main objective of the Central Instrumentation Laboratory is to provide analytical instrumentation support to all science departments of Assam University, other institutes, research laboratories, national laboratories and industries in the country. In addition, the CIL also provides teaching support to Post Graduate and IPP level of science departments of the university.

Computer Centre

Assam University Computer Centre is established in March 1997. It is the central hub for ICT related services for Assam University. Centre is the Internet gateway for the campus-wide university network through its NKN router. About eighteen hundred nodes are connected to the network. Approximately twenty servers, seventy high-end switches/routers and firewall devices are connected. All the departments of Silchar and Diphu campus are connected to the network. Computer Centre provides access to the e-journals, etc. to the stakeholders through a 10 Mbps leased line under UGC-Infonet Scheme. The centre is running a one year regular Post Graduate Diploma in Information Technology (PGDIT) course.

The best practices of Computer Centre is:

- Designing, Expansion and maintenance of campus wide network, from time to time.
- Maintenance of Web, Mail, DNS, AISHE servers, etc.
- Design, development and implementation of Web based and Intranet based Applications.
- Facilitating the Video Conferencing services.
- Providing Skill development Trainings, etc.
- Conducting of the IT Skill Tests, On-line examinations, etc.
- Conducting EDUSAT based virtual classes.
- Conducting PG /IPP classes, examinations, etc for the user departments.

Courses Offered :

- i] Post Graduate Diploma in Information technology (PGD-IT)

Durations: Two semesters.

- ii] Distance Learning/Out reach Certificate courses through EDUSAT.

Durations: 15 days to 4 months.

ACADEMIC AND STUDENT SERVICES

● CENTRAL LIBRARY

The University Central Library was established in 1994. At present the Central Library has a collection of around One Lakh and twenty thousand books. It also subscribes to more than 400 Indian and foreign journals. Facilities provided by the Library include reading / lending services, reference service, reprint service, literature search, photocopying, CD-ROM search. Besides these, access to internet is provided to students through 40 terminals. On line access to e-journals under UGC-Infonet, access to INFLIBNET Database service, access to DeLNET Database and Services and OPAC are also provided. The Library remains open from 9.30 am to 7.00 pm on all working days including Saturdays.

● HOSTEL ACCOMMODATION

There are at present **nine** hostels in the University campus. The hostels are : *four for boys*

and five for girls students. The hostels are furnished with basic facilities. Hostel seats are limited and every student may not get the seat in hostel. Availability of seats depend upon the vacancy in the hostel. A separate Booklet for Hostel Boarders & conduct Rules of the hostel is also available.

● HEALTH CARE CENTRE

The University Health Centre is managed by

experienced Medical personnel including Lady Medical Officer, supported by para-medical staff. The centre caters to the medical needs of the University community. The University has introduced Medical Insurance to each students. Besides these, health camps are frequently organised in the campus with specialist doctors from Silchar Medical College. University is issuing Health Card to each student for extending Medical facilities to the students efficiently. In case of emergency, ambulance service is also provided to transfer patients to Silchar Medical College, around 10 km from the campus. However, expenses related to medical emergencies and hospitalization shall be borne by the parents/guardians of the student concerned if not covered by the insurance. The University's health centre has procured equipments like X-ray machine, auto analysis and had set up of diagnostic laboratory.

● GYMNASIUM

A well equipped *Gymnasium* exists for both gents & ladies. Interested students can enroll their names for availing the facilities in the Gynmasium.

● NSS ACTIVITY

Students are encouraged in participating NSS (National Service Scheme) activities organised by the Programme Officer and Coordinator, NSS Unit of Assam University. NSS is sponsored by the Ministry of Sports and Youth Welfare.

● NCC TRAINING

The NCC Units in Assam University arrange NCC training for the students of the University

- both boys and girls. For enlisting names for NCC training, the contact person will be the Dean, Students' Welfare, Assam University.

● GAMES AND SPORTS

Since its inception in 1994, games and sports have been one of the important foci of Assam University's endeavour to facilitate all-round development of students' physical and mental abilities. Every year an Annual Social Meet is organized in the University where along with cultural activities, indoor and outdoor sports are held.

The University is currently a member of the Inter-University Sports Board of India and its teams participate in Zonal and All-India University Tournaments bringing laurels and prizes and medals for the University.

The Central Sports-complex which is in the process of coming up is expected to give a major boost to games and sports and to other extra-curricular activities of the students in Assam University.

● BUS SERVICE

In addition to State Transport Bus service, ten

buses are also available for the benefit of the students commuting between Silchar and University campus and also Hailakandi to university campus.

● STUDENTS' WELFARE

The office of the Dean of Students Welfare looks after the welfare of the students with active support of the representatives of the students, faculty and administration. Student Community Centre has been added from the year 2010 for

various students activities.

Padmashree Pt. Viswa Mohan Bhatt playing Mohan Bina at Bipin Chandra Pal Milanayatan.

For the benefit of the needy and deserving students, the University maintains and operates a Fund called the Assam University Students' Aid Fund which is instituted out of the contribution from the students of the University and collections from other sources. The main objective of the Fund is to render financial assistance to poor and deserving students for payment of tuition fees, examination fees, purchase of text books, stationery etc. A student requiring financial assistance from the Fund shall have to apply in the prescribed form through the concerned Head of the Department.

There is a Students' Council in the University which caters to the students' interests and contributes towards the promotion of students' extra-curricular activities. The Students' Council also organises a week-long social meet every year. During these seven days, the students display their creative talents in the field of sports and other cultural activities.

● THE UNIVERSITY JOURNAL

Assam University publishes research papers in the Journals in Humanities, Science and Technology in addition to some departmental Journals.

● THE UNIVERSITY MAGAZINE

The Assam University Magazine – *Prachi Prangan* is published annually. The Magazine

offers to the University students a medium to give expression to their literary and intellectual endeavours.

● STUDENTS' DISCIPLINE

Each student with respect to his/her work in the course (P.G./U.G./ Integrated course/ M. Phil/ Ph.D./ Certificate/Diploma) as well as his/her general conduct in the University, shall remain under the control of the respective School and the Department and shall be guided by the disciplinary code of the University. The Proctor looks after the discipline amongst the students.

It is mandatory for the students to keep their respective photo identity card with them while moving within the university campus.

There is complete ban on ragging in the campus as per order of the Supreme Court of India.

As per guidelines, ragging is strictly prohibited inside or outside the university campus. Each student will be required to submit one affidavit as per the format provided by the MHRD at the time of admission.

If any incident of ragging or any other act of gross violation of discipline comes to notice of the authority, the concerned students will be given adequate opportunity to explain and if his / her explanation is not satisfactory he/she will be expelled from the University.

Also, there is one committee on violence against women and sexual harassment to combat the menace of violence and sexual harassment against women in the campus, if any, and another for looking after the maintenance of discipline and decorum among the students.

● COMPUTER CENTRE

The Assam University Computer Centre is a central facility to facilitate, foster and support the computing and communication needs of University fraternity. Students have access to more than 50 computers for their lab or project work. To assist research, there is a range of computing environment available, backed by

staff with considerable expertise.

Currently, the Computer Centre extends help to all administration and academic departments in running theory and practical courses related to Computer Science and computer applications.

The Centre has acquired all the latest softwares/ computers to cater to all types of computing requirements of the research scholars, faculty and students.

● CAREER COUNCELLING AND PLACEMENT CELL

The Placement Cell of the University extend counselling services to all placement aspirants. The Cell's activities include organisation of workshops and lectures by corporate professionals and placement consultants and preparation of students' resume / bio-data / curriculum vitae and placement brochure. The

Placement Cells in the various departments of the University are currently engaged in developing detailed Employer's Database that would help the students to trace out employment opportunities in India and abroad. Since inception University students are being offered good placement both in Public and in Private sector. Many companies had participated during last couple of year's placement programme. The Companies include: IDBI Bank, ICICI Bank, TCS, HSBC Global Outsourcing, Zolani Tech, UNISYS, Wipro Technology, Thyrocare Tech, HDFC Bank, Reliance Communications, Tata Motor Finance, Pradan, Capart, Axis Bank and ICICI Prudential Life Insurance Company. Students from almost all the departments have been participating in the placement sessions.

Dr. Debomalya Ghosh, Department of Business Administration is the current co-ordinator of the placement cell.

DIPHU CAMPUS

A new campus of the University at Diphu in the Karbi Anglong district of Assam was proposed as part of the University's aim to provide the chance of Higher Education to a wider section of people as well as to satisfy a long felt demand of the people of Karbi Anglong.

Conceived as an outreach campus of Assam University, academic activities in the Diphu Campus started from the Academic Session 2007-08. The authorities of the Karbi-Anglong Autonomous Council have allotted 272 bighas of land on Diphu-Lumding Road about 8 kms away from the Diphu town. The land so allotted has already been taken over by the University and the construction process is in progress. The campus site is located in a picturesque place surrounded on all sides by lush green hills.

Administrative office at Diphu

Academic and Administrative activities for the Diphu Campus is at present being carried out in a temporary accommodation as the construction of the appropriate infrastructure in the permanent campus site is in progress. Arrangement of Hostel accommodation for students is in the process.

RABINDRANATH TAGORE SCHOOL OF INDIAN LANGUAGES AND CULTURAL STUDIES

Department of Assamese

The Department of Assamese, under Rabindranath Tagore School of Indian Languages & Cultural Studies, was established in 2010 in Assam University at Diphu Campus. The Department offers post-graduate course in Assamese as well as M.Phil. and Ph. D. program with course work. The syllabi of the program incorporates both traditional and non-traditional courses keeping in view of the rising demands in various fields like Literature, Language, Comparative Literature, Culture, translation, advertising and so forth. The Department also envisages the introduction of various career-oriented courses in Assamese.
