ASSAM UNIVERSITY, SILCHAR

(A Central University Established by an Act of Parliament)

Silchar - 788 011, Assam, India

Date: 12.12.2017

To
Prof. Bimal Sinha,
Presidential Research Professor,
University of Maryland, Baltimore County, USA

AND

Prof. Bikas Sinha,
Retired Professor, Indian Statistical Institute,
Kolkata, India

Dear Professor Bimal Sinha & Professor Bikas Sinha,

I could learn that both of you shall be available in India in the month of January, 2018. During that period the Department of Statistics of our university is conducting a training program in "Innovative Research Dimensions and Data Analysis in 'R'".

I am pleased to invite both of you to visit Assam University and more specifically the Department of Statistics on January 16-17, 2018 and deliver a few Lectures in the said workshop on "Innovative Research Dimensions". The workshop shall be attended by Faculty members of different colleges and universities and Research Scholars of related disciplines and PG & Statistics Students.

It will be a honor for us to host you & greet you at my campus.

The organizers of the workshop shall take care of your local hospitality, travel expenses and honorarium as per university rules.

I sincerely hope that you will be able to accept my cordial invitation.

I look forward to your response.

Sincerely,

(Dilip C. Nath)

Vice Chancellor,

Professor Dibyojyoti Bhattacharjee
Head, Department of Statistics
Assam University
Silchar 788011, India

Dear Professor Bhattacharjee,

The Department of Mathematics & Statistics at the University of Maryland Baltimore County (UMBC) has been organizing an annual conference, *Probability & Statistics Day*, for the last several years. Next year we will hold the *12th Annual Probability & Statistics Day* during April 20-21, 2018. For details concerning this year's conference, you may visit <http://www.umbc.edu/circ/hosting/ProbStatDay2017/>.

Next year's conference will consist of a half-day workshop on April 20, 2018, and a full-day conference on April 21, 2018. The full-day event includes several keynote lectures, and an invited international session. On behalf of the Organizing Committee, I have great pleasure in inviting you to be part of the conference as an invited speaker in our international session, and deliver an invited presentation on a topic of your choice. We will be able to take care of your local expenses during the conference, including accommodation on April 19, 20 and 21. Unfortunately, we have no funds to cover your airfare.

I sincerely hope that you will be able to accept this invitation and give an invited presentation at the conference. I look forward to hearing back from you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas Mathew', written over a horizontal line.

Thomas Mathew, Conference Chair
