

STUDENTS' FEEDBACK ON CURRICULUM - 2014

Assam University
Silchar-788011

Assam University : Department of Arabic

Paper no. 201 – Modern Arabic Prose

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 16

Department: Arabic

Programme: M.A.

Semester: 2nd

Name of Paper: 201 – Modern Arabic Prose

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

22.25	25.13	23.75	25.88
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

0.0	0.0	0.0	0.0
-----	-----	-----	-----

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Paper no. 204 – Bioinformatics

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 21

Department: Biotechnology

Programme: M. Sc.

Semester: 2nd

Name of Paper: 204 – Bioinformatics

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(iv) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(iv) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(iv) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="13.00"/>	<input type="text" value="14.67"/>	<input type="text" value="29.67"/>	<input type="text" value="37.00"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="3.2"/>	<input type="text" value="5.6"/>	<input type="text" value="7.2"/>	<input type="text" value="8.6"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(iv) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

Paper no. 403(B) – Organic Chemistry – IV

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 02

Department: Chemistry

Programme: M. Sc.

Semester: 4th

Name of Paper: 403(B) – Organic Chemistry – IV

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(vi) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(vi) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(vi) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

25.00	25.00	25.00	25.00
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

0.0	0.0	0.0	0.0
-----	-----	-----	-----

7. How many internal tests did you appear in this paper?

(vii) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

21.47	26.05	26.58	23.79
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

8.1	11.1	10.5	9.7
-----	------	------	-----

7. How many internal tests did you appear in this paper?

(iii) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

Paper no. *Society and Civilization – IV*

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 03

Department: French

Programme: C.O.P.

Semester: 2nd

Name of Paper: *Society and Civilization – IV*

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

25.00	25.00	25.00	25.00
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

3.0	0.0	0.0	0.0
-----	-----	-----	-----

7. How many internal tests did you appear in this paper?

(ii) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(ix) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(ix) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

25.00	23.44	26.33	25.22
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

0.0	0.0	0.0	0.0
-----	-----	-----	-----

7. How many internal tests did you appear in this paper?

(ix) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

Department: Library & Information Science Programme: M. Sc. Semester: 2nd

Name of Paper: 201 - Management of Library and Information Centres - I Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

15.00	22.43	32.14	26.71
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

15.0	20.0	15.0	0.0
------	------	------	-----

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Assam University : Department of Library Science

Paper no. 203 - Information Sources and Services

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 24

Programme: M.M.C.

Semester: 4th

Name of Paper: 403 – New Media Theory & Practices

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(vi) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(vi) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(vi) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

17.00	13.50	12.00	11.50
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

10.2	9.7	10.8	10.1
------	-----	------	------

7. How many internal tests did you appear in this paper?

(vii) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Paper no. 404(A) – Relativity

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 01

Department: Mathematics

Programme: M. Sc.

Semester: 4th

Name of Paper: 404(A) – Relativity

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(ix) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(ix) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(ix) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

20.00	25.00	30.00	25.00
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

0.0	0.0	0.0	0.0
-----	-----	-----	-----

7. How many internal tests did you appear in this paper?

(ix) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Paper no. 401 – Contemporary Issues in Political Theory

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 29

Department: Political Science

Programme: M.A.

Semester: 4th

Name of Paper: 401 – Contemporary Issues in Political Theory

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(vi) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(vi) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(vi) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

22.86	26.86	24.24	21.00
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

9.3	9.6	9.4	8.2
-----	-----	-----	-----

7. How many internal tests did you appear in this paper?

(vi) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

Name of Paper: 401 – Anthropological Theories – II

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="25.00"/>	<input type="text" value="25.00"/>	<input type="text" value="25.00"/>	<input type="text" value="25.00"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) % two (iii) % one (iv) % none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

Y	94%
---	-----

Y	50%
---	-----

N 85%

Question that you had asked (within two lines):

Answer that you got (within five lines)

Director/Co-Convenor, IQAC

**COMPILATION REPORT
ON
STUDENTS' FEEDBACK**

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 17

2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 12

Department: Political Science

Programme: M.A.

Semester: 4th

Name of Paper: 402 - Political Institutions & Process in North East India

Session: 2014-15

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="20.00"/>	<input type="text" value="25.00"/>	<input type="text" value="31.67"/>	<input type="text" value="23.33"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) % one (iv) % none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

Y	91%
---	-----

Y	55%
---	-----

N 88%
