

STUDENTS' FEEDBACK ON CURRICULUM - 2015

**Assam University
Silchar-788011**

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 17

Department: Arabic

Programme: M.A.

Semester: 3rd

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i)

53%

 Large extent (ii)

47%

 Medium extent (iii)

%

 Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i)

53%

 Large extent (ii)

41%

 Medium extent (iii)

6%

 Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i)

76%

 Matching completely (ii)

12%

 Matching somewhat (iii)

12%

 Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

85%

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

24.50	25.21	24.50	24.07
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

0.0	0.0	0.0	0.0
-----	-----	-----	-----

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Name of Paper: 303. II – Marketing Research

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 51

Department: Business Administration

Programme: M.B.A.

Semester: 3rd

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(iii) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(iii) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(iii) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="25.70"/>	<input type="text" value="24.36"/>	<input type="text" value="24.03"/>	<input type="text" value="19.97"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="6.7"/>	<input type="text" value="6.4"/>	<input type="text" value="8.0"/>	<input type="text" value="9.1"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(iii) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

7. How many internal tests did you appear in this paper?

(xii) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Department of Business Administration (Silchar Campus)

Name of Paper: 3502 – Total Quality Management

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 09

Department: Business Administration

Programme: M.B.A.

Semester: 3rd

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(xi) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(xi) Large extent (ii) Medium extent (iii) % Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(xi) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="26.43"/>	<input type="text" value="26.43"/>	<input type="text" value="23.57"/>	<input type="text" value="23.57"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="10.0"/>	<input type="text" value="10.0"/>	<input type="text" value="10.0"/>	<input type="text" value="10.0"/>
-----------------------------------	-----------------------------------	-----------------------------------	-----------------------------------

7. How many internal tests did you appear in this paper?

(xi) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

21.67	25.00	31.67	21.67
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

9.5	10.0	10.0	8.0
-----	------	------	-----

7. How many internal tests did you appear in this paper?

(vi) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Department: Computer Science & Engineering

Programme: B. Tech.

Semester: 5th

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(ix) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(ix) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(ix) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="28.60"/>	<input type="text" value="26.20"/>	<input type="text" value="22.88"/>	<input type="text" value="21.52"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="8.7"/>	<input type="text" value="9.8"/>	<input type="text" value="10.3"/>	<input type="text" value="10.1"/>
----------------------------------	----------------------------------	-----------------------------------	-----------------------------------

7. How many internal tests did you appear in this paper?

(ix) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Name of Paper: 505 – Formal Languages & Automate Theory

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 37

Department: Computer Science & Engineering

Programme: B. Tech.

Semester: 5th

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

Name of Paper: 305 – Laboratory – 3: (a) Data & File Structure
(b) Microprocessor and Assembly Language

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 23

Department: Computer Science

Programme: M. Sc. (Integrated) Semester: 3rd

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(v) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(v) Large extent (ii) Medium extent (iii) % Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(v) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="25.00"/>	<input type="text" value="25.00"/>	<input type="text" value="25.00"/>	<input type="text" value="25.00"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

10.0	11.0	11.5	12.0
------	------	------	------

7. How many internal tests did you appear in this paper?

(v) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(xv) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(xv) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(xv) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

22.78	23.11	22.11	26.89
-------	-------	-------	-------

6. Write down the number of classes you attended in this paper during the above months :

10.3	10.3	10.7	11.7
------	------	------	------

7. How many internal tests did you appear in this paper?

(xv) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Programme: M. Sc. (Applied Geology)

Semester: 3rd

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="29.00"/>	<input type="text" value="31.00"/>	<input type="text" value="25.00"/>	<input type="text" value="14.50"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="11.8"/>	<input type="text" value="12.5"/>	<input type="text" value="9.0"/>	<input type="text" value="10.5"/>
-----------------------------------	-----------------------------------	----------------------------------	-----------------------------------

7. How many internal tests did you appear in this paper?

(i) % 3 or more (ii) two (iii) % one (iv) % none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus Y

10. Did you ask questions in the class regarding the subject being taught? Y

11. Did you ever find yourself discouraged in the class for asking questions? N

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="10.00"/>	<input type="text" value="30.00"/>	<input type="text" value="50.00"/>	<input type="text" value="10.00"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

50%

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus

Y

50%

10. Did you ask questions in the class regarding the subject being taught?

Y

00%

11. Did you ever find yourself discouraged in the class for asking questions?

N

100%

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="13.33"/>	<input type="text" value="15.00"/>	<input type="text" value="13.33"/>	<input type="text" value="35.00"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="7.0"/>	<input type="text" value="7.0"/>	<input type="text" value="7.3"/>	<input type="text" value="11.0"/>
----------------------------------	----------------------------------	----------------------------------	-----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

80%

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus

Y

60%

10. Did you ask questions in the class regarding the subject being taught?

Y

80%

11. Did you ever find yourself discouraged in the class for asking questions?

N

60%

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 07

Department: Education

Programme: B.Sc. B.Ed.

Semester: 3rd

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) 43% Large extent (ii) 43% Medium extent (iii) 14% Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) 42% Large extent (ii) 29% Medium extent (iii) 29% Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) 43% Matching completely (ii) 43% Matching somewhat (iii) 14% Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y 14%

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

20.20	20.80	22.00	19.40
---	---	---	---

6. Write down the number of classes you attended in this paper during the above months :

6.4	10.0	5.0	4.6
---	--	---	---

7. How many internal tests did you appear in this paper?

(i) 29% 3 or more (ii) 71% two (iii) % one (iv) % none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

86%

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus

Y

71%

10. Did you ask questions in the class regarding the subject being taught?

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) % Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="25.00"/>	<input type="text" value="23.33"/>	<input type="text" value="25.00"/>	<input type="text" value="25.00"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="15.0"/>	<input type="text" value="10.0"/>	<input type="text" value="10.0"/>	<input type="text" value="10.0"/>
-----------------------------------	-----------------------------------	-----------------------------------	-----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) % one (iv) % none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

100%

If not write within two lines why:

9. Do you think the question asked in the end semester examinations covered all the units referred in the syllabus

Y

100%

10. Did you ask questions in the class regarding the subject being taught?

Y

33%

11. Did you ever find yourself discouraged in the class for asking questions?

N

100%

12. Write down one such question that you asked in the class and for which you got most satisfactory answer:

Question that you had asked (within two lines):

NA

Answer that you got (within five lines)

NA

Department of Education (Silchar Campus)

Name of Paper: 305.3 – Guidance and Counseling

STUDENTS' FEEDBACK

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 26

Department: Education

Programme: M.A.

Semester: 3rd

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(v) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(v) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(v) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="25.26"/>	<input type="text" value="23.48"/>	<input type="text" value="22.52"/>	<input type="text" value="20.74"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="8.6"/>	<input type="text" value="7.0"/>	<input type="text" value="7.1"/>	<input type="text" value="7.2"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(v) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Name of Paper: 303 (B) – Science, Environment & Health Communication

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="25.10"/>	<input type="text" value="18.70"/>	<input type="text" value="21.60"/>	<input type="text" value="14.90"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="10.0"/>	<input type="text" value="11.6"/>	<input type="text" value="8.8"/>	<input type="text" value="9.2"/>
-----------------------------------	-----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) % one (iv) % none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

Y	91%

Semester: 3rd

Name of Paper: 302 – Food Microbiology

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="10.00"/>	<input type="text" value="17.50"/>	<input type="text" value="15.00"/>	<input type="text" value="12.50"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

Y	91%
---	-----

Y	25%

Session:

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="25.00"/>	<input type="text" value="30.00"/>	<input type="text" value="21.67"/>	<input type="text" value="23.33"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

If not write within two lines why:

Y	100%

**COMPILATION REPORT
ON
STUDENTS' FEEDBACK**

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 18

Department: Political Science

Programme: M.A.

Semester: 3rd

Name of Paper: 303 – Human Right: Theories & Practice

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) % Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) % Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="21.25"/>	<input type="text" value="21.25"/>	<input type="text" value="20.83"/>	<input type="text" value="18.33"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="9.8"/>	<input type="text" value="9.8"/>	<input type="text" value="10.4"/>	<input type="text" value="8.5"/>
----------------------------------	----------------------------------	-----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) % one (iv) % none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

STUDENTS' FEEDBACK**

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 07

Department: Visual Arts

Programme: B.V.A.

Semester: 7th

Name of Paper: 702 (P) – Drawing & Study

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="17.67"/>	<input type="text" value="19.83"/>	<input type="text" value="24.00"/>	<input type="text" value="29.17"/>
------------------------------------	------------------------------------	------------------------------------	------------------------------------

6. Write down the number of classes you attended in this paper during the above months :

<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>	<input type="text" value="0.0"/>
----------------------------------	----------------------------------	----------------------------------	----------------------------------

7. How many internal tests did you appear in this paper?

(i) 3 or more (ii) two (iii) one (iv) none

8. Do you think the marks scored by you in the internal test reflected your knowledge in the subject?

Y

**COMPILATION REPORT
ON
STUDENTS' FEEDBACK**

1. Only those students who have completed one year in the university can evaluate.
2. Only those students who have scored 50 % marks in Science / engineering/ para-medical and 45% in other disciplines can evaluate, subject to the condition that they have at least 70 % attendance in the previous semester irrespective of discipline, without any backlogs.
3. Any feedback form which is found to be defaced will be rejected.

Total Respondent: 06

Department: Visual Arts

Programme: M.V.A.

Semester: 3rd

Name of Paper: 3002 (S) – Creative Sculpture

Session: 2015-16

1. To what extent did you find the (syllabus) in the paper useful for your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not at all useful

2. To what extent did you find the teaching in the above subject useful to your general understanding of the subject in which you are pursuing your degree?

(i) Large extent (ii) Medium extent (iii) Not as per expectation

3. To what extent did you find the teaching in the subject was matching with the course material (syllabus)

(i) Matching completely (ii) Matching somewhat (iii) Should be improved

4. Did you find the whole course material was taught uniformly over the entire semester?

Y

5. If the entire semester over which the course material was taught divided into blocks of four months, indicate the percentage of course material which was taught in each month:

<input type="text" value="19.40"/>	<input type="text" value="20.60"/>	<input type="text" value="20.00"/>	<input type="text" value="20.40"/>
