Silchar- 732103.

(Sub: UGC-DAE CSR, KC Collaborative Research Schemes (Research Project) entitled "**Role of trace elements in cancer progression and remediation**" of Dr. Bidhan Mohanta, Department of Physics, Assam University)

Dear Sir,

This is to inform you that based on recommendations of the Project Review Committee, UGC-DAE Consortium for Scientific Research, Kolkata Centre has approved the extension of the aforecaptioned proposal to be supported as a Collaborative Research Scheme (CRS) w.e.f. 01.01.2015, for a period of one year

The contingency and consumables head has been enhanced to Rs 15,000/- and Rs 30,000/- respectively. All other terms and conditions remain the same.

The Review Committee recommends that the publications out of the project may be published in JCR journals preferably.

Please send the duly filled TR-42 completed to release the grant for contingency and fellowship. Kindly note that, release of above grant requires the utilization certificate (U.C.) for the last year. Kindly ensure to send it in case it is not sent so far. All communications pertaining to this CRS, are to be made to the undersigned

Yours sincerely,

(Dr. M. Sudarshan)

Research Program Coordinator (Trace Element)
