Ability = The ability of teacher to reach out to students through online mode

Coverage -The extent of coverage of the course through online teaching in this paper

Uniformity = Extent of uniformity in teaching the various units of the paper in online mode

Clarity = Extent of clarity in teaching of the paper in online mode

Interaction = The extent of interaction with the teacher in the online mode of teaching for the paper

Material = The extent of study material that were made available relating to the content of the paper

Evaluation = The process of online evaluation (internal exams) in this paper

Network = The network at the end of the teacher during online teaching in this paper

Comparison = Your assessment about online teaching in comparison to direct classroom teaching

---

**Department is requested to place the report in the Department Affairs Committee(DAC) meeting and inform the Action Taken on the Feedback report to IQAC within 3 day from the receipt of the same.**

© Report is generated from online feedback system, IQAC, Assam University, Silchar

Ability = The ability of teacher to reach out to students through online mode

Coverage -The extent of coverage of the course through online teaching in this paper

Uniformity = Extent of uniformity in teaching the various units of the paper in online mode

Clarity = Extent of clarity in teaching of the paper in online mode

Interaction = The extent of interaction with the teacher in the online mode of teaching for the paper

Material = The extent of study material that were made available relating to the content of the paper

---

Evaluation = The process of online evaluation (internal exams) in this paper

---

Network = The network at the end of the teacher during online teaching in this paper

---

Comparison = Your assessment about online teaching in comparison to direct classroom teaching

---

**Department is requested to place the report in the Department Affairs Committee(DAC) meeting and inform the Action Taken on the Feedback report to IQAC within 3 day from the receipt of the same.**

Ability = The ability of teacher to reach out to students through online mode

Coverage -The extent of coverage of the course through online teaching in this paper

Uniformity = Extent of uniformity in teaching the various units of the paper in online mode

Clarity = Extent of clarity in teaching of the paper in online mode

Interaction = The extent of interaction with the teacher in the online mode of teaching for the paper

Material = The extent of study material that were made available relating to the content of the paper

Evaluation = The process of online evaluation (internal exams) in this paper

Network = The network at the end of the teacher during online teaching in this paper

Comparison = Your assessment about online teaching in comparison to direct classroom teaching

Department is requested to place the report in the Department Affairs Committee(DAC) meeting and inform the Action Taken on the Feedback report to IQAC within 3 day from the receipt of the same.

Ability = The ability of teacher to reach out to students through online mode

Coverage -The extent of coverage of the course through online teaching in this paper

Uniformity = Extent of uniformity in teaching the various units of the paper in online mode

Clarity = Extent of clarity in teaching of the paper in online mode

Interaction = The extent of interaction with the teacher in the online mode of teaching for the paper

Material = The extent of study material that were made available relating to the content of the paper

Evaluation = The process of online evaluation (internal exams) in this paper

Network = The network at the end of the teacher during online teaching in this paper

Comparison = Your assessment about online teaching in comparison to direct classroom teaching

**Department is requested to place the report in the Department Affairs Committee(DAC) meeting and inform the Action Taken on the Feedback report to IQAC within 3 day from the receipt of the same.**
