ASSAM UNIVERSITY

AN INTRODUCTION

Assam University, Silchar, is a Central University established by an Act of the Indian Parliament (Act XXIII of 1989), and came into existence in 1994. Situated in the Barak Valley of southern Assam, the University is nestled in a sprawling 600-acre campus at Dargakona, about 22 km from Silchar town. In 2007, Assam University opened a 90-acre satellite campus at Diphu in the Karbi Anglong Hills District of Assam, thereby making quality higher education accessible to a wider section of society. With students' strength about 4105 in the Silchar campus and 808 in Diphu campus, the University is a veritable melting pot of diverse communities, ideas and values. Apart from the two campuses of the University, there are 77 affiliated colleges in the five districts of south Assam, which together constitute the jurisdiction of Assam University and there are more than 39,622 students enrolled in the affiliated colleges.

Since 1994, Assam University has expanded both in size and reputation. Today, there are 43 Departments under 16 schools of studies in the Silchar campus and 10 departments in Diphu campus, offering a wide range of programmes geared towards equipping students and research scholars with knowledge, skills, experience and confidence, the benefits of which they can reap well into future. Besides, there are 7 Centres of Study with 1 in Diphu Campus in the University dedicated to research. Recently, the University has developed a strategy for enhancing the range of pedagogic uses of technology. As part of this strategy, the University has turned all its classrooms into state-of-the-art ones enabling teachers to teach using a wide variety of media. There is no gainsaying that in the last twenty seven years of its relentless pursuit of academic excellence, Assam University has made significant strides in providing better academic atmosphere and improved infrastructural facilities.

THE LOGO

The Logo has a book at the base. Knowledge in the form of flame of light is emerging from the book to lead to modern technology to ensure human development. In the background, there are hills and plains representing the Barak Valley and the hills districts. All the elements are ultimately put in a wheel of progress, so that the University acts as an instrument of change and development for the area within its jurisdiction. The promise of progress is represented by the Rising Sun which is shown as emerging across the symbol of technological growth. 'Assam University, Silchar' and 'Pratyayabodhakritirupapattaye' (In Devanagari) are inscribed in the Logo.
