

Faculty Details

Name- Dr. SUCHISMITA DAS

Designation- ASSISTANT PROFESSOR (STAGE III)

Department: LIFE SCIENCE AND BIOINFORMATICS

Off. Phone/ Phone-+913842270802(O)

Email- drsuchismita9@gmail.com

Year of Joining: 2005

Areas of Interest/Specialization: Environmental Monitoring, Aquatic Toxicology, and Remediation

Experience: (In Year) 16 years

Career Profile:

Education qualification:

Post-doctoral research: **University of Florida, Gainesville, USA**

Ph.D.- **Assam University Silchar, India**

M. Sc- **Banaras Hindu University, Varanasi, UP, India**

Honours/Awards (National/ International):

1. DBT-Overseas Associateship (N.E.) Long term fellowship (1 year) awarded by Department of Biotechnology, India (2016-17)
2. CSIR-JRF (+ LS) Fellowship awarded by CSIR, India (2003)
3. GATE Fellowship awarded by Indian Institute of Technology (2004)
4. Recipient of Hanuman Prasad Singh Memorial Gold Medal for standing 1st in Fish Biology, M.Sc (Zoology), Banaras Hindu University (2004)
5. Recipient of Rank Certificate for standing 1st in B.Sc (Zoology), Assam University, Silchar (2002)

International Collaboration/Consultancy:

Soil and water Science, University of Florida, USA

Research group: Aquatic Toxicology, and Remediation

Ph.D awarded:

1. **Debasish Bhattacharjee.** Toxicological studies on the effects of organochlorine pesticide, lindane in Channa punctata (Bloch, 1793) (**date of award: 29/09/2016**) Regn No. *Ph.D/2097/12, Dt. 26.09.12*
2. **Sunayana Goswami.** A study on phytoremediation of cadmium and copper, from soil and water with selected hyperaccumulators from Barak valley, Assam (**date of award: 15/03/2018**) Regn No. *Ph.D/1672/2011, Dt. 15.09.12*
3. **Sangeeta Dey.** Toxicological effects of effluents of Cachar Paper Mill, Panchgram, Barak Valley, on teleost species, *Cyprinus carpio* and *Ctenopharyngodon idella* (**date of award: 16/03/2018**) Regn No. *Ph.D/1691/2011, Dt. 15.09.12*
4. **Kisholay Mazumdar.** Phytoremediation of papermill effluent using selected aquatichyperaccumulators from Northeast India. (**date of award: 09/12/2019**) Regn No. *Ph.D/2121/12, Dt. 26.09.12*
5. **Nobonita Deb.** Interactive effects of pesticide Chlorpyrifos and fertilizer, urea on selected biomarkers of Channa punctata (Bloch, 1793) (**date of award: 10/11/2020**) Regn No. *Ph.D/2113/12, Dt. 26.09.12*
6. **Parmita Bhattacharjee.** Protective role of quercetin in deltamethrin induced toxic effects in Channa punctata (Bloch, 1793): an integrated approach (**date of award: 05/01/2021**) Regn No. *Ph.D/2428/13, Dt. 12.09.13*

M.Phil awarded:

1. **Anima Das.** Comparative study of the uptake, regulation and sequestration patterns of two heavy metals, Pb and Zn on Clarias batrachus (**date of award: 05/03/2014**) Regn. No. 17-100022491 of 2010-11; Roll-011110 No-00170092)
2. **Shamim Sultana Choudhury.** A study on toxicological effects on fish inhabiting a polluted wetland-Chawli beel in barak Valley, South Assam. (**date of award: 21/12/2015**) Regn. No.10104008 of 2007-08; Roll-011312 No-00170306)
3. **Agniv Kumar Laskar.** Source identification and risk assessment for heavy metals in roadside plants. (**date of award: 28/07/2020**) Regn No. 10105910 of 2009-2010 Roll -011514/00160177)

Ph.D Ongoing: 02 Numbers

Best Peer Reviewed Publications (up to 5):
