ACKNOWLEDGEMENT

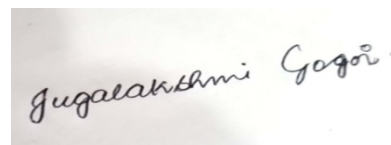

I hereby offer my express my sincere gratitude towards Assam university for providing a course on Linguistics and giving me the chance to write a dissertation. I offer my earnest gratitude to my supervisor Dr. Paramita Purkait, Assistant Professor, Department of Linguistics, Assam University, Silchar for giving me the opportunity to undertake this research work under her supervision, and for her all the support, encouragement, patience, constant guidance, valuable suggestions, feedback and cooperation, without which this dissertation would not have been possible.

I am also thankful to all the other faculty of the department for their constant guidance and valuable suggestions. I would also like to thank my friends for their cooperation with me all the time, while I was collecting data and conducting the field work.

I am also grateful to my parents and family for their unfailing and unconditional support and constant encouragement.

Besides, my special thanks to all my classmates for all the help they provided through discussion and cooperation. I am also thankful to my seniors RajlaxmiKonwar and Nishi Gogoi for the help and guidance which they provided me. I offer my sincere thanks to the Librarian, Central Library of Assam University, Silchar.
