

Webinar On Optimization in Inventory Management

July 25-26, 2020

Organized

Department of Mathematics

Assam University, Silchar

India

About the Department

The department started its journey with journey of Assam University in 1994. The department has produced good numbers of graduates who are now working in different academic and research institutes around the globes. The department is presently funded by UGC-SAP and DST-FIST.

Theme of the Webinar:

Recently optimization is considered as one of the most useful field of mathematics both in theoretical and its practical applications. The theory of optimization has a lot of applications in the real world. The objective of this webinar is to discuss the mathematical aspects of optimization in the field of inventory management.

How to Apply :

To join the webinar, there is no registration fee. Interested participants can join the webinar using Google meet. The link of the meeting will be shared via email to all the selected participant. **One can register using the following link :**

<https://forms.gle/zpjwLuK7qFV5H8PF8>

**Registration will be closed after 5 PM,
23rd July, 2020 5PM**

Important Note: Due to technical constraint only 100 participants will be selected .

Who can join?

The webinar is organized targeting the interest of PG students, M.Phil/Ph.D scholars. Faculty members who are keeping interest in the field of optimization can also join the webinar.

Invited Speaker

Day:1 (July 25, 2020, 10 AM onwards)

- 1.Prof. Nita H. Shah, Gujarat University**
- 2.Prof. C. K. Jaggi, University of Delhi**

Day:2 (July 26, 2020, 9 AM onwards)

- 3. Prof. Leopoldo E. Cardenas Barron
Technologico de Monterry, Maxico**
- 4. Prof. Asoke Kumar Bhunia,
University of Burdwan, West Bengal**

Organizing Committee

Chief Patron:

Prof. D. C. Nath

Honourable Vice-Chancellor,AUS

Patron

Prof.C. R. Bhattacharjee

Dean, AESoPS, AUS

Chairperson

Prof. K. Dutta Choudhury

Webinar Coordinator

Dr.Nabendu Sen

Dr.Sumit Saha

Members:

All faculty members of the department.
