DEPARTMENT OF MATHEMATICS

No. AU/MS/HOD/01/2017-18/

Date: 06/09/2018

An emergent meeting was held on 6th September, 2018 in HOD's room with the following members of the department in presence of Mr. Debanand Dey Purkayastha, Assistant Engineer of Engineering Section, Assam University, Silchar to discuss about the modified diagram of the Extension building work in the 2nd floor of Department of Mathematics which was submitted by the Assistant Engineer, AUS.

HOD, Mathematics has appraised the member regarding the modified plan of the extension work in the 2nd floor that due to space constraint in the department, the unused space in extension work has been used in the modified diagram.

All members discussed about the modified Plan (Diagram) of the construction and visited the construction area in the 2nd floor of Department of Mathematics. The member unanimously agreed upon the modified plan (diagram Annexure-A) prepared by Mr. Debanand Dey Purkayastha, Assistant Engineer, AUS.

The meeting ended with thanks to and from the Chair.
