

**Department of Microbiology, Assam University**

**Guidelines for Entrance Test 2020 for admission in M.Sc. Microbiology, Assam University, Silchar**

1. Entrance test will be conducted on google platform (Google form), on 09.11.2020 from 11:30 AM to 12 Noon
2. Students will receive their admit card through email. If not received by 05.11.2020, please contact coordinator immediately.
3. A whatsapp group will be created for all the applicants where all the instructions will be provided from time to time. This group will also help students to answer any queries raised by them.
4. A demo/mock test will be conducted for students on 06.11.2020 from 11:30 AM onwards. All the applicants are requested to join the session to get familiarised with the examination pattern
5. For any enquiries applicants can mail at [dopmicrobiologyaus@gmail.com](mailto:dopmicrobiologyaus@gmail.com)
6. All the applicants make sure that your mobile number is registered/added in a dedicated whatsapp group (MicroEntrance2020) to receive instructions from time to time. If not added contact Coordinator immediately.
7. All the applicants make sure that you have sufficient data pack to complete online admission test for 30 minutes and you identify the location where you have good mobile network
8. All the applicants make sure that you have your laptop/mobile ready in working condition and with sufficient charge during examination time
9. For any query contact coordinator of entrance examination, Dr Amitabha Bhattacharjee, Assistant Professor, Dept of Microbiology (Contact number: 8471939088)
