ASSAM UNIVERSITY: AN INTRODUCTION

Assam University, Silchar, is a Central University established by an Act of the Indian Parliament (Act XXIII of 1989), and came into existence in 1994. Situated in the Barak Valley of southern Assam, the University is nestled in a sprawling 600-acre campus at Dargakona, about 23 kms. from Silchar town. In 2007, Assam University opened a satellite campus at Diphu in the Karbi Anglong Hills District of Assam, thereby making quality higher education accessible to a wider section of society. With students' strength about 3307 in the Silchar campus and 621 in Diphu campus, the University is a veritable melting pot of diverse communities, ideas and creativity. Apart from the two campuses of the University, there are 61 affiliated and permitted colleges in the five districts of south Assam, which together constitute the jurisdiction of Assam University and there are more than 25,512 students enrolled in the affiliated colleges.

Since 1994, Assam University has expanded both in size and reputation. Today, there are 36 postgraduate departments under 16 Schools of study in the Silchar campus and 10 departments in Diphu campus, offering a wide range of programmes geared towards equipping students and research scholars with knowledge, skills, experience and confidence, the benefits of which they can reap well into the future. Besides, there are several Centres of Study in the University dedicated to research of high quality. Recently, the University has developed a strategy for enhancing the range of pedagogic uses of technology. As part of this strategy, the University is in the process of gradually turning all its classrooms into state-of-the-art ones enabling teachers to teach using a wide variety of media. There's no gainsaying that in the last twenty two years of its relentless pursuit of academic excellence, Assam University has made giant strides in providing better academic atmosphere and improved infrastructural facilities.

THE LOGO

The Logo has a book at the base. Knowledge in the form of flame of light is emerging from the book to lead to modern technology to ensure human development. In the background, there are hills and plains representing the Barak Valley and the hills districts. All the elements are ultimately put in a wheel of progress, so that the University acts as an instrument of change and development for the area within its jurisdiction. The promise of progress is represented by the Rising Sun which is shown as emerging across the symbol of technological growth. 'Assam University, Silchar' and 'Pratyayabodhakritirupapattaye' (in Devanagri) are inscribed in the Logo.

OUR MOTTO

The Motto of the university is "*Pratyayabodhakritirupapattaye*" meaning 'Conviction, Confidence and Creativity'.

OBJECTIS OF THE UNIVERSITY

The objects of the university have been laid down in the Act as follows:

- to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and by the example of its corporate life to make provisions for integrated courses in Humanities, Natural and Physical Sciences and Social Sciences in the educational programmes of the University;
- to take appropriate measures for promoting inter-disciplinary studies and research in the University;
- to educate and train manpower for development of the State of Assam; and
- to pay special attention to the improvement of the social and economic conditions and welfare of the people of that state, their intellectual, academic and cultural development.

From the Desk of the Vice Chancellor

On assuming the charge of Assam University, as Vice Chancellor, my only aim is to place the university as an icon in the educational map of India. Assam University got Grade B on re-accreditation from NAAC in November 2014 with cumulative grade point of 2.92, which is definitely a matter of concern. It is necessary for us to understand our strength and limitations and strive for improvement in appropriate direction.

The University celebrated its Foundation Day on 21st January, 2016 with lot of enthusiasm and commitment. Other important events of national importance were also celebrated in the university. A statue of Dr. B R Ambedkar, build by our students was unveiled in front of the administrative building of the university to mark his 125th birthday. The health centre of the

university conducted several health awareness programs in the university and free Medical Health Camps in nearby schools. Three hundred and four students were awarded with Ph.D degree from the university this year which is a substantial increase of the previous year's Ph.D awardees viz. two hundred and sixty seven.

The University shall be opening two new departments viz. Department of Urdu and the Department of Performing Arts both at Silchar Campus. Barrier free environment (Ramp) was built this year in all the three engineering departments, each of which are multi-storied, for specially abled students. Two hotels shall be coming up soon and three more are proposed to NEC for necessary funding. With the construction of these hostels the long standing demand of outstation students for accommodation within the campus of the university shall be solved.

As a part of our office automation policy, we started with online file movement and tracking system, the software of which was developed by our Computer Centre. With the initiative of the Computer Centre the admission process is made partially online in the session 2015-16 and from the academic session 2016-17 all admission related activities shall be put online. The central library of Assam University as a part of the National Digital Library (NDL) initiative has joined the Institute Depository of all institutes under HRD. Smart card is issued to all the members of the library. Now members can take the benefit of Web OPAC system and are exposed to wide knowledge resource of this library and beyond.

During this year, the Government at the Centre introduced several innovative teaching, learning and research programmes and our University has participated enthusiastically in all of them. We have strengthened our collaboration with the Industry and Alumni, who are now contributing in a much more direct manner in the development of the University. We have started the Community College and B.Voc programmes. A good number of our Faculty members and students have participated in social outreach programmes under Community Development Centre, Unnat Bharat Abhiyan and different activities of the National Service Scheme Cell. Internet connectivity in both our campuses is improved. The university has switched over to CBCS system of education our PG programmes and necessary modifications of syllabi are on the way for introduction of the CBCS program in the UG level. The university is now a tobacco free as well as a plastic free zone.

The Annual Report of 2015-16, is a reflection of our achievements and constraints, and to express our commitment to meet the demands of the changing national educational policy.

CHAPTER THREE

Departmental Activities

ABANINDRANATH TAGORE SCHOOL OF CREATIVE ARTS & COMMUNICATION STUDIES

Department of Mass Communication

Year of establishment : 1996
Head of the Department : Prof. G.P. Pandey

Research and Developmental activities:

Department has been able to bring virtually every aspect of communication discipline under scanner for the purpose of research. It has been an earnest endeavour on the part of the department to unearth the opaque areas of the field of communication. The teachers in the department are alive to the problems of applicability of academic research and are trying to break new grounds in an effort to bridge the gulf between academia and the outside world in a developing society. The department harbours the hope of developing an Indian paradigm of communication research because it would be able to put the department not only on the international map but also would impart it a distinct place among the Indian universities.

The department has a policy of engaging the research scholars in meaningful activities and has already been able to employ almost 30% of its research scholars as permanent employees. The department provides a healthy library facility to its research scholars.

The department has decided to use its resources for dissemination of modern scientific knowledge to rural people through the use of traditional medium of communication and is currently holding discussion with different agencies like National Rural Health Mission, Sarba Sikshya Aviyaan Directorate to decide on the modalities of cooperation.

The department has in the last one and half year actively started the practice of bringing in professionals and internationally reputed professors from foreign universities to provide the students with an understanding of the humdrums of outside world. New projects are coming frequently and students from different parts of the country as well as abroad are turning up to enroll in Doctoral programme.

The department had the following teaching staff during the year:

Professors: G.P. Pandey

Associate Professor: Charvak

Assistant Professors: Silajit Guha (On lien), Partha Sarkar, Ayesha Tahera Rashid, S.M. Alfarid Hussain, Paromita Das, Raghavendra Mishra, Charu Joshi

Courses offered: MJMC, IPP, M.Phil, Ph.D, D.Litt.

Department of Visual Arts

Year of establishment : 1996

Head of the Department : Dr. Nirmal Kanti Roy

Research and Developmental activities:

The Department of Visual Arts, Assam University Silchar initially started with integrated BFA and MFA courses to inculcate the visual culture of North East India through the stream of painting, applied art, print making, sculpture and History of Art. Presently the department is offering specialization courses in Painting, Applied Art and Sculpture both in UG and PG level.

The motto of the Department is to mingle the essence of art of the past with that of the present. The Department tries to amalgamate the folk and the indigenous traditions of North East especially of South Assam with the contemporary art practices, thus making it the major thrust area of the Department of Visual Art. The Department of Visual Art plays a vital role in nurturing the inherent creativity of the students and the social space in general.

The Department complements its academic involvement and activities by organizing seminars, workshops, special lectures, annual exhibition, study tour, field works, art fair for the academic development of the students under the regular guidance and active participation of the teachers.

The student's interactions with the visiting professionals and academicians from the reputed institutions show a diverse, democratic and liberal language of art education blended with research orientation.

The Department has conferred with the on going project of UGC SAP on Indigenous Art of South Assam with special reference to Pottery, Terracotta and Textiles.

The department had the following teaching staff during the year:

Professors: Bhuleswar Mate, B. Ruma Sharma, Sivan. G

Associate Professors: Narendra T, Nirmal Kanti Roy, Abhibrata Chakravarty,

Assistant Professors: Somaditya Datta, Saday Chandra Das, Debasish Chakraborty, Raj Kumar

Mazinder, Nilam Kumari, Rajan Kumar Vaidhya, Ganesh Nandi, Gautam Dutta

Courses offered: Bachelor of Visual Arts: 4 years
 Master of Visual Arts: 2 years
 PhD by Course work

ALBERT EINSTEIN SCHOOL OF PHYSICAL SCIENCES

Department of Chemistry

Year of establishment : 1996
Head of the Department : Dr. Pradip Ch. Paul

Research and Developmental activities:

The Department of Chemistry established in 1996 has been imparting training at advanced level of chemistry in general for M. Sc and Ph. D Scholars. The research interests of the Faculty cover areas like Material Chemistry - Surface Science & Technology, Liquid Crystal, Natural Products and Medicinal Chemistry, Theoretical and Synthetic Organic Chemistry, Co-Ordination Chemistry and Bioinorganic Chemistry. The Department organizes Refresher's Courses, Workshops and Conferences with support from national level scientific organizations and societies. A number of research Projects sponsored by UGC, DST, DBT and DRDO, BARC, have been undertaken by faculties. A DST sponsored Project 'FIST' has been granted to the Department for FTIR equipment and computers with LAN. Two UGC sponsored research fellowship in Science for meritorious students (RFMS) are available in the Department. Recently, the Department has been identified for SAP grants by the UGC under Departmental Research Support (DRS-I.) scheme.

The department had the following teaching staff during the year:

Professor: Chira R. Bhattacharjee

Associate Professor: Pradip C. Paul, Paritosh Mondol, Sk. Jasimuddin

Assistant Professors: Monoj K. Paul, Devasish Sengupta, Sujit K. Ghosh, T. Sanjoy Singh

Courses offered: M.Sc., M.Phil., Ph.D.

Department of Computer Science

Year of Establishment : 1997

Head of the Department : Prof. Bipul Shyam Purkayastha

Research and Developmental activities:

Research and development activities in the department are mainly concentrated in the following areas: 1.Image processing, 2.Soft computing, 3.Natural language processing, 4.Wireless and mobile computing, 5.Data mining and knowledge discovery.

A High Performance Computing (HPC) Lab was set up in 2015 in the Department of Computer Science by using the newly procured PARAM Shavak-Supercomputing in a Box solution from CDAC, after signing MOU between Assam University and Center for Development of Advanced Computing (CDAC), Pune, DeITY, and Government of India. The PARAM Shavak-Supercomputer system is installed and is connected to rest of the terminals in the Department for the purpose of development of computing skills, research and application development among the students and the faculty members in the domain of High Performance Computing.

The department had the following teaching staff during the year:

Professors : K. Hemachandran, BipulSyam Purkayastha

Associate Professors : Pankanj Kumar Deva Sarma, Sahin Ara Begum,

Assistant Professors : Sunita Sarkar, Arindam Roy, Rakesh Kumar, Indrani Das, Prodipto Das, Saptarshi Paul, Bhagwanshay Meena, Purnendu Das, Biswa Ranjan Roy

Department of Mathematics

Year of Establishment : 1994

Head of the Department : Prof. Samira Behera

Research and Developmental activities:

At present, the Department of Mathematics offers M.Sc, M.Phil. and Ph.D programmes. Faculties are engaged in researches in the areas of Fluid Mechanics, Plasma Physics, MHD, Operations Research, Fuzzy Optimization techniques, Mathematical modeling, Algebra, Non- Commutative Rings, Topological Dynamical Systems, Combinatorics, Additive Number theory, Topology, Inventory Management Models, Numerical Analysis, Linear Algebra. Apart from these, the department organizes Seminars, Refresher courses, conferences, workshops from time to time for serving teachers, research scholars and students as well. There are departmental and NBHM library (Sponsored by NBHM, DAE, Govt. of India, Mumbai) in addition to Central library and departmental computer laboratory with a sufficient number of computers to meet the requirements of PG students and research scholars. The department has also been recognized by UGC as "SAP-DRS department" and by DST for FIST programme under which, the department has established two separate computer laboratories with adequate number of computers. In the research laboratory under SAP, high computing facilities are provided (using softwares, MATLAB, LINGO, MATHEMATICA, etc.) to keep abreast with the recent development in computer- oriented techniques. The department is running two UGC major research projects and one UGC minor research project has already been completed. In the CBCS syllabus, one project paper is accommodated in final semester course to let the students have an experience in preliminary research work which will facilitate them in their future research assignment. Last but not the least, the faculty members of the department are engaged in publishing good number of research papers in the SCI indexed journals with impact factor of National and International repute.

The Department had the following teaching staff during the year:

Associate Professor: Kabari Dutta Choudhury

Assistant Professors: Samir Behera, Sanjib Sengupta, Nabendu Sen, U.S.Chakraborty, N.Jiban Singh, Naba Kanta Sarma, Sumit Saha.

Courses offered: M.Sc.-2 Yrs, M.Phil (by course work and dissertation), Ph.D.(by course work and Research work)

Department of Physics

Year of Establishment : 1996

Head of the Department : Dr. B. Indrajit Sharma

Research and Development activities:

In Astrophysics and Cosmology Group, following research works are going on: Cometary study, Laboratory scattering experiment for simulation of a steroidal bi-directional surface properties, other Solar System studies , Study of interstellar medium and star forming region, Astrophysical Polarization studies, High Energy Astrophysics, GTR and Gravito-optical studies, Computational Astronomy and Astronomical tools for Observation facilities, Inflationary Cosmology, dark matter, String/brane cosmology etc. In Condensed Matter Physics Group, following activities are going on: Vibrational (IR and Raman) Spectroscopic study of Ferroelectric materials, Structural Phase Transition, Bio-molecules (Resonance Raman study of metalloporphyrins), surface study, Molecular Vibrational Study using Lie Algebra, Study of Electronic devices like LED etc, Electronic Structure Calculations. Synthesis, characterization and applications of nano materials. Phase transition and Critical Phenomena of Complex Systems, Electronics and Radio physics etc.

The department had the following teaching staff during the year:

Professors : Asoke K Sen

Associate Professors : Atri Deshamukhya, B. Indrajit Sharma.

Assistant Professors : Himadri Sekhar Das, Utpal Sarkar, Pradeep Kumar Shukla, A. Seniorita Devi, Swarmadeep Biswas, Bidhan Mahanta, MahanandaBaro.

The Department of Earth Science was established in November, 2009. Admission to the first batch of students for the P.G. program in Applied Geology was made in July, 2010. Ph.D. Program in the department has been introduced in January, 2013. The research interests of the faculty extend over the areas of sedimentology, geochemistry, igneous petrology, hydrogeology, remote sensing, micro-palaeontology and sequence stratigraphy. Research scholars along with their concerned supervisors are contributing research papers in different National/International journals and attending various seminars and workshops. Funded Research Projects are being carried out by faculty members.

The Department had the following teaching staff during the year:**Professors** : Nagendra Pandey**Associate Professors** : M.Faruque Hussain**Assistant Professors** : K. Krishnakanta Singh, Urbashi Sarkar**Courses offered:** M.Sc. in Applied Geology and Ph.D. (with course work)

ASHUTOSH MUKHOPADHYAY SCHOOL OF EDUCATION

Department of Educational Science

Year of Establishment : 1995
Head of the Department : Dr. Geetaka Bagchi

Research and Developmental activities:

The major thrust area of the department is “Promotion of Educational Thought & Practice and Pedagogy of Science in the Context of Indian Heritage, Society and Environment”. The effort of the Department is to fulfill the objectives in this direction. The Department is youngest in research investigations in diversified areas of Education. Several research projects have been completed and some are still continuing. M.Ed. and M.A. both have research project work as a compulsory part of the courses. The Department has introduced four years Integrated B.Sc. B.Ed course during session 2012 to cater the need science teachers in the Secondary schools in this region. The centre for Educational Planning and Management running under the Department also launched a certification course leading to PG degree from the session 2011-12. A three week’s training programme entitled “Issues and Challenges in Educational Planning and Administration” was organised by the Centre, between 18th of January to 11th February, 2016. The Department provides advice and consultancy to the Educational Institutions especially teachers education institutions in the region under the jurisdiction of the University. The Department of Education adopted Interdisciplinary, Multidisciplinary and Cross disciplinary approach in the field of Education and Pedagogy. The members of the faculty are members of several expert committees at the National and Regional levels.

The Department had the following teaching staff during the year:

Professors : N.N. Pandey, N.B. Biswas, Geetika Bagchi,
Associate Professors : R. Balakrisnan, A. K. Singh
Assistant Professors: Swapan K. Dutta, Simas Pal, Swapan Kr. Mandal, T.K. Basantia(on lien)*, R.K. Mahto, S. Bhattacharjee, A.K. Jena, R.G. Carri.

DESHBANDHU CHITTARANJAN SCHOOL OF LEGAL STUDIES

Department of Law

Year of Establishment : 2004
Head of the Department : Dr. Madhumita Dhar Sarkar

Research and Developmental activities:

The Department had embedded the idea to have a better curriculum and innovative approach to develop excellent legal skills amongst the students studying law in one of the remote areas of India. B.A.LL.B (Hon's) course was introduced in the year 2004, subsequently when students started coming up with flying colours the institution left the pressing need of students to introduce LL.M as there was need for reinvigorating legal research. In the year 2011, LL.M course was introduced. Further, the need to promote systemization of law, to encourage and conduct

investigation in legal and allied fields and to cultivate the science of law in the region, Ph.D curriculum was introduced in the year 2014.

Within the last ten years, the Department of Law has emerged as an important centre of legal studies and research catering the needs of students pursuing legal education not only in Barak Valley, but also for the entire eastern region. The department in near future shall emerge as an outstanding nerve centre of legal studies and research in this region. The department has also adopted various innovative techniques and methods to both for theoretical and clinical legal education. Twelve Dissertations have been submitted in the year 2012 and 2013 on various important aspects of Law. Seven students have qualified for Ph.D in IPP. Five students have been provisionally registered in 2014.

The Department had the following teaching staff during the year:

Professor : Subash Chandra Singh
Associate Professor : Rashmi Ranjan Mishra, Madhumita Dhar Sarkar

Department of Ecology & Environmental Science

Year of Establishment : 1996
Head of the Department : Prof. Jayashree Rout

Research and Developmental activities:

Ongoing researches in the department include areas like Natural Resource Management & Biodiversity Conservation, Microbial Ecology, Rivers, Wetlands, Forests and Agro ecosystems, Insect Ecology, Algal Ecology, Wild life Ecology, Ethnobotany and Medicinal plants. Over the years, the Department has established collaboration with national level institutes like Indian Institute of Remote Sensing, Dehradun, G.B. Pant Institute of Himalayan Environment & Development (NE Unit), Itanagar, North Eastern Regional Institute of Science & Technology (NERIST), Itanagar, National Botanical Research Institute, Lucknow, Central Agriculture University (CAU), Imphal, Indian Agricultural Research Institute (IARI), New Delhi, and North East Institute of Science and Technology (NEIST), Jorhat, Central Institute of Freshwater Aquaculture (CIFA), Bhubaneswar, Bose Institute Kolkata, Bharthidasan University, Tiruchirapalli. The Department is supported by the UGC Special Assistance (DRS) and DST-FIST programmes. The Department has been given a "Centre for Biodiversity and Natural Resource Conservation" by UGC under XIth Plan. An Ornamental Fish Hatchery Unit has been established in the Department.

The Department had the following teaching staff during the year:

Professors : Abhik Gupta, Ashesh Kr. Das, Dulal Ch. Ray, Jayashree Rout
Associate Professors : Parthankar Choudhury, Mithra Dey, Ajit Kr. Das

HARGOBIND KHURANA SCHOOL OF LIFE SCIENCES

Department of Biotechnology

Year of Establishment : 2004
Head of the Department : Dr. Supriyo Chakraborty

Research and Developmental activities

The Department of Biotechnology, Assam University, Silchar, Assam offers MSc, MPhil and PhD programs in Biotechnology. The 2-year Master's program of the department was initiated in July 2004. The Choice Based Credit System (CBCS) recommended by UGC was adopted from July 2010 onwards. Core courses as well as advanced courses like genetics, molecular biology, biochemistry, immunology, microbiology, bioinformatics, genetic engineering, plant biotechnology, animal biotechnology and medical biotechnology are offered as major courses. MSc final semester students undertake a short term research project work for the completion of the program. The main goal of the department is to impart hands-on practical teaching in six different laboratories viz. 1. Biochemistry 2. Animal Cell Biology and Immunology 3. Molecular Biology 4. Microbial Technology 5. Plant Biotechnology and 6. Bioinformatics and Genomics. The departmental faculties are actively involved in research in diverse areas namely molecular biology, cancer biology, plant biotechnology, immunology, DNA barcoding, genomics, genetics and bioinformatics. The department has several research projects on cancer genomics, DNA barcoding, methanogenomics, molecular characterization of nitrogen fixing bacteria, plant biotechnology, etc. The Department is equipped with a small animal house, and state of the art equipments such as deep freezer (-20 & -80), gradient and personal thermal cycler, real time PCR equipment, gel documentation system, animal cell culture and plant tissue culture facilities, DGGE, automated DNA sequencing machine etc. and much more. These facilities are available to MSc, MPhil and PhD students. The students actively participate in the seminars and workshops conducted at university, state and national level from time to time. They are also encouraged to participate in various co-curricular activities at university level.

The Department had the following teaching staff during the year:

Professors : Sankar Kumar Ghosh, Pranab Behari Mazumder
Associate Professors: Supriyo Chakraborty
Assistant Professors : Mahuya Sengupta, Yashmin Choudhury, Ravi Rajwanshi, Munish Kumar

Courses offered: M.Sc, M.Phil, Ph.D and D.Sc.

Department of Life Science & Bioinformatics

Year of Establishment : 1996
Head of the Department : Prof. Sarbani Giri

Research and Developmental activities:

Currently the department has four Professors, three Associate Professors, five Assistant Professors and five technical staffs along with 110 students at P.G level and 53 numbers of Research Scholars both in Ph.D and M.Phil level. The faculty members are engaged in research activity in diverse fields as Health Science, Functional Genomics, Aquaculture & Fisheries, biodiversity, plant taxonomy study, toxicological and agricultural research. Three of its faculty members have been awarded by prestigious international fellowships.

During this period the faculty members of this department has published one book. The Faculty members have published papers in National Journals and in impacted International journals .The Department has organized National conferences, workshops to disseminate the knowledge in biological Sciences. 53 Ph.D. students have been registered in the department. 08 have been awarded, 08 submitted theses. 1 student qualified NET, four of our students have qualifies UGC-SET. Our students got jobs in different universities/ institutes, colleges and other organizations.

Department of Life Science & Bioinformatics have been recognized as UGC-SAP(DRS-II) in 2013. This is the pioneer department in the University recognized under SAP(DRS-I) in 2007.

The Department had the following teaching staff during the year:

Professors : Devashish kar, Sarbani Giri, M. Dutta Choudhury, S.K. Panda
Associate Professors : Aniruddha Giri, Meenakshi Bawari, Sanjeev Kumar
Assistant Professors : Suchismita Das, D. Bhattacharyya, A. Das Talukdar, Anupom Borah, H.K. Prasad, S. Roy Choudhury

Department of Microbiology

Year of Establishment : 2009
Head of the Department : Dr. Piyush Pandey

Research and development activities:

The Department of Microbiology established in 2009 has been imparting training at Basic and applied branches of microbiology along with molecular biology, biochemistry and bioinstrumentation for M. Sc, M. Phil and Ph. D students. The research interests of the Faculty cover thrust areas like

1. Plant-microbe interaction, bioremediation, PGPR and other aspects of soil microbiology
2. Virology, zoonosis and public health
3. Medical and molecular microbiology with special reference to antimicrobial resistance
4. Molecular parasitology

The department is well equipped with sophisticated instruments like Thermal cycler, Fermenter, pulse field gel electrophoresis apparatus, denaturing gradient gel electrophoresis apparatus and realtime PCR machine. A number of research Projects sponsored by UGC, DST, DBT, CSIR have been undertaken by the faculty members. The department has collaboration with reputed institutes of India and abroad.

The department have following faculty member during the year:

Professor : (Dr.) Piyush Pandey
Assistant Professors: Dr. Indu Sharma, Dr. Amitabha Bhattacharjee, Dr. Diwakar Kumar

JADHUNATH SARKAR SCHOOL OF SOCIAL SCIENCES

Department of History

Year of Establishment : 1994
Head of the Department : Dr. Projit Kumar Palit

Research and development activities:

History Department is one of the oldest departments in the Assam University. It was established in 1994 as a part of the pilot departments when the University was established in the same year. With few faculties the Department was gradually growing and today it got nine faculty members in all (4 Professors, 2 Associate Professors, and 3 Assistant Professors). Apart from teaching and supervising researches, the faculties are actively engaged in research activities; individually as well as undertaking projects under some funding agencies like UGC, ICHR, and so on. Some faculty members are working as fellow at certain research institutes. Some of the faculties have also visited abroad for research related works. Besides, the Department also regularly organized seminars, symposia and workshops. Faculty profiles will show that most of them have for more than once attended and presented papers at various regional, national and international seminars and conferences and few others had chaired sessions. Some faculty members had also given lectures and talks at various orientations, refreshers and other courses provided by certain institutes whereas one of them have attended orientation course. One of the faculty members had done Post-Doctoral fellow. Presently the Department has 24 active research scholars working on different themes.

The department have following faculty member during the year:

Professors : Sajal Nag, Alok Tripathi, Sideshna Purkayastha, Projit Kumar Palit
Associate Professors: B. Bswar Rao, Suparna Roy
Assistant Professors: Vinay kumar Rao, Jangkhomang Guite, Habibullah Mazumder, S. Jeevandam

Department of Political Science

Year of Establishment : 1995

Head of the Department: Prof. Joyati Bhattacharya

Research and Developmental activities:

The Department designed the curriculum with the objective to train PG students thoroughly in all branches of the discipline focusing on classical themes and recent development. The curriculum covers theoretical, conceptual and empirical aspects of the discipline. It provides the students with necessary conceptual awareness to undertake further specialized studies and research.

The faculty member and research scholars of the department are engaged in research on issues mainly relating to North East India. Major areas of study have been

- Governmental & Political Processes in South Assam
- Human Rights & Insurgency
- Local Administration in South Assam
- Political Participation and Empowerment of Women
- Ethnicity and Politics of Identity
- Conflict and conflict resolution

The department have following faculty member during the year:

Professors : R.R.Dhamala, Debasish Bhattacharjee, Joyati Bhattacharjee

Associate Professors : Tenepalli Hari

Assistant Professors : P.Kanaka Rao, Harsha Srinivas, Debasish Chakraborty, N.Bijen Meetei, Tapan Das, Mahan Borah, Moses Kharbithai

Courses offered:

- I. M.A.
Duration: Four Semesters
No. of seats: 65
- II. Integrated Pre Ph.D Course work
Duration: One Semester
- III. M.Phil
Duration: Two Semesters
No. of Seats: Not fixed
- IV. Ph.D.

Department of Social Work

Year of Establishment : 1997

Head of the Department : Dr. Subhabrata Dutta

Research and Developmental activities:

Major thrust areas of the research are livelihood, Health ,Nutrition, Education, women empowerment, Child rights, Social work education, Governance , Governance ,social development etc. Social Work being a practice based discipline, the department is actively involved in generating sustainable livelihoods among rural communities in

Cachar and promotes empowerment of women, children and poor from rights based perspective through its dynamic fieldwork activities.

The Department had the following teaching staff during the year:

Professor : Gopalji Mishra, Subhabrata Dutta
Associate Professor : Dr. M. Gangabhushan, Dr. M. Tineshowri Devi
Assistant Professor : Dr. Tarun Bikash Sukai, Mr. Anupam Hazra (EOL), Mr. Mrityunjay Singh, Ms. Ritwika Rajendra, Dr. Ratna Huiem, Dr. Kathiresan L., Mr. Albin Joseph, Lalzo S Thangjom, Dr. Aditi Nath, Ajit Kr. Jena, Dr. Kaivalya T. Desai, Joyashri Dey (I.V)

Department of Sociology

Year of Establishment : July 1995
Head of the Department : Prof. G. Ram

Research and Developmental activities

The department started in July 1995 with an intake capacity of 40 students for M.A. programme of study. It is the third department in the northeast- first and second ones were opened in Dibrugarh University (Dibrugarh) and NEHU (Shillong) respectively. The department at present offers three programmes of studies--M.A., M.Phil and Ph.D. Now M.A programme admits 40 students. For Integrated Pre-Ph D course work leading to M.Phil and Ph.D researches, students are admitted as per the number of vacant seats every year. Students come from different states in India but sizeable of them belong to various states of the northeastern region. Teachers are from different states and universities of India. Office staff comprises a stenographer, a record-keeper-cum-typist and a multi-tasking staff. Till now the department has eight sanctioned faculty positions—One professor, two associate professors and three assistant professors. Research is carried out in various areas related to Northeast India and other fields too. The department is committed to attain high quality in teaching, learning and research as well as to popularize the demand of the subject across the sections of students and scholars in the region.

The Department had the following teaching staff during the year:

Professors : G. Ram, Bijaya Kumar Behera
Associate Professors: Nirakar Mallick, Humayun Bokth,

Students Excellence: NET: 01**Department of Hindi****Year of Establishment** : July – 1998**Head of the Department:** Prof. S.P. Singh Chauhan**Research and Developmental activities:**

The Department is situated in a university which has unique feature of being in a linguistically and culturally diverse milieu. M.A. Hindi students of the department are from Bhojpuri, Bengali, Manipuri, Bodo, and Assamese speaking societies. Hindi as Official and National language has a definite role to play in this remote area.

Before opening of Hindi department in Assam University there was no system of Hindi teaching in this region at higher level. At present there is not only P.G. teaching is going on at university level with Hindi and non-Hindi speaking students but department is also working as nodal centre in Hindi teaching in affiliated colleges. Teaching and research in Hindi at university level in itself is an achievement in this remote region of Northeast India (i.e. Barak Valley). This has not only helped to integrate the people of this region with wider Hindi linguistic and literary scenario but it has also helped in establishing dialogue between Hindi and different societies, their culture, language and literature which is significant for national unity and integrity while developing knowledge.

In this background **Thrust area** of P. G. teaching is Hindi Literature with special emphasis on contemporary Hindi Literature and its interaction with other Indian Languages and literature. M. Phil. & Ph.D.-Research is being done on Historiography of Hindi Literature, Hindi Poetry, Fiction and Hindi language.

The Department had the following teaching staff during the year:

Professors: Bishwanath Prasad, Satya Pal Singh Chauhan

TRIGUNA SEN SCHOOL OF TECHNOLOGY

Department of Agricultural Engineering

Year of Establishment : 2006

Head of the Department : Dr. Prasanna Kumar G.V.

Research and Developmental activities:

The Department of Agricultural Engineering offers the courses that deal with the application of engineering principles and scientific technologies for sustainable food production, and all along the food production to consumption chain. The course structure and syllabus for the UG and PG programmes have been designed to create skilled and technically sound human resources to cater the engineering needs of farm mechanization, irrigation and drainage, soil and water conservation, post harvest processing of crops, value addition, renewable energy, and appropriate design and utilization of aquaculture resources. The laboratory infrastructure has been developed to impart the essential practical knowledge including the application of computers and IT for the design, simulation, modeling, remote sensing etc. Two industrial trainings form a part of the UG programme that aims to provide the industrial exposure and enhancement of technical know-how and skills. The Department is actively involved in multi-disciplinary research with thrust areas as given below:

The thrust areas of research of the Department are:

Soil and Water Conservation Engineering	Water Resources Development and Management
Ground Water Hydrology	Rainwater Harvesting
Watershed Management	Sensing and GIS
Farm Implements and Machinery	Renewable Sources Energy and Utilization
Waste recycling and Bi-product Utilization	Mechanization of Horticultural Crops
Bioprocess Engineering	Food Engineering and Food Industry Management
Tea Processing Technology	Climate Change and Climate Resilient Agriculture
Aqua cultural Engineering	

The Department had the following Teaching Staff during the year:

Professors: Prasanna Kumar G.V.,

Associate Professor: L.N.Sethi, Sudipto Sarkar

Assistant Professors: Ajit Tiwari, M.Padhiary, Nitin Kumar, Avinash Kumar, C.B.Khobingali, Saikat Roy, Anomika Yadav (Leave Vacancy (EOL), Jolvis Pou

Courses offered: (i) B. Tech. in Agricultural Engineering
(ii) M. Tech. in Water Resources Development and Management
(iii) M. Tech. in Food Process Engineering
(iv) Ph. D. in Agricultural Engineering

Department of Electronics and Telecommunications

Year of Establishment : 2010

Head of the Department : Dr. Debaprasad Das

Research and Developmental activities:

The department of Electronics and Communication Engineering (formerly Electronics and Telecommunication) has started the Integrated Pre-PhD (IPP) program from the academic session 2015-16. The main research areas of the department are VLSI design, Signal Processing, and Communication Engineering. In the present academic session students of this department have published several International Conference/Journal Papers. One UGC sponsored major research project (MRP) is going on under Prof. Debaprasad Das. The department has procured Tanner EDA (VLSI Design) tool which is being used to design VLSI circuits at the nanometer regime. The state-of-the-art VLSI design tool 'Cadence tools suite' procurement is under process.

The Department had the following Teaching Staff during the year:

Professor : Dr. Debaprasad Das
Assistant Professor : Champa Tanga, Mariam Jabali Laskar

Courses offered: B. Tech in Electronics and Telecommunication

Department of Information Technology

Year of Establishment: 2006
Head of the Department: Mousum Handique

Research and Developmental activities:

- The department has started the PhD Programmed in the year 2011 and continuing this year also.
- The faculties and students of Department of Computer Science and Engineering are presently working in the following research areas:
 - VLSI Design,
 - Fixed and Wireless Networks,
 - Image Processing,
 - Pattern Recognition,
 - Semantic Web,
 - Information Retrieval
 - NLP
 - Quantum Computing
 - Network-on Chip
 - Fuzzy Logic
 - Network Security
- Three research projects (sponsored by Department of Electronics and Information Technology, Ministry of Communication & Information Technology, Govt. of India and Department of Science & Technology, Ministry of Science & Technology, Govt. of India) are currently taken care by the faculties of the department.

- Along with the Ph. D scholars, the M. Tech final year students are also involved in active research through one year major project work as a part of their curriculum.
- World Bank is supporting the Department along with other departments of the school through MHRD, GOI in terms of TEQIP-II.

The Department had the following Teaching Staff during the year:

Professors : Sudipta Roy
Assistant Professor : Mousum Handique, Tapodhir Acharjee, Sourish Dhar, Ajoy Kumar Khan, Abhijit Biswas, Bhagaban Swain, Arnab Paul.

SUSHRUTA SCHOOL OF MEDICAL AND PARAMEDICAL SCIENCES

Department of Pharmaceutical Sciences

Year of Establishment : 2010

Head of the Department : Dr. Supratim Ray

Research and Developmental activities:

The Department of Pharmaceutical Sciences has been established in the year 2010 and started functioning from 2011 by admission of first batch of students. The Department is presently lodged in a temporary building. Due to unavailability of proper facility, research activities within the Department premises are minimal. Nevertheless, teachers are pursuing research collaborating with various other Universities. In the period between 01-04-2015 to 31-03-2016, the Department engrossed itself towards works related to getting the final affiliation of the Pharmacy Council of India (PCI). In the executive committee (EC) meeting of the council held on 28th and 29th February, 2016 at Bhubaneswar, Odisha, the Department has been considered for the approval of its Degree course from 2011-2012 to 2016-2017 u/s 12. The final approval for the same will be ratified by the central council of the PCI. At present, the department is running only undergraduate course and the first batch of students has already passed out. In future PG courses will be introduced which will help to carry out research work. Considering current scenario the department

has a planning to work on patient counselling, drug design, novel drug delivery, herbal drug research and pharmacological screening of ethno medicinal plants used by local community.

Courses offered: Bachelor of Pharmacy (B. Pharm.)

Department of Anthropology

Year of Establishment : 2010

Head of the Department : Dr. KH. Narendra Singh

Research and Developmental activities:

The Department of Anthropology offers a four semester Post-Graduate (M.A./M.Sc.) and Integrated Ph.D. programme (M.Phil./Ph.D.) in Anthropology. The Department has been engaged in various anthropological research studies among various ethnic communities of north eastern India in particular and other states in India in general.

The research scholars of the department are currently doing research on various issues viz., health, culture and socio-economic conditions among different ethnic groups of the north-eastern region. In addition, some research projects funded by UGC, ICMR and other agencies, have been undertaken by the Department to study the local culture and regional issues. The Department is also planning to start large scale research projects along with that would help the students to get exposure in Anthropological research as well as social science research which help them to get employment opportunities in Research Organizations/Institutions both in Government and Non Government sectors. The fieldwork training imparted to the students of Anthropology would help in conducting research surveys as well

as community development programmes. Keeping in view of the demand of the subject, the intake capacity of PG course has been increased up to 35 students during the session 2015-16.

The department had the following teaching staff during the year 2015-16:

Associate Professor : Dr. Kh. Narendra Singh
Assistant Professor : Dr. Somenath Bhattacharjee, 2. Dr. Nitish Mondal

Head of the Department: Dr. Kusumbar Boruah

Research and Developmental activities:

The Department of Assamese was established in 2010 in Assam University at Diphu Campus offering post graduate programme in Assamese from the session 2010. IPP, M.Phil. and Ph.D. programme in the department has been introduced in January, 2013. The thrust area of research in the department includes: Assamese Literature & Language, Comparative Literature, Culture and Folklore. During this period, the department has produced four M.Phil. Scholars. At present, four scholars have submitted their dissertations for M.Phil degree and one Scholar is ready to submit his Ph.D thesis. Meanwhile, faculty members of the department attended as Resource Person, Chaired session and presented papers in State and National level seminars.

During this period (i.e. **01-04-2015 to 31-03-2016**), the following developmental activities has been carried out:

- 1) Preparation of UG syllabus in Assamese under CBCS
- 2) Organize 10th & 11th BPGS meeting in Diphu Campus, Assam University
- 3) Organize 3rd BUGS meeting in Diphu Campus, Assam University

Year of Establishment : July 2007
Head of the Department : Dr. A.K. Tamuli

Research and Developmental activities:

The Life Science Department of Diphu Campus was established in the year 2007 with other five Departments. Since then along with P.G teaching, Research and Development activities are taken up in various fields. Work on Ethnobiology and Traditional Knowledge of communities living in greater Karbi Anglong, have been undertaken and the results are published in Journals of repute. Bioremediation of drill sites of hydrocarbon contaminated oil field in Sivsagar district taken up earlier years have been established successfully and paper published in International

journal *Journal of Phytoremediation* (IF 1.78). Work on Mycorrhizal association with Rubber plantations of Karbi Anglong in relation to nutrient deficiency is going on. Findings of the research were published in Photon Journal of Biodiversity which bagged “**George Bentham Best paper award on Biodiversity, 2015**”. Genomic diversity research, Hill stream fish study, Entomophagy of tribal groups, studies of flora in difficult terrains of Karbi Anglong, Butterfly diversity are some frontier areas of research in the Department. The department also completed DBT sponsored project on G6PD and another project on Alcoholic Liver Disease in nearing completion. The department also runs an Institution Level Biotech Hub (funded by DBT, GoI) since 2010. Under this facility workshops for students and teachers have been conducted along with outreach programmes. A few research papers have been published in National and International journals with the facility of Biotech Hub.

4. FIXED ASSETS AND DEPRECIATION:

- 4.1. Fixed Assets are stated at cost of acquisition including all direct expenses related to acquisition and installation. Depreciation is provided on the fixed assets under "Straight Line Method" (SLM) method at the rates prescribed by MHRD in new format of Account guidelines.
- 4.2. Fixed Assets of the University are acquired out of the Grants received from the Government of India. Grants utilized for acquisition of Fixed Assets are accounted for by transferring the amount to the Capital Fund and correspondingly merged with the Fixed Assets of the University.
- 4.3. Depreciation is provided for the whole year on additions during the year as per guidelines of MHRD.
- 4.4. In the Books of Accounts the cost of acquisition of assets is shown to its full value and the accumulated depreciation thereof is depicted separately.
- 4.5. As per guidelines of MHRD, the assets individual value of each of which is Rs.2000/- or less (except Library Books) are treated as Small Value Assets, 100% depreciation has been provided leaving a residual value of Re.1/- exhibited in the Schedule -4 : Fixed Assets in order to have physical verification.
- 4.6. Capital Works in Progress are stated at cost, incurred relating to assets in progress.
- 4.7. Depreciation on Tangible Fixed Assets is provided on Straight Line Method at the following rates:

Sl No.	Assets	Rate of Depreciation (in percentage)
1	Land	0
2	Buildings	2
3	Roads & Bridges	2
4	Tube Well & Water Supply	2
5	Sewerage & Drainage	2
6	Electrical Installation & Equipment	5
7	Plant & Machinery	5
8	Scientific & Laboratory Equipment	8
9	Office Equipment	7.5
10	Audio Visual Equipment	7.5
11	Computers & Peripherals	20
12	Furniture, Fixture & Fittings	7.5
13	Vehicles	10
14	Library Books & Scientific Journals	10
15	Campus Development	10
16	Others	10

5. INTANGIBLE ASSETS :

- 5.1. Software and E-Journals purchases are treated as Intangible Asset and depreciation at the rate 40%, as per guidelines provided in Schedule – 4: Fixed Assets.
- 5.2. Intangible Assets (Software) acquired on or before 31.03.2013 were shown and depreciated as “Computer/Peripherals”. Because of difficulty in the identification as well as determining the depreciated value of these Intangible Assets, the Intangible Assets (Software) acquired before 31.03.2013 are still shown and depreciated as “Computer/Peripherals”. But Intangible Assets (Software) acquired from 01.04.2013 are amortised as per the Accounting Policy.

6. INVENTORIES :

- 6.1. Inventories comprising of chemicals, glassware, stationery, consumables and other stores are treated as revenue expenditure. The value of Stock as on 31.03.2016 ascertained from the respective Departments excluded from the expenditure and the closing stock exhibited in Schedule - 7: Current Assets as per guidelines. Costs of inventories are determined on FIFO method of Inventory Valuation.

7. RETIREMENT BENEFITS:

- 7.1. Short term employee benefits are charged off in the year in which the related service is rendered.
- 7.2. Post-Employment Benefits in the form New Pension Scheme Fund are owned and managed by employees as members of these Fund. The University has no ownership on these funds. Retirement Benefits in the form of contribution to these funds are Defined Contribution Schemes and are charged to the Income & Expenditure Account as and when the contribution is due.
- 7.3. Other Post-Employment Benefits, other Long Term Benefits & Terminal Benefits are paid to the employees as and when it becomes due by charging the amount to the Income and Expenditure Account.
- 7.4. The Accounting Policy followed by the university as described above is not as per the Accounting Standard 15, “Employee Benefits” issued by the Institute of Chartered Accountants of India. The University should Actuarially determine and provide for liability in respect of these Employee Benefits. The reason for such departure is because the Assam University is situated in the North East Corner of India and there is neither any Actuarial services available in this part of India nor is any Actuary willing to come from other parts of India to do the valuation of Employee Benefits as required in the Accounting Standard - 15, “Employee Benefits”. The financial effect of such departure is not ascertainable.

8. INVESTMENTS & ACCRUED INTEREST:

- 8.1. Long Term Investments are carried at cost.
- 8.2. Current Investments are carried at lower of cost or fair value.

9. GRANTS IN AID:

- 9.1. Grant to the extent utilized towards Capital Expenditure transferred to Schedule - 1: Corpus/ Capital Fund as per guidelines.
- 9.2. Grant to the extent utilized towards Revenue Expenditure transferred to Income and Expenditure as Income of the year.
- 9.3. Unutilized Capital Grant and Unutilized Revenue Grant are exhibited in the Current Liabilities & Provisions in Schedule – 3 as per guidelines.

10. INCOME TAX:

- 10.1. The Income of the University is exempted from Income Tax as per provisions of Section 10(23C)(iii ab) of the Income tax Act, 1961. Hence no provision for income tax is made in the accounts.

11. FOREIGN CURRENCY TRANSACTIONS:

- 11.1. Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction / GOC Rates / Bank Rates as the case may be.

12. RESEARCH ACTIVITIES:

- 12.1. The Research and Development Expenditure comprises all expenditure that is directly attributable to research or development activities or that can be allocated on a reasonable and consistent basis to such activities. Expenditure on Research and Development is recognized as an expense when it is incurred.

13. CONTINGENT LIABILITIES:

- 13.1. Liabilities, which are material and whose future outcome cannot be ascertained with reasonable certainty, are treated as contingent and disclosed by way of notes to the accounts.

FINANCE OFFICER (I/C)

VICE CHANCELLOR

ASSAM UNIVERSITY, SILCHAR

SCHEDULE - 24: CONTINGENT LIABILITIES AND NOTES TO ACCOUNTS

1. CONTINGENT LIABILITIES:

- 1.1 Letter of Credit established by the Bank on behalf of the University and outstanding as on 31.3.2016 is NIL.
- 1.2 No demand has so far been received from the local authorities for the University Staff Quarters and hence no provision was made in the accounts.
- 1.3 Claims against the University not acknowledged as debt is Nil.
- 1.4 Suits filed against the University are pending in various Hon'ble Courts. Financial liability, if any, in these cases are not ascertainable.

2. INFORMATION RELATING TO THE CAPACITY AND CAPABILITY OF ASSAM UNIVERSITY:

- 2.1 The information relating to the capacity and capability of Assam University are presented in the Annual Report of the University.

3. FIXED ASSETS:

- 3.1 Additions made in the year to Fixed Assets out of UGC Grant exhibited in Schedule - 4. The Assets have been set up by credit to Capital Fund as per guideline.
- 3.2 Fixed Assets purchased out of project funds have not been included in Schedule – 4, since the ownership of the property remain with sponsors.

4. PATENTS:

- 4.1 No expenditure incurred towards patent rights during 2015-16.

5. DEPOSIT LIABILITIES :

- 5.1 No unclaimed deposit amount pending more than three years credited to Misc. Income during 2015-16.

6. EXPENDITURE IN FOREIGN CURRENCY:

- 6.1 All foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount at the exchange rate prevailing on the date of settlement.

7. CURRENT ASSETS, LOANS, ADVANCES AND DEPOSITS:

- 7.1 In ordinary course, the Current Assets, Loans, Advances and Deposits have a value on realization equal to the aggregate amount shown in the Balance Sheet.
- 7.2 Accounting Standards-12 (AS-12) is mainly applicable for profit making organizations and applicability of AS-12 to a Central fully Grant-in-aided University like Assam University is not in line. However, ultimately charging depreciation in the Income & Expenditure Account and carrying forward the balance of Income & Expenditure Account to Capital Fund Account will provide the same result.
- 7.3 The details of balances in the Savings Bank Accounts with the Banks are enclosed as “Annexure A” to the Schedule of Current Assets.
- 7.4 Previous years' figures have been re-grouped and re-classified wherever necessary to make them comparable and compactable with those of the Current Year.
- 7.5 Figures in the final accounts have been rounded off to the nearest rupee as per guidelines.
- 7.6 Schedules 1 to 24 are annexed to and form an integral part of the Balance Sheet at 31st March, 2016 and the Income & Expenditure account for the year ended on that date.

8. NEW PENSION FUND:

- 8.1 As the Provident Fund Accounts and the New Pension Scheme Account are owned by the members of this fund and not by the University, these accounts were separated from the University's Accounts. A Receipt & Payment Account, an Income & Expenditure Account and the Balance Sheet of the Provident Fund Accounts and the New Pension Scheme for the year 2015-16 have been prepared and appended in the Annual Statement of Accounts of the University for 2015-16 as per guidelines.

CHAPTER FOURTEEN

College Development Council and Affiliated/ Permitted Colleges

The College Development Council is the Principal advisory body to the Executive Council. It performs this function through the Academic Council. The objective of the Council is, without prejudice to the generality of provisions of the Act, the Statutes and Ordinances of the University, to provide a leadership role and generally extend help, guidance and advice to the Colleges admitted to the privileges of the University.

The College Development Council (CDC) of Assam University came into being in 1996. The relevant Ordinance of the University was approved by the Govt. of India, MHRD, Department of Education vide order No. F.9-3/95-Desk (U) dated 18.12.95.

The total number of Colleges (Affiliated and Permitted), including Professional Colleges admitted to the privileges of Assam University is 61 (Sixty one) as on 31st March, 2015. The College Development Council examines the proposals from the Colleges for permission, affiliation and also forwards the proposals received from Colleges for development project in respect of physical facilities, infra-structured facilities, development of library and minor/ major research projects to the University Grants Commission.

The primary functions of the College Development Council are as following:

- (i) To provide a forum for consideration of various aspects of education in the affiliated colleges of the university with a view to continuously improve the general educational standards in the colleges;
- (ii) To assess the development needs of the colleges;
- (iii) To help the affiliated colleges to prepare developmental projects which may be financed internally by the Institutions, or which may be presented to other funding agencies such as University Grants Commission, etc;
- (iv) To submit projects to funding agencies on behalf of the affiliated colleges individually or collectively;
- (v) To assess periodically the physical facilities in the affiliated colleges with reference to the number of students and subjects taught and to make recommendations for their improvement;
- (vi) To review the examination system and suggest innovations and improvement;
- (vii) To follow up the Inspection Reports on various colleges and to suggest corrective measures wherever necessary;
- (viii) To promote and encourage co-curricular activities in the colleges.
- (ix) To perform such other functions as may be assigned to it by the Academic Council, the Executive Council or the Vice Chancellor.

There is an Affiliation Committee currently consisting of the following members to examine proposals received from Colleges to grant permission/ affiliation and opening of new Colleges/ subjects etc.

- | | | |
|-------|---|--------------------|
| i. | Vice Chancellor, Assam University | - Chairman |
| ii. | Director, Higher Education, Kahilipara | - Member |
| iii. | Prof. Debasish Bhattacharjee, Dept. of Pol. Science | - Member |
| iv. | Prof. Nagendra Pandey, Dept. of Earth Science | - Member |
| v. | Principal, Cachar College, Silchar | - Member |
| vi. | Principal, T T College, Silchar | - Member |
| vii. | Registrar, Assam University | - Spl. Invitee |
| viii. | Controller of Examinations, Assam University | - Spl. Invitee |
| ix. | Director- CDC | - Member Secretary |

The Affiliation Committee grants permission and/or affiliation to Colleges after scrutiny of the proposals received from the Colleges vis-à-vis on the report of inspection of the Colleges submitted by an Inspection Commission.

The UGC had discontinued the scheme of the College Development Council in the IX plan. However, in view of the importance of work at college level to be coordinated by the University to UGC, the post of Director, CDC was sanctioned by UGC.

All the colleges under section 2(f) & 12(B) of the UGC Act except Haflong Govt. College have been assessed by NAAC.

The UGC has recognized Assam University as one of the Universities in the country to grant affiliation to Minority Institution located anywhere in the country.

G C College, Karimganj College, S S College, Diphu Govt. College & Haflong Govt. College have been proposed for Selection Under Educate network under the UGC Programme of Consortium for Educational Communication.

The G C College, Silchar has been accorded the status of College with Potential for Excellence by the UGC.

During 2007-08, the Department of Science & Technology of the Govt. of India, selected 05 (five) Colleges under this University for providing financial support of Rs. 50 lakhs to each of them under a Special Package for Strengthening the educational infrastructure for science education in the North East Region.

Semester System in the Under Graduate Courses in the Degree & Professional Colleges has been introduced w.e.f. academic session 2010-11 and for this purpose various Workshops, Orientation programmes and Executive meetings on introduction of semester system in colleges were organized on various dates at various venues at different colleges in three districts where the Principals of all colleges and some officials of the University were present.
