Meeting agenda:

1. Discussion regarding segregation of discipline and Increase of existing Intake Capacity.
2. Modification of the existing syllabus, Course and Course Code.
3. Submission of proposed draft syllabi of Environmental Science and MIL Communication.
4. Modification in the translated version of the Department name in Bengali as well as in Hindi.

Resolution:

1. The Department of Performing Arts in BPA (Bachelor of Performing Arts) course has four separate subject/disciplines/specialization i.e. (1) **Music:** Hindustani classical Music, (2) **Instrumental music:** Tabla, (3) **Dance:** Manipuri Dance and (4) **Drama/Theater.** But the intake capacity was not segregated according to the disciplines. The Dept. has only 20 existing intake capacities including all subject/disciplines/specialization. Therefore, the members of the committee felt that existing intake capacity of the Department may be increased by at least 44 (forty four) seats and it will be divided equally 10 seats along with 1 seat for EBC each subject/disciplines/specialization. As well as at the time of online application during the admission, there should have an option for applicant to select the subject/disciplines/specialization clearly. At present the Department has four class rooms, one Office room and one small performance space/multipurpose room for the Departmental activities. Now the Department can accommodate up to 132 students (Three batches) at a time.
