**Department of
Physics,
Assam University,
Silchar**

Contact : hodphysaus@gmail.com

The international day of Light is a global initiative that provides a platform for the continued appreciation of Light and the role it plays in science, Culture and Art, education and sustainable development, and in fields as diverse as medicine, communications and energy. The International Day of Light is a follow-up to the International Year of Light and Light-based Technologies 2015, and is celebrated annually on the anniversary of the first successful operation of a laser in 1960.
