

Eye Awareness Seminar and Eye Camp

As a part of the National Program for Control of Blindness (NPCB) under the Ministry of Health & Family Welfare, Govt. of India a National Eye Donation Awareness Fortnight is being observed from 25th August. To mark the closure of this fortnight Assam University, Silchar is organizing a One Day “Eye Awareness Seminar and Eye Camp” for the benefit of students and employees of Assam University, Silchar on 8th September, 2016 which is the National Eye Donation Day. During the past year the Corneal Ahdhatv Mukh Bharath Abhiyaan (CAMBA) has witnessed a remarkable success nationwide in generating awareness about eye health and eye donation towards the goal of eradicating the menace of blindness related to corneal pathology. The South Assam zone of SAKSHAM NGO and Silchar Medical College & Hospital have extended their support and service in organizing the event jointly with Assam University, Silchar. Students, employees and their family members are requested to register their names for the free eye check up within 6th September, 2016 with the coordinator (**Email: shatabhisha87@gmail.com; SMS: 9401983312**). Eye check up is going to be followed by a CME on corneal blindness and eye donation by eminent ophthalmologists of the region.
