### *Message from the Vice Chancellor, Assam University Silchar*

It is indeed a pleasure to learn that as in previous years, the Department of Social Work is publishing the placement brochure. I understand that it will contain all the details relating to the course contents and the training experiences of the students during their study and stay in the Department for five years. As a department specialized in imparting professional knowledge and training, this brochure will go a long way in drawing the attention of the prospective employers. I sincerely hope that the students passing out from here will be placed in organizations where they would be able to realize their learning meaningfully but also help in bringing about equity justice and development in the society.
