Message from the Dean, School of Social Sciences Desk

I am happy to introduce the department of social work, Jadunath Sarkar School of Social Sciences, Assam University, Silchar. It is a pioneering department in whole of North East India and it provides good learning and community oriented professional services, while maintaining highest degree of commitment and ethical standard.

The Department trains the current and future social work leaders and ensures an educational experience that is practical and relevant. The teachers and students of the Department are committed to the cause and work collaboratively to find solutions to the problems that afflict the society. I am proud of what the Department has achieved within a short span of time.

I am happy to share that the Department of Social Work is working in collaboration with the governmental and non-governmental agencies- both national and international- and relentlessly perusing for capacity building of the professionals in different areas of research.

I am delighted to mention that the students in the Department are selected through a rigorous selection process and thoroughly refined and trained to become effective social work professional to meet the demands of the government and the NGOs. I wish a very successful career ahead to the students of BSW and MSW programmes and extend a very warm welcome to the prospective recruiting agencies to include the Department of Social Work, Assam University, Silchar in the list of prominent institution to be visited for campus placement.

Placement Brochure of the Year 2016-17, Department of Social Work

Message from the Desk of Head of the Department

On behalf of the Placement cell of the Department, I am happy to present before you our new batch of Post-Graduates in Social Work (2016-17). As you would find from the student profiles, we have the largest and perhaps most enthusiastic batch of students with diverse interest and backgrounds. A good number of them have prior experience and I am sure you will find them quite equipped with the inclination and skills to take up the challenges in their professional life and carrier.

I can vouch with certainty that the outgoing students will carry forward social work values and commitment in their professional lives wherever they are. During their 5 years stay with us, they were rigorously trained through various pedagogic modes spread across four semesters and exposed to a range of practicum sites for better understanding of and experiential learning from critical social realities. The semester system has also allowed the students to choose from a diverse basket of elective subject in the third and fourth semesters. This opportunity facilitated social focus on varied

fields and thematic areas that help them broaden their knowledge base.

It is indeed a matter of great pleasure to invite you at our campus for exploring mutually beneficial interest. I am confident that the Department will certainly facilitate you to find personnel corresponding to your requirements in the field. I wish each student of batch (2016-17) the very best for their future.

Message from the Desk of the Placement Coordinator

It gives me immense pleasure to invite you to the placement program at the Department of Social Work at Assam University, Silchar which boast of the only one in the North-Eastern India having integrated five years course BSW- 3 years leading to MSW- 2 years. The present dynamics of our society is faced with myriads of unpredictable problems and overflowing with competition and challenges. It will be my endeavor to ensure that the students make themselves adoptable, proactive and noticeable in this ever changing scenario.

We at the Department are sensitive to the social and moral responsibilities and we imbibe the same in our students amply so that they are perfect blend of grassroots and modern professional social workers not only for their professional skills but also for their creativity and critical consciousness towards the society.

The Department of Social Work has evolved a combination of hard core skills and soft skills in its efforts to impart professional socialwork education. The intelligence, high energy and exhilaration of socialwork trainees

trainees backed by their strong academic and professional skills assure that they bring an added measure of maturity and knowledge to the industry.

We are proud of our symbiotic liaison with corporate personalities, social organization, community and faith based organization etc. and are eager to extend our association with new one. It is with great confidence that the present batches are armed with strong conceptual foundation and managerial skills which will contribute to the nation building through meeting the challenges of a global contemporary social problems.

We are sure you will find it rewarding to visit our campus, interacting with our students and taking them on board for your challenging assignments. We look towards the future with reassurance and renewed confidence. We count on your support as always in our journey forward.

We welcome you to the Department of Social Work, Assam University, Silchar.

Placement Brochure of the Year 2016-17, Department of Social Work

About the University

Assam University, Silchar was established in 1994 as a Central University by an Act of Parliament (Act 13 of 1989) enforced through notification of the Government of India.

The University over the years has made impressive strides in establishing itself as a premier institution of learning in North-east India where the emphasis persistently has been on blending quality education, socially relevant endeavours and scientific pursuits with mission orientation and tireless striving for excellence.

The sprawling University Campus is spread over an area of about 600 acres where 29 Post Graduate Departments under nine Schools of studies of the University function. The institution provides state of the art facilities to students who come from different parts of the country and abroad. The current role strength is above 3000 which includes the students at the Post-Graduate and Integrated Courses and the students and the researchers at MPhil and PhD levels.

The Campus is at a distance of 23 kilometers from Silchar town, Silchar being the gate way to the southern part of North East India is the hub commercial activities and is known for its history as the tea Capital South Assam. Away from the humdrum of the busy city life of Silchar and set amidst its sylvan surroundings, the University community engages itself in academic pursuits.

With the mystique Bhuvan and the Barail ranges of hills at the backdrop, Assam University Campus is surrounded by the lush green hill locks, natural lakes and picturesque tea gardens of South Assam. The serene setting together with exquisite natural beauty in and around the campus adds uniqueness to the University's ambience capturing viewers' imagination and provides an ideal atmosphere for study and research.

About the Department

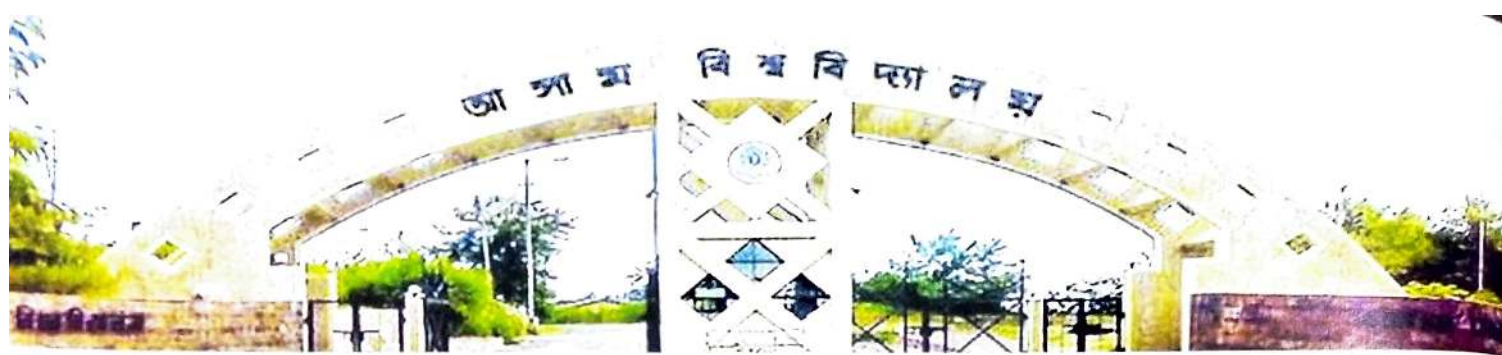

In Assam University, the Department of Social Work is one of the six departments of the school of social sciences. It started its journey in July, 1997 with only two faculty members. Since then the department has grown in its strength and activity across the region. The department of Social Work is the only institute of north east India to have a five years integrated course in Social Work and offers multivariate field exposures and specialization to its student. At present there are fourteen teachers with various specialization of Social Work. The aim is to prepare Social Work professional through practice and research based teaching to respond to social change, welfare and developmental needs at various levels.

The department runs Five Years Integrated Course in Social Work which leads to BSW (Three Years) and MSW (Two years). This year the department is running several specializations at Master's Degree level namely Disaster Management, Human Rights, NGO Management and Rural Development.

Regarding research, the department is offering Ph.D. Programme. Scholars have been perusing Ph.D. in the area of Health Care, HIV/AIDS, Self Help Group, Panchayat Raj, Government of India partnership, Unorganized Labour, Corporate Volunteerism etc. Apart from teaching, the faculty members have also been taking up minor as well as major research projects.

Department of Social Work

The Domain of Field Practice

Development of a perspective for various social problems, issues and their solutions, development of professional skills in solving problems and integration in class room teaching with practice of Social Work are the objective of field work.

Goal oriented, planned and supervised fieldwork is integral part of BSW and MSW programs. During the five years, field work is intended to expose the students to a multi vitiate environment and exposure to working with individuals, groups and communities. It includes Observation Visit, Concurrent field work in different agencies and communities and Block Placement. The students are given appropriate fieldwork orientation by the faculty members of the department. Students are given input of both theory and practical knowledge through regular individual conferences and group conferences with the faculty members.

Observation Visit :

After joining the bachelor programme in the department, the students are exposed to different social service organization, each includes government departments, NGOs/VOs, autonomous agencies, industries etc. This helps the students to get an overview of the functioning of various organizations and to understand the scope of professional Social Work and thus aid in their future field work.

Concurrent Field Work

Objectives:

1. To help the students understand the socio-economic, cultural and political milieu and develop the capacity for critical examination.
2. To provide students with an opportunity to apply theories in practice for problem solving with individuals, groups and communities.
3. To help students identify, plan and implement the Social Work interventions and to access their impact on different client system in various settings.
4. To help students appreciate the role of Social Work profession in empowering individuals, groups and communities and facilitate social change.

Block Placement

After completion of five semesters training (MSW Final Year) examination, students are sent for Block Placement for 45 days in various agencies. They can put opt for any agency in India as per availability as well as then suitability.

Vision, Mission and Curriculum of the Department
