HEAD, DEPARTMENT OF SOCIAL WORK

# MESSAGE FROM FIELD COORDINATOR

I congratulate the entire team and my esteemed colleagues of the Department of Social Work for their hard work and commitment to achieving excellence in Social Work Education and Practice. Being the First and the only Department in North-East India having a Five-year Integrated course leading to Master of Social Work, the Department offers rigorous theoretical and Fieldwork training to its students.

Located in the Barak Valley of Assam sharing an international border with Bangladesh, the Fieldwork setting is culturally and geographically very rich and diverse. Such a context provides a lot of opportunities as well as challenges for Fieldwork Practice.

The Pandemic has also impacted the direct Field Work Practice as the university education and fieldwork shifted to online mode. The department was conscious of this changed context and accordingly organized relevant webinars and skill development programs for enhancing the competence of our students.

Our Student trainees have over the years developed the skill to work in a culturally diverse ecosystem and evidence-based practice is emphasized in the fieldwork training. This equips the students to address an extensive range of human problems. They are trained to face the challenges and explore innovative solutions to the problems through their knowledge, skill, and competence.

I am delighted to introduce our students who would be an asset to the different agencies committed to achieving sustainable development goals. If ever there was a time to show compassion and a sense of belongingness to each other, it is now.

## **DR. MRITYUNJAY KR. SINGH**

ASSISTANT PROFESSOR & FIELD WORK COORDINATOR,  
DEPARTMENT OF SOCIAL WORK

# MESSAGE FROM PLACEMENT COORDINATOR

Dear recruiters,

It gives me immense pleasure to write this message and welcome you to the placements 2020-2021. I am happy to present a most dynamic batch that is passing out this year. The intensive course curriculum of the department not only focuses on knowledge generation through classroom learning but also emphasises applying this knowledge to practice through structured fieldwork programmes.

A field work in agency & community setting not only gives practical exposure to the students, but also provides a platform where they can apply their inculcated knowledge and fine-tune their skills in dealing with various issues. This helps to enhance their individual capacities and develops their working attitude. Each of our students has undergone such rigorous training programs and so even in the backdrop of the ongoing COVID 19 pandemic, our students had efficiently carried out their entrusted responsibilities maintaining all the protocols.

So dear recruiters, I assertively announce that our students with their knowledge, skills and innovative ideas are geared up to do justice to any responsibility if entrusted upon them by your esteemed organisation. I, on behalf of the faculty of the Department of Social Work, Assam University, invite you to interact with our students and find ideal candidates from among them for your organisation.
