It is a matter of great satisfaction for us to welcome all those who are seeking admission to the various UG/PG and integrated courses of Assam University at both Silchar and Diphu Campus. The university during its last twenty-four years of existence has grown both in terms of social responsibility and intellectual capital leading to academic and economic growth of the people of entire North East India in general and South Assam in particular. Assam University has established itself as a premier institution of higher education not only in the North Eastern Region of India but also internationally. The university has 39 post graduate departments, 02 under graduate departments and six interdisciplinary centers located at the two campuses at Silchar and Diphu. The academic ambiance prevailing in the University is the testimony to our collective efforts towards creating proper atmosphere for fruitful learning. Not being just remaining content with what has been achieved our march towards excellence is on.

From the last two years the entire admission process has gone online. Now students can go for a hassle free submission of forms, fees and receiving of information, admit cards etc. through the internet. The university has started the Department of Urdu and the Department of Performing Arts from the last academic session. I am also pleased to mention that in keeping with the policy of Government of India, Assam University has initiated Skill Development

Programmes under UGC sponsored Community College and B. Voc. programmes. The research activities of the university have acclaimed all over the academic world. The university has attracted students and research scholars not only from the rest of India but also from the SAARC countries, South East Asian Nations and African Countries. The university has joined consortium with eight European and twelve Indian University/institutes under the "NAMASTE" project.

To bring vigor to process of learning the university has already introduced the Choice Based Credit System (CBCS) at the Post Graduate level and also in case of the Integrated Courses in 2010. The CBCS pattern has been restructured and the courses are redesigned to add dynamism to the learning process. The CBCS system has been introduced at the under graduate level and will be in operation from the ensuing session. The system facilitates inter disciplinary studies by allowing students to choose courses across disciplines.

The campus life is almost self-contained with health center, departmental stores, banks, post-office, gym, play grounds, transport facilities, central library as well as departmental libraries. There are four hostels for men and five for women which provide a safe and comfortable campus stay for residential students. The details of these facilities and many more are provided in the Prospectus.

That our ventures towards excellence have been well appreciated by the academicians, students and their guardians is evident from the ever increasing number of applications every year for the different courses offered by the university. We are expecting the same trend this year too. Good wishes to all the applicants.

(Prof. Dilip Chandra Nath)

Assam University, Silchar (a Central University) was established by an Act of Parliament promulgated in 1989 (Act XXIII) and enforced by a Notification of the Government of India in January 1994. In 2014 the University has been reaccredited by NAAC with Grade B with a CGPA of 2.92.

With the Bhuban and the Barail ranges of hills at the backdrop, the University campus is surrounded by lush green hillocks, natural lakes and the picturesque tea gardens of South Assam. The inner landscape is featured by sprawling lawns, well nurtured gardens and eco-forests. The serene setting makes Assam University campus a unique one with exquisite natural beauty which captures viewers' imagination and provides an ideal atmosphere for study and research.

Distance between the main campus and the Silchar city is about 23 km. Silchar city being the gateway to the entire southern part of North East India is the hub of commercial activities and is known for its history as the Tea Capital of South Assam.

Away from the humdrum of the busy city-life of Silchar and set amidst its sylvan surroundings, the University engages itself in academic pursuits. The objectives of the

University, as enshrined in Section 4 of Assam University Act, are -

“to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and by the example of its corporate life to make provisions for integrated courses in Humanities, Natural and Physical Sciences and Social Sciences in the educational programmes of the University; to take appropriate measures for promoting interdisciplinary studies and research in the University; to educate and train manpower for development of State of Assam; and to pay special attention to the improvement of the social, economic conditions and welfare of the people of that state, their intellectual academic and cultural development.”

The sprawling University campus at Silchar is spread over an area of about 600 acres on which there are 39 Academic departments and 6 Interdisciplinary Centres including School of Technology. In addition, CIL (Central Instrumentation Laboratory) has also been established in the university. Keeping with the policy of Govt. of India, Skill Development Programmes have been initiated through UGC sponsored Community College and B. Voc. Programmes. The University provides state-of-the-art facilities to students coming from different parts of the country and abroad. The current roll strength is around 4500 at the post graduate and Integrated Courses including around 1500 M. Phil, and Ph.D at research levels. These apart, there are nearly 25,000 students in the affiliated and permitted colleges in the five districts of south Assam which together constitute the jurisdiction of Assam University. The colleges imparts under-graduate teaching in Science, Arts, Commerce, B.Ed. and the Law streams.

During the last one decade, the University has made impressive strides in establishing itself

as a premier institution of learning by blending quality education, socially relevant academic endeavours and scientific research with mission-orientation and tireless striving for excellence.

The University Campus is fast developing and is endowed with amenities / facilities such as Post Office, Telephone Exchange, Public Call Offices, Bank, Police Outpost, Water Treatment Plants, Electric Substations, Students' Hostels (both Boys' & Girls'), Health Centre, Staff Quarters, Shopping Complex, Guest House, Central Library, Auditorium Kendriya Vidyalaya and Parks. In addition other amenities like ATM, Sports Complex, Cafeteria, E-Journals, INFLIBNET, DELCON, Bio-informatics and KIOSK facilities are also available. University has introduced Choice Based Credit System (CBCS) from 2010-2011 at post graduate level and semester system in colleges affiliated to it.

DIPHU CAMPUS

Establishment of Assam University Campus at Diphu has been a long felt demand of the people of Karbi Anglong, Assam. A satellite campus of Assam University at Diphu has been launched from the academic session 2007-08. The authorities of Karbi Anglong Autonomous Council have allocated 272 bighas of land in Diphu-Lunding Road about 8 kms away from Diphu town. The land so allocated has already been taken over by the University and is in the process of construction of boundary wall and other buildings. The campus site is located in a beautiful surrounding of the lush green hills.

There are **10** departments in the Diphu Campus (i) English, (ii) Political Science, (iii) History, (iv) Physics, (v) Life Science, (vi) Commerce, (vii) Assamese, (viii) Anthropology (ix) Hindi, (x) Geography and Centre for Tribal Studies.

RABINDRANATH TAGORE SCHOOL OF LANGUAGES & CULTURAL STUDIES

Department of Linguistics

The Department of Linguistics came into being in 1995 with the aim of developing a better understanding of language study and linguistics. With the diverse linguistic scenario in North East India providing its backdrop, the thrust of the department's endeavour has been on analyzing the languages of North East India with special reference to the languages of South Assam. The department is also giving importance to the study of endangered languages of the North East India as a lot of minority languages are spoken in this part of the country which is considered to be endangered so that we can do something meaningful to preserve these languages. All the North Eastern languages show dialectal variations which need to be studied structurally as well as sociolinguistically. Such studies would help the standardization of languages and pave the ways for their use in education and other fields of socio-cultural life of North East India. Keeping this in view, the department has developed its course curriculum in such a way so as to enable the students at the Post Graduate level to acquire special knowledge to take up independent researches in future on various languages/dialects and their recent developments.

Department of Urdu

PDF Compressor Free Version

The Department of Urdu at Assam University was established in 2017. Urdu, which is one of the most developed modern Indian languages, has centuries old history and a rich literary tradition. It has its origins in the western part of present Uttar Pradesh and areas around Delhi, but, unlike most of the other Indian languages, it is not confined to these areas or a single geographical area. The native Urdu speaking people are to be found all over the Indian subcontinent. It is widely understood in South Asian Countries. The language also enjoys the status of one of the official languages of some of the provinces of India. Its role in the promotion of cultural and communal harmony and in the freedom struggle of the country is well known. Urdu is one of the national languages under the 8th Schedule of the Indian constitution. It is the official language of five states. In Jammu and Kashmir, it is the language for official communication. Millions of people in northern India speak Urdu as their mother tongue. It is also largely used by the media as well as the entertainment industry. Currently, a large section of Indian society love to learn and speak Urdu for understanding Urdu poetry and reading about the glorious history and culture of medieval India and also modern India. Urdu, for millions of Indians, is not only a language but is an integral part of their cultural identity. The Department of Urdu has designed its M.A. programme covering different aspects of classical and modern Urdu literature and its significant contribution to Indian culture and civilization.

Department of Philosophy

The Department of Philosophy was established in 1995. Since its inception, the department has been working diligently towards the dissemination and advancement of knowledge by translating philosophical wisdom into the context of understanding. In order to realize the above noble objective, the Department has been working tirelessly to develop and pursue appropriate course modules and research programmes. It always stood to ensure quality teaching and research supervision. The Department has also been trying to promote interdisciplinary research and studies. The current major thrust area of the Department is *Philosophical Anthropology*. Aiming at recognizing and promoting the constructive dimensions related with human existence and the existence of life on earth, the Department concentrates on specific areas such as Applied Ethics, Existential Ethics, Environmental Ethics, Gender Ethics, Aesthetics, classical and contemporary Indian and Western Philosophies, Critical Theory, Hermeneutics and the Philosophy of Social Sciences.

Courses Offered :

- i] M.A. (by course work). Duration : Four Semesters.
- ii] M. Phil (by course work & dissertation).
- iii] Ph.D. (by course work & research work)

Intake Capacity : 46

Faculty :

| Name | Designation | Area of Specialization |
|---------------------------------|---------------------|---|
| A. NATARAJU <i>Ph.D.</i> | Professor | Vedanta, Contemporary Indian Philosophy, Limits of Thoughts Discussion, Consciousness Studies |
| NIRMALI BARMAN <i>Ph.D.</i> | Professor | Modern Indian Philosophy, Philosophies of Swami Vivekananda, Mahatma Gandhi and Sri Aurobindo |
| SUBHRA NAG <i>Ph.D.</i> | Professor | Philosophical Psychology, Moral Philosophy, Gender Studies |
| PIUS V.T. <i>Ph.D.</i> | Assistant Professor | Hermeneutics, Contemporary Western Philosophy, Critical Theory |
| MUNMUN CHAKRABORTY <i>Ph.D.</i> | Assistant Professor | Vedanta, Phenomenology, Contemporary Indian Philosophy |

HEAD OF THE DEPARTMENT : PROF. ADARASUPALLY NATARAJU

CRITERIA FOR ADMISSION: Candidates who have passed TDC examination in Arts in relevant subjects.

ASHUTOSH MUKHOPADHYAY SCHOOL OF EDUCATIONAL SCIENCES

Department of Education

The Department started with a Master's Degree programme in Education in July 1995. The department also offers Ph.D. and M.Phil. programmes. During the past few years the department has successfully completed a number of research projects funded by national / regional level agencies. Educational theory constitutes the thrust area of the current research endeavour in the department.

Courses Offered :

CENTRE FOR EDUCATIONAL PLANNING AND MANAGEMENT

The Centre for Educational Planning and Management has been established and made functional from the Academic Year 2011. The Centre is attached to the Department of Education of Assam University, Silchar. The director incharge of the Centre is Prof. N. B. Biswas. The centre offers a course leading to Diploma and Post Graduate Degree in Educational Planning and Management.

Objective of the Centre : Educational Planning and Management

- To develop leadership qualities, management efficiency and policy planning in the field of education
- To disseminate knowledge on educational management among the graduates and educational practitioners
- To develop skills for identifying and solving the problems of educational institutions
- To develop skills in computer application in educational management
- To develop skills in the preparation of projects on educational planning and management and promote research in the related fields.

Department of Physics

The Department of Physics started its functioning in 1996. The Department offers a four Semester M. Sc. programme (Two years duration) where the students at present can opt for one of the two specializations - i) Astrophysics and ii) Condensed Matter Physics, with laboratory classes. Research areas that are covered at present include - Astrophysics, Particle Physics, Cosmology, Chemical Physics (with application to bio-molecules), Atmospheric Physics.

The Department possesses a number of sophisticated instruments that includes 16 inch Mead Telescope, 14 inch Celestron Telescope, Astronomical CCD, Photometer, Ellipsometer, FTIR, UV visible spectrophotometer.

The Department also has a cluster computing facility.

Courses Offered :

- i] M. Sc. (by course work). *Duration* : Four Semesters. **Intake Capacity: 50**
- ii] M. Phil (by course work & dissertation).
- iii] Ph. D. (by course work & research work)

The Department of Chemistry established in 1996 has been imparting training at advanced level of Chemistry in general for M. Sc students and Ph. D Scholars. The research interests of the faculty cover areas, like, Materials Chemistry, Surface Science and Technology, Liquid Crystals, Natural Products and Medicinal Chemistry, Theoretical Chemistry, Synthetic Organic Chemistry, Coordination and Bioinorganic Chemistry, Electrochemistry and Chemistry of Nanomaterials. The Department organises Refresher's Courses, Workshops and Conferences with support from national level scientific organizations and societies. A number of research Projects sponsored by UGC, DST, DRDO, DBT, DAE, NRB, and BARC, have been undertaken by faculties. The Department has, already, been supported by DST-FIST and UGC-SAP programmes. The Department is equipped with major scientific equipments, like, UV-visible Spectrometer, Fluorimeter, FTIR, TGA, DSC, Polarizing Optical Microscope, Impedance Analyzer, Cyclic Voltammeter, CHN Analyser, Tensiometer High Performance Cluster Computing (HPCC), Polymerase Chain Reaction (PCR) etc. The Department is having a Computer Laboratory and Departmental Library.

Centre for Soft Matters

The Centre for Studies in Soft Matter, established under the aegis of the Department of Chemistry in 2009 under the UGC 11th Plan grant to enrich the academic and research pertaining to design, synthesis, characterization, physical properties and device application of soft materials. The purpose of the Centre is to provide a platform for study and research related to advanced arenas in Material Sciences which is one of the thrust areas of Chemistry Department.

Courses Offered :

- i] M.Sc. (by course work). *Duration* : Four Semesters. **Intake capacity : 45**
- ii] M. Phil (by course work & dissertation).
- iii] Ph.D. (by course work & research work).

Department of Mathematics started functioning in the year 1994. The Department offers M.Sc. , M.Phil. and PhD programmes in Mathematics. Academic activities of the Department apart from teaching and research includes activities like organising seminars, conferences, workshops, Refresher Course, Winter Schools etc. for serving teachers and students. The Departmental Library is sponsored by the National Board for Higher Mathematics (DAE), Mumbai. The Department is also sponsored by UGC (SAP) and DST (FIST). The academic programmes are managed by a competent core faculty and backed by updated syllabi and computer laboratory.

Courses Offered :

- i] M.Sc. (by course work). *Duration:* Four Semesters.
- ii] M. Phil (by course work & dissertation)
- iii] Ph.D. (by course Work & research work)

The Department of Statistics under the Albert Einstein School of Physical Sciences, Assam University started functioning from July, 2014. The mission of the Department is to establish itself as a leading department in attaining excellence in Research and Education in Statistical Sciences. The department is at its initial stages but has joined the main stream of the university through activities like conducting of workshops, seminars, data analysis consultancy and external collaboration with organizations like the Indian Statistical Institute, Ministry of Statistics and Programme Implementation (MoSPI), Indian Council of Social Science Research, Chiltern International etc. The department has recently signed MoU with the Department of Statistics, Sahajalal University of Science & Technology Sylhet, Bangladesh for regular academic exchange. The department possess fully air conditioned computer lab with internet connection and printing facility, airy class rooms in a serene setting, uninterrupted projection facility, public address system, licensed version of SPSS 23 and Systat 13 along with other freeware for statistical computing. The basic objective of the M.A/M.Sc course in Statistics is to produce post graduates with sound knowledge in the major areas of statistical methodology, with a solid foundation on theoretical principles obtained through rigorous practice. The department also offers Ph. D program in Statistics. The research area of specialization is not restricted to Statistical Graphics, Business Analytics, Data mining in Sports, Distribution Theory, System Reliability.

Courses Offered :

- i] M. A./M. Sc. (in Statistics) (by course work). Duration: Four Semesters. **Intake Capacity: 30**
- ii] Ph. D. (by course work and research work).

CRITERIA FOR ADMISSION : Candidates who have passed the HS examination (10+2) in Science stream with Physics and Mathematics (in combination with any other science subjects) with at least 55% marks in aggregate in the three science subjects as well as the overall aggregate, (credit for 3rd science subject besides Physics and Mathematics will be given to the one in which the candidates score is higher) are eligible for admission into M. Sc five years course to the first semester. To be eligible for admission in the 7th semester M. Sc. (Integrated) course, a student has to pass in all the papers up to the 6th semester of the M. Sc. Integrated course.

ELIGIBILITY FOR M. Sc. : (through lateral entry): (Duration: 04 semesters): Students who have passed B. Sc (Hons in Computer Science course with 50% of marks from a university recognized by UGC.

ELIGIBILITY FOR M. TECH. : i. First class/ division or equivalent grade in B.E./B. Tech. in Computer Science & Engineering/ Computer Science/ Information Technology/ Electronics & Communication Engineering/ Electrical & Electronics Engineering.

ii. First class/division or equivalent grade in M. Sc. in Computer Science/Electronics/Electronic Science/Physics/ Applied Physics/ Mathematics/ Applied Mathematics.

SELECTION OF CANDIDATES FOR ADMISSION : i. Selection of candidates for admission to the First Semester of M. Sc. (Integrated) Course and for the Lateral Entry shall be based on written test and personal interview.

ii. Selection of candidates for admission to the First Semester of M. Tech. shall be based on written test and personal interview with a bearing on the passed academic credentials. GATE qualified candidates shall be directly eligible for personal interview without requiring to appear in the written test.

Central Instrumentation Laboratory

The Central Instrumentation Laboratory (CIL) was established in the year 2009 under the Albert Einstein School of Physical Sciences, Assam University, Silchar as a new center. The Center offers one year (two semester) Post Graduate Diploma course in Analytical Instrumentation and its Applications. The Center is equipped with state of art facilities such as 400 MHz FT-NMR, FT-IR, HPLC, GC-MS, AAS and LCR Meter along with associated accessories. Besides these, CIL has other facilities such as SODAR (weather monitoring system), High Capacity Radio Frequency dryer (Food Processor), Fluorescence Spectrometer, UV-Visible Spectrometer, Rotary evaporators and other basic instrumentation facilities developed by the faculty members from individual project funds.

Thrust Areas of Research Areas of the Center are:

- (1). Nanotechnology
- (2). Nanoelectronics and Photonics
- (3). Instrumentation and applications
- (4). Food Processing and Nutritional Values
- (5). Metabolomics and Molecular Biology
- (6). Biophysics and Bioinstrumentation

Department of Life Science and Bioinformatics

The Department launched its M. Sc Programme in July 1996. This department meets the national and regional needs for interdisciplinary teaching and research through its two year master degree courses in Life Sciences and M.Phil./Ph.D. programme. Currently the department has four Professors, three Associate Professors, Six Assistant Professors and five technical staffs along with 90 students at P.G. level and more than 60 numbers of research scholars both in Ph. D and M. Phil levels. The faculty members are engaged in research activities in diverse fields as mammalian cell and molecular Biology, health science, Plant Molecular Biology, Plant functional genomics, fungal biotechnology, computer aided drug designing, natural product, biodiversity, plant taxonomy, toxicology, reproductive biology and agricultural research. The department made pioneering efforts in formulating syllabi that takes care of all modern and common subjects in first year of M. Sc

. Programme. In the second year, students get exposed to the frontier areas in plant and animal sciences depending upon their previous courses. The faculty member are engaged in research activity in diverse fields of Life Science and offers Nine (09) special paper in third semester as optional. The faculty members have received international experiences from institutions like NIH, USA, Hiroshima University, RIBRM, Japan, IPSR, Okayama University, Japan, Gifu University, Japan, Shizuoka University, UC Berkeley and University of California, Riverside, USA, University of North Carolina, Chapel Hill, USA, Oklahoma state University, Stillwater, USA, University of Dusseldorf, Germany, Liverpool John Moores University, UK and Chicago University, USA etc. All the faculty members are actively involved in research in their respective fields in collaboration with various national/international institutes. The faculty members have published papers in reputed International and National Journals. The Department has organized several International conferences, National symposiums & workshops to disseminate the knowledge in biological sciences. The students of this department are placed in various academic and research Institutions.

Department of Life Science and Bioinformatics is the pioneer department in the University to be recognized under UGC-SAP programme in 2007 and subsequently upgraded to UGC SAP DRS-II in the year 2013. Department of Life Science & Bioinformatics has been recognized under DST-FIST Programme in 2008 for infrastructure development. Under the initiative of faculty members of Department of Life Science & Bioinformatics, DBT, Govt. of India has established two institutional facilities like Bioinformatics Centre and Advanced Biotech Hub in the University. Department has received various International and National Project funding's from DBT, DST, UGC, CSIR, JSPS, NRE, NTRF, SERB etc.

Courses Offered :

- M.Sc. (by course work) (*in two streams i.e., Botany & Zoology*) Duration : Four Semesters. **Intake capacity : 50**

Bioinformatics Centre of Assam University, Silchar came into existence in the year 2008 as an independent centre under School of Life Sciences with full financial assistance from Department of Biotechnology, Govt. of India. Since its birth, the centre has been actively engaged in teaching and research in the different fields of Bioinformatics. The Centre has launched a Post Graduate Diploma in Bioinformatics (PGDBI) Course of 1 year (2 semester) duration. Till date 8 batches of students have already completed the course. The 9th batch is on the roll. The main aim of this course is to create skilled manpower in the field of Bioinformatics. Till date the centre has organized two International Conferences, three National Conferences, thirteen workshops & training programmes and several outreach programmes for Senior Secondary (Science) students to popularize Bioinformatics in this region and the entire North East as a whole. The main thrust area of research of the centre is Computer Aided Drug Designing. The centre has special Journal access facility under DBT's e-Library Consortium (DeLCON). 1135 nos. of high impacted and peer reviewed journals are accessible from the centre. The centre has extended this facility to whole of Assam University.

As per DBT, Govt. of India Ranking, Bioinformatics Centre of Assam University was ranked fifth (5th) in publications in the field of Bioinformatics among all the Bioinformatics Infrastructure Facilities in different Universities in India in 2015. This was announced in 27th BTISnet meet at Nainital held from 3-4 March 2016. Based on 2014 publication the centre got 1st Rank as announced in the 26th BTISnet meet held at Tirupati from 3 - 4 February 2015. Based on 2013 publication the centre got 4th Rank as announced in the 25th BTISnet meet held at Goa from 3 - 4 February 2014.

The main objective and focus of the department is to guide and impart innovative education to provide trained and efficient microbiologist to the society. The department endeavours to specialize its student in distinct areas of Microbiology. The department is well equipped with modern and Sophisticated instruments like QPCR, DGGE, DFGE etc. gradient thermal cycler, gel documentation system, high speed refrigerated centrifuge, UV-spectrophotometer, fermentor, water purification system, environmental shaker, deep freezer (-500 C), blotting apparatus, bio-safety cabinets and high quality research microscopes. Faculty members of the department are having various projects funded by DBT, DST, UGC etc. Various reputed papers are being published time to time in high general impact by the faculty members.

The course contents have been kept as per UGC guidelines and support competitive exams like UGC-CSIR NET/ DBT-JRF/GATE/ICMR-JRF/ICAR-JRF. The department is also involved in conducting seminars, quiz and NET counselling, group discussions to enrich the knowledge and to motivate students for appearing in competitive examinations of National and International level. Guest lectures are regularly held by inviting distinguished academicians, scientists of International repute from various esteemed institutes, universities and industries. The department encourages the students to establish new methodologies and encourages innovative ideas.

The Department of Biotechnology, Assam University, Silchar offers MSc, MPhil and PhD programmes in Biotechnology. The Master Degree programme of the department was started in July 2004, and is of two years duration. The Choice Based Credit System (CBCS) was adopted from July 2010 onwards. Core courses as well as advanced courses like Genetics, Molecular Biology, Biochemistry, Immunology, Microbiology, Bioinformatics, Genetic Engineering, Plant Biotechnology, Animal Biotechnology and Medical Biotechnology are covered. MSc final semester students also undertake a short term research project towards completion of the programme. Our main goal is to impart hands-on-practicals in six different laboratories, 1. Biochemistry 2. Animal Cell Biology and Immunology 3. Molecular Biology 4. Microbial Technology 5. Plant Biotechnology and 6. Bioinformatics and Genomics. The departmental faculties are actively involved in research in the broad areas of Molecular Biology, Cancer Biology, Plant Biotechnology, Immunology, DNA barcoding, Genomics, Genetics and Bioinformatics. Department has several research projects on Cancer Genomics, DNA barcoding, Methanogenomics, Molecular characterization of nitrogen fixing bacteria, Plant Biotechnology, etc. The Department is equipped with a small Animal House, and state of the art equipments such as Deep Freezer (-20 & -80), Gradient and Personal Thermal Cycler, Real Time PCR equipment, Gel Documentation System, Animal Cell Culture and Plant Tissue Culture facilities, Automated DNA Sequencer, etc. and much more. These facilities are available to MSc, MPhil and PhD students. Students actively participate in the seminars and workshops conducted at both University and National level. They are also encouraged to participate in co-curricular activities at University level.

Department of Business Administration

The Department of Business Administration under the Jawaharlal Nehru School of Management Studies, Assam University (JNSMS-AU) started functioning in July 1997. The mission of the J.N. School of Management Studies is to contribute through innovative academic endeavours pertaining to teaching, research, consultancy and training to the development of capable managerial and human resources and thereby to the corporate, industrial, economic, social, intellectual and cultural development of India. To accomplish its mission, JNSMS-AU offers through the Department of Business Administration full-time Master of Business Administration (MBA) programme, MBA (Hospitality & Tourism) programme and also research programme in Management leading to the degree of Doctor of Philosophy (Ph. D).

The detail admission guidelines for MBA Programme is available in the MBA 2018 Prospectus.

Department of Ecology and Environmental Science

The Master Degree programme in the department started in July 1996. Ph.D. and M.Phil. programmes were launched subsequently in 1998 and 1999, respectively. Ongoing researches in the department include areas like Natural Resource Management & Biodiversity Conservation, Microbial Ecology, Rivers, Wetlands, Forests and Agro ecosystems, Insect Ecology, Algal Ecology, Wild Life Ecology, Environmental Pollution and Ecotoxicology and Ethnobotany of Medicinal Plants. Over the years, the department has established collaboration with national level institutes like Indian Institute of Remote Sensing, Dehradun, G.B. Pant Institute of Himalayan Environment & Development (NE Unit) Itanagar, North Eastern Regional Institute of Science & Technology (NERIST) Itanagar, National Botanical Research Institute (NBRI), Lucknow, Central Agriculture University (CAU), Imphal, Indian Agricultural Research Institute (IARI), New Delhi, North East Institute of Science and Technology (NEIST), Jorhat, Central Institute of Freshwater Aquaculture (CIFA), Bhubaneswar, Bharthidasan University, Tiruchirapalli and University of Canberra, Australia. The department is supported by the UGC Special Assistance (DRS-I and DRS-II) and DST-FIST programmes. The department has been given a "Centre for Biodiversity and Natural Resource Conservation" by UGC under the XIth Plan. An Ornamental Fish Hatchery Unit has been established in the department. A MOU was signed between Assam University and Bamboo and Cane Development Institute (BCDI), Agartala for a P.G Diploma Course on "Bamboo Cultivation and Resource Utilization".

CENTRE FOR BIODIVERSITY AND NATURAL RESOURCE CONSERVATION

Aim and Objectives of the Centre

Biological diversity is fundamental to the fulfilment of human needs. An environment which is rich in biological diversity, offers the broadest array of options for sustaining human welfare and for adapting to change. The Barak Valley falling in Assam in the Northeast India belongs to the Indo-Burma Hotspots, and one of the most biological diverse regions of the world. Barak Valley constitutes 8.9% geographical area of the state covering an area of 6922 sq km. The land use/land cover area of the valley may be characterised by evergreen forest, semi evergreen forest, mixed moist deciduous forest, scrub forest, degraded forest, agricultural land and tea plantations. Barak Valley has 12 Reserve Forests, (RFs) and one Wildlife Sanctuary (WLS). The Valley is richly endowed with plant and animal resources, which needs to be managed on a sustainable basis to serve as the main drive of development in the area. The sustainable development of any area depends on the proper utilization of its natural resources.

The Centre for Biodiversity and Natural Resource Conservation attached to the department of Ecology & Environmental Science is mandated to carry out research works pertaining to biodiversity conservation and effective and scientific management of the natural resources of the valley with the following aim and objectives:

- To study the ecology and conservation of flora and fauna of Barak Valley.
- To study the landscape ecology in the Barak Valley.
- To study the natural resource utilization pattern and management by the traditional communities of Barak Valley.
- To study the biophysical parameters in major ecosystems.
- To document indigenous knowledge system of the region.

Department of Agricultural Engineering

The Department of Agricultural Engineering (established in 2006) offers the courses that deal with the application of engineering principles and scientific technologies for sustainable food production, and all along the food production to consumption chain. The course structure and syllabus for the UG and PG programmes have been designed to create skilled and technically sound human resources to cater the engineering needs of farm mechanization, irrigation and drainage, soil and water conservation, post harvest processing of crops, value addition, renewable energy, and appropriate design and utilization of aquaculture resources. The laboratory infrastructure has been developed to impart the essential practical knowledge including the application of computers and IT for the design, simulation, modeling, remote sensing etc. Two industrial trainings form a part of the UG programme that aims to provide the industrial exposure and enhancement of technical know-how and skills. The Department is actively involved in multi-disciplinary research with projects funded by DST, UGC, MoFPI and NHB.

The Thrust Areas of research of the Department are:-

- ❖ Soil and Water Conservation Engineering
- ❖ Ground Water Hydrology
- ❖ Watershed Management
- ❖ Farm Implements and Machinery
- ❖ Waste recycling and Bi-product Utilization
- ❖ Bioprocess Engineering
- ❖ Tea Processing Technology
- ❖ Aquacultural Engineering
- ❖ Water Resources Development and Management
- ❖ Rainwater Harvesting
- ❖ Remote Sensing and GIS
- ❖ Renewable Sources Energy and Utilization
- ❖ Mechanization of Horticultural Crops
- ❖ Food Engineering and Food Industry Management
- ❖ Climate Change and Climate Resilient Agriculture

Courses Offered :

i] **B. Tech.** Duration : 4 years (8 semesters)

Intake capacity : 60

Admission through (a) Central Counselling Board (CCB) regulated all India counselling based on the JEE-Main All India Rank of the candidate, or (b) Admission Test conducted by the Triguna Sen School of Technology, Assam University, Silchar. The candidates should have secured minimum 60% (55% for SC/ST) marks in aggregate papers of Physics, Chemistry and Biology/Mathematics with pass marks in Mathematics, and minimum overall aggregate of 55% (50% for SC/ST) marks in the qualifying examination (10+2).

There is a provision for lateral entry for the candidates having diploma of 10+3, 10+2+2 or 10+2+3 from a recognised institute in Agricultural Engineering or Mechanical Engineering or Civil Engineering or Food Engineering / Technology with minimum 60% marks in qualifying diploma.

ii] **M. Tech.** Duration : 2 years (4 semesters)

Intake capacity : 24 (6 in each specialization)

Admission through (a) GATE, or (b) Admission Test and viva-voce conducted by the Department. The candidate should have B.E. / B. Tech. or AMIE degree from a recognized Institute and / or University with a minimum 55% (50% for SC/ST) marks.

Department of Computer Science & Engineering (Formerly Department of Information Technology)

The primary objective of the Department of Computer Science & Engineering (formerly named as Department of Information Technology) is to offer an environment that encourages to one's potential in academic programmes. Within the ambit of IT Industry, the department shall endeavor to develop newer problem-solving methods and apply these to creative design scenarios in contemporary and emerging technologies.

The Department established in 2006 along with the Department of Agricultural Engineering, which offered the first engineering undergraduate course within the University campus. Since its inception, it has climbed victoriously the stairs of excellence and has

acquired huge popularity being one of the most preferred academic engineering institutions in the region of South Assam. In the year 2011, the department also opened its door to the postgraduate courses. The department has been granted major research projects by MeitY& DST, GOI New Delhi. Alumni have been working in reputed corporate firms like Infosys, TCS, Oracle, Zaloni, SLK, Prompt Cloud etc. Some of the alumni are also pursuing higher studies in reputed and premiere institutions of India and abroad.

The thrust areas of research of the Department are:

- ❖ Mobile Computing
- ❖ Speech Processing
- ❖ Network and Information Security
- ❖ Computer Networks
- ❖ Soft Computing
- ❖ Artificial Intelligence and Quantum Computing
- ❖ Communication and Signal Processing
- ❖ VLSI Design
- ❖ Image Processing
- ❖ Natural Language Processing
- ❖ Reversible Computing
- ❖ Information Retrieval
- ❖ Trust and Reputation
- ❖ Network-On-Chip

Department of Electronics and Communication Engineering

Department of Electronics and Communication Engineering (ECE) was established in the year 2011 under Triguna Sen School of Technology. Since its establishment, the department has the vision and mission to impart quality education and training to meet the requirements of well skilled engineers in the current era of globalization. To keep pace with the current technological trends, the department has a well-designed, constantly reviewed syllabus to incorporate all advancements in existing and emerging technologies which give students a holistic and pragmatic view of the present scenario of the Electronics and Communication industry. Some of the Graduates of this department have been working in reputed corporate firms like Google, Cadence, IBM, BSNL, etc. and some are pursuing higher studies in NITs and IITs.

The Focus Areas of the Department are:-

- ❖ VLSI Design and Emerging Technologies
- ❖ MEMS and Sensors

- ❖ Digital Signal & Image Processing
- ❖ Bioelectronics
- ❖ Nanoelectronics & Nanotechnology
- ❖ Communications

Department of Applied Science and Humanities

The Department of Applied Science and Humanities is established in 2016 with the approval of UGC and started its workings as a full-fledged department in the year 2017 under Triguna Sen School of Technology (TSSOT). The main objective of the department is to bring a humane touch to technology and to assist the engineers to develop themselves within the social context. The department has an interdisciplinary orientation and expertise in the disciplines of Science and Humanities.

The primary goal of the department is to teach the Applied Science and Humanities courses like Chemistry, Mathematics, Physics, Statistics, Operation Research, Economics, English, Environmental Science and other related areas to the engineering students of the University.

The department has highly qualified and efficient faculty members with a wide variety of specializations. In addition to teaching, the faculty members are actively involved in research in current and challenging problems spanning the areas of both Basic Science and its Engineering Applications.

Department of Pharmaceutical Sciences

The Department of Pharmaceutical Sciences under Sushrutu School of Medical and Paramedical Sciences started functioning from August 2010 with the B. Pharm. Course (UG Course). The mission of the Department is to impart knowledge in Pharmaceutical Sciences and produce high quality pharma professional to meet the demand of accelerating pharma industry in Assam in particular and India in general. The Department has a clear vision and objective to provide Quality Pharmacy Education supporting better health care programme of the nation.

The B. Pharm. curriculum is designed as per AICTE and PCI norms and consist of several core papers under four major branches of Pharmacy like Pharmaceutics, Pharmacology, Pharmacognosy and Pharmaceutical Chemistry including Pharmaceutical Analysis along with some additional papers like Pharmaceutical Biochemistry, Biotechnology, Microbiology, Pharmaceutical Engineering etc.

Courses Offered

ARYABHATTA SCHOOL OF EARTH SCIENCES

Department of Earth Science

The Department of Earth Science was established in November 2009 under the School of Environmental Sciences. The department envisions preparing Human Resources skilled in multi-disciplinary areas of the Earth Science and also to foster the cause of the discipline in the Nation vis-a vis the region. North East India has reserves of some of the largest Hydrocarbon (Oil and Gas), Coal and Atomic Minerals (especially Uranium) deposits known in the country along with a treasure house of various geological mileau including geo-tourism. At the same time the region is highly vulnerable to natural hazards which include flood, landslide and earthquake etc. The department is committed to address these and various other fundamental and challenging problems of geological nature affecting the society.

Courses Offered :

- i] M.Sc. in Applied Geology (by course work) Duration : Four Semesters. Intake capacity : 25
- ii] M.Phil (by course work & dissertation)
- iii] Ph. D. (by course work and research work)

SWAMI VIVEKANANDA SCHOOL OF LIBRARY SCIENCES

PDF Compressor Free Version

Department of Library & Information Science

The Department of Library Science has been established in the year 2009 under the School of Information Sciences. Now, the Department has been placed under separate "Swami Vivekananda School of Library Sciences" since 2011 which is unique in India that the Department of Library and Information Science has been placed under separate school. At present Prof. Sumanash Dutta, Department of Economics, Assam University, Silchar has been appointed as the Dean of the School w. e. f. January 2013.

The Master of Library and Information Science program at Assam University, Silchar educates students in the principles, practices, and ethics of library and information science, imbues them with a sense of service to diverse populations, and prepares them to be life-long learners and active leaders in a rapidly changing information and knowledge society.

The Department of Library Science of Assam University is committed to the University's mission of teaching, learning, research and community services. As a professional department, it will be the department of choice in Assam in general and Barak Valley in particular, which will educate its students, in both theory and practice, to identify, acquire, organize, and disseminate information. By integrating technology across the curriculum, the department will impart the knowledge and skills of the profession in preserving and providing access to the records of our cultural heritage and the documents of scholarly research. By nurturing research, innovation and service, the department will strive to offer high quality student-centered programmes necessary to prepare library and information professionals in the knowledge society of the 21st century.

The Department of Library Science would be recognised both nationally and internationally as a leader in producing information professionals. The department would be noted for its production of trained and professionally qualified librarians and other information professionals who are motivated to leadership and service. Those LIS Professionals would be knowledgeable and ethical in their professional practice. While recognizing the rich cultural and technological heritage of their fields, they will be prepared to make themselves adoptable in changing environment and also would be lifelong learners. The department has been using the modern ICT tools and gadgets for , practical classes , classroom teaching including Smart Classroom and Internet based teaching -learning.

B. Voc. Programme

UGC sponsored Bachelor of Vocation (B. Voc.) Degree Programme started in the Assam University, Silchar in December, 2015 in (i) Food Processing, and (ii) Farm Machinery and Power Technology disciplines.

Objectives:

The objectives of the B. Voc. programme since inception are,

(i) To provide judicious mix of skills relating to a profession in Food Processing and Farm Machinery and Power Technology, and appropriate content of general education,

(ii) To ensure that the students have adequate knowledge and skills, so that they are work ready at each skill level of the programme

(iii) To integrate National Skill Qualification Framework (NSQF) within the undergraduate level of higher education in order to enhance employability of the graduates and meet industry requirements.

Such graduates apart from meeting the needs of local and national industry are also expected to be equipped to become part of the global workforce.

What is B. Voc. programme ?

B. Voc. Programme is a skill development based full time 3 year (6 semesters) degree course with work-ready skill levels under National Skill Qualification Framework (NSQF) such as,

(i) Certificate (at the end of 1st semester, NSQF level 4)

(ii) Diploma (at the end of 2nd semester, NSQF level 5)

(iii) Advanced Diploma (at the end of 4th semester, NSQF level 6)

(iv) B. Voc. Degree (at the end of 6th semester, NSQF level 7)

The graduates completing B. Voc. are expected to make a meaningful participation in accelerating our national economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.

The B. Voc degree programme is a full time degree course. It is not conducted as an add-on programme in Assam University.

The UGC vide D.O. No. F. 2-7/2014 (CC/NVEQF)/Misc., dated 3rd August, 2016 has recognized B.Voc. Degree at par with the other Bachelor level degrees for competitive exams conducted by Union/State Public Service Commission, Staff Selection Commission or other such bodies where the eligibility criteria is "Bachelor Degree in any discipline".

Further, students with B.Voc. Degree are eligible for the transdisciplinary vertical mobility into such courses where entry qualification is a Bachelor Degree without specific requirement in a particular discipline.

Curriculum:

The curriculum of the B. Voc. Programme has been developed in line with the model curriculum recommended by the Sector Skill Councils for various Qualifications Packs, with a judicious mix of hands on practice, theoretical aspects, field and industry visits, National Occupational Standards, personality development, training and internships.

At present,

Baking Technician, Food Products Packaging Technician and Food Microbiologist job roles are offered at NSQF level 4, 5 and 6, respectively under B. Voc. (Food Processing).

Tractor Operator, Farm Workshop Foreman / Supervisor and Farm Workshop / Service Manager job roles are offered at NSQF level 4, 5 and 6, respectively under B. Voc. (Farm Machinery and Power Technology).

The job roles offered are likely to change depending upon the demand in the job market and skill gap analysis reports published by NSDC.

Laboratory Facilities:

For the effective demonstration and dissemination of technical skills, Food Processing Laboratory, and Farm Machinery and Power Technology Workshop have been established under the B.Voc. programme.

Food Processing Laboratory has dough mixer, mixer grinder juicer, baking oven, micro wave oven, hot air ovens, water bath, double distillation machine, steam sterilizer, generator, paddle operated pouch sealing machine, canning machine, spectrophotometer, Soxhlet apparatus, Micro-Kjeldal apparatus, Garbour centrifuge, dehumidifier, autoclave, laminar air flow, BOD shaker incubator, and various instruments and hand tools for the food processing, production and analysis.

Farm Machinery and Power Technology Workshop has the working single cylinder diesel engine and multi-cylinder tractor engine, multiple battery charger, air compressor, cut section of working models of tractor; single cylinder 4-stroke diesel engine and sliding mesh gear box, 25 kW tractor, 9-tyre cultivator, power tiller and vertical conveyor reaper windrower. The workshop also has a sliding surface & screw cutting lathe, bench grinder, pillar drilling machine, circular hack saw, bench shear, arc welding machine, various instruments and hand tools for fabrication, servicing, maintenance and minor repair.

A small Computer Laboratory meets the requirement of computer aided design and drafting, converting ideas into products, and basic computer application in the area of professional business and entrepreneurship.

PDF IMPRESSION AREA QUALITY ASSURANCE CELL

To act as a nodal agency for coordinating quality related activities, the Assam University has established an Internal Quality Assurance Cell (IQAC) as per UGC-NAAC guidelines in 2008. The cell has Prof. Dilip Chandra Nath, Vice Chancellor, as its Chairman and Prof. Dibyojyoti Bhattacharjee from the Department of Statistics as its Director. Prof. Joyati Bhattacharya, Department of political Science and Dr. Prodipto Das, Department of Computer Science are the Assistant director of IQAC.

Some of the responsibilities that the IQAC has been entrusted with include:

1. Development and application of quality bench marks/parameters for the various academic and administrative activities of Assam University.
2. Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
3. Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional process.
4. Dissemination of information on the various quality parameters of higher education.

CRITERIA FOR ADMISSION TO PG/UG/ INTEGRATED COURSES

GENERAL

Candidates who have passed their graduation in a subject shall be eligible for admission to the four semester Post Graduate Course in the respective subjects and those candidates who have passed HS or equivalent examinations (10+2) in the relevant streams shall be eligible for admission to Under Graduate/ five year Integrated Courses.

Candidates waiting for the result of their qualifying examination may also apply for admission. However, such candidates must submit the photocopies of marksheet or / and certificate of the qualifying examination before the finalization of the admission selected list prepared by the respective department. Also they have to satisfy the eligibility criteria of admission as set by the admission committee of the respective department.

Preference in admission will be given to the students having Major/Honours in the relevant subject. However, subject to availability, up to ten percent of the seats may be filled up with students from other related subjects.

Applications from candidates who have already obtained a Master's Degree from this University or any other university may be considered for admission in any allied subject only if there is any vacancy after considering all other eligible candidates. Candidates seeking admission for the first time in Assam University have to submit Migration Certificate within two months of their admission.

Selection of candidates for admission will be made on the basis of percentage of marks secured in qualifying examination and performance in the admission test and personal interview. The weightage for the qualifying examination, admission test and personal interview will be in the ratio of 25 : 50 : 25.

The written test will be of 50 marks and of one hour duration. The personal interview will be of 25 marks.

At the time of the personal interview, all candidates must produce all their testimonials in original. Also, they are required to submit self-attested photo copies of all such testimonials to the department during their personal interview. Both the aforesaid clauses are mandatory, failing which the candidature of an applicant may even be rejected.

The questions in the written test must be answered only in English except in cases of admission to courses in certain language departments (like Bengali, Manipuri, etc.) for which questions should be answered in the language concerned.

The reservation of seats for admission in each department will be as follows:

| | | |
|-------------------------------|---|------|
| Scheduled Caste category (SC) | : | 15% |
| Scheduled Tribe category (ST) | : | 7.5% |
| Other Backward Class (OBC) | : | 27% |

(Excluding creamy layer category as defined by GOI). The validity of the non-creamy layer certificate shall be for a period of one financial year viz. from 1-4-2018 to 31-3-2019.

There is a provision for 3% reservation for persons with disability.

For B. Tech. courses 50% of the total seats in each Department are reserved for the students of Northeastern region. The Northeastern region comprises Assam, Arunachal Pradesh, Meghalaya, Mizoram, Manipur, Nagaland, Sikkim and Tripura.

There will be a relaxation of 5% marks in the qualifying examination for the candidates from the reserved categories of SC/ST as per GOI regulations. The OBC Candidates can also be given a relaxation (in case of any necessity felt by the Departmental Admission Committee) in the minimum eligibility in the qualifying examination and in the minimum eligibility (if any) in the admission entrance test to the extent of 10% of the minimum eligibility for the General Category candidates. For example, if the minimum eligibility for admission to a course is 50% for the General Category candidates, the minimum eligibility for the OBCs would be 45% (i.e., 50 minus 10% of 50). However, the candidates seeking admission against OBC quota must submit Income Certificate from appropriate authority testifying exclusion from creamy layer category with validity as mentioned above.

All types of reservation of seats for admission/relaxation of marks in qualifying examination will be guided by the Govt. of India rules.

In the case of all Internal students i.e., students who have graduated from colleges affiliated to Assam University 30% of the aggregate percentage of marks secured in the qualifying examination shall be added to the obtained marks of the qualifying examination for the purpose of assigning weightage in their selection for admission.

In the case of students seeking admission to a subject which he/she studied as Honours/Major subject at Under-Graduate level, 10% of the aggregate percentage of marks secured in the Honours/Major subject shall be added to his/her obtained marks of the qualifying examination for the purpose of assigning weightage in his/her admission.

Other things being equal, preference will be given to candidates who achieved excellence in sports/ games or in cultural activities as evident in their participation in events at the national or international level. Documentary evidence must be submitted.

The minimum eligibility of marks may be relaxed by the competent authority if seats remain vacant in any subject after normal course of admission is over. There is also a provision for free of charge admission in all Diploma, Certificate, Integrated, UG and PG Courses of the University for the dependent children of Leprosy Affected persons with maximum two dependent children.

For Diphu Campus: Special weightage for ST(H) candidates of the State of Assam applying for admission in Diphu Campus, a special weightage of 20% of marks secured in the qualifying examination would be given over and above other weightage mentioned in the Prospectus.
