OFFICIAL ADDRESS

Assam University
P.O. Assam University, Dargakona
Silchar-788011, Assam, INDIA

From the Vice-Chancellor's Desk

It is a matter of great pleasure for us to welcome all those who are seeking admission to the various UG/IG courses of Assam University at Silchar Campus. The university during its last twenty-six years of existence has grown both in terms of social responsibility and intellectual capital leading to academic and economic growth of the people of entire North-East India in general and South Assam in particular. Assam University has established itself as a premier institution of higher education not only in the North-Eastern Region of India but also internationally. The university has 07 undergraduate/ integrated departments located at Silchar campus. The academic ambiance prevailing in the University is the testimony to our collective efforts towards

creating a proper atmosphere for fruitful learning. Not just remaining content with what has been achieved, our march towards excellence is on.

The university has been providing reservation of seats in admission for various categories of candidates as per GOI directives from time to time. From the ensuing session reservation for candidates belonging to Economically Weaker Sections (EWS) will also be provided as per latest GOI order.

To bring vigor to the process of learning the university has already introduced the Choice Based Credit System (CBCS) at the UnderGraduate and Integrated Courses in 2010 to add dynamism to the learning process. The system facilitates interdisciplinary studies by allowing students to choose courses across disciplines.

The campus life is almost self-contained with a health center, departmental stores, banks, post-office, gym, play grounds, transport facilities, central library as well as departmental libraries. There are four hostels for men and five for women which provide a safe and comfortable campus stay for residential students. The details of these facilities and many more are provided in the Prospectus.

That our ventures towards excellence have been well appreciated by the academicians, students and their guardians is evident from the ever increasing number of applications every year for the different courses offered by the university. We are expecting the same trend this year too.

Good wishes to all the applicants.
