OFFICIAL ADDRESS

Assam University
P.O. Assam University, Dargakona
Silchar-788011, Assam, INDIA

From the Vice-Chancellor's Desk

I am happy to present the combined Prospectus of our academic Programmes as per NEP 2020 for the academic sessions beginning from 2023 to all aspiring students. It is a matter of great pleasure for us to welcome all those who are seeking admission to the various UG/IG, PG, PG Diploma, Certificate and Ph.D. Courses of Assam University at both Silchar and Diphu Campuses. Assam University, which came into existence in the year 1994, has grown leaps and bounds since its inception and, today, it stands as one of the biggest universities in Northeastern region with its two campuses, sixteen schools, forty-three departments and

several centres. The University has not only grown in terms of size alone but has also established itself as a great seat of learning, producing high quality knowledge-products. This has not happened by chance but is, in fact, the result of an extremely good leadership provided by my predecessors, the six legendary Vice Chancellors, committed faculties, officers, dedicated staff members and our very own pack of highly talented students. Perched in the green serene environs, Assam University reminds one of the traditional 'Gurukuls' of ancient times which offered ideal conditions for the holistic development of their students. This modern 'Gurukul' also ensures the holistic development of its students and one finds the glimpses of this in this booklet. State-of-the-art classrooms and laboratories facilitate students in shaping their dreams and enriching them intellectually. The adequate infrastructure promotes sporting and cultural activities enabling our students in their pursuits to be a great resource in the process of nationbuilding.

It is a really happy moment for all of us that keeping in mind the concept of holistic development of students, Assam University has Introduced the new course curriculum in the light of NEP 2020 in its PG programme from academic session 2022-23 and in its on-campus PG/IG programmes and also in UG programmes of affiliated colleges from the Academic Session 2023-24. All programmes offer an enormous scope of flexibility and interdisciplinarity to students. I am also happy to announce that for admission to its on-campus UG/IG, PG and Ph.D programmes, Assam University has adopted the score of Common University Entrance Test (CUET) conducted by National Testing Agency and merit lists of selected candidates are prepared on the basis of CUET score only.

I have no hesitation in mentioning here that the students who get the opportunity to study in Assam University are groomed under the guidance of experienced faculties and are prepared to shoulder important responsibilities in nation-building. While welcoming the aspirants, I extend my best wishes.

A handwritten signature in black ink, appearing to read 'Rajive Mohan Pant'.

(Prof. Rajive Mohan Pant)

THE UNIVERSITY

Assam University, Silchar (a Central University), was established by an Act of Parliament promulgated in 1989 (Act XXIII) and enforced by a Notification of the Government of India in January 1994.

With the Bhuban and the Barail ranges of hills at the backdrop, the University campus is surrounded by lush green hillocks, natural lakes and the picturesque tea gardens of South Assam. The inner landscape is made exquisitely beautiful by sprawling lawns, well-nurtured gardens and eco-forests. The serene setting makes the University campus a unique one with breathtaking natural beauty which captures the viewers' imagination and provides an ideal atmosphere for study and research.

The distance between the main campus and Silchar city is about 23 km. Silchar, being the gateway to the entire southern part of Northeast India is the hub of commercial activities, and is known for its history as the Tea Capital of South Assam. Away from the humdrum of the busy city-life of Silchar and set amidst its sylvan surroundings, the University engages itself in academic pursuits. The objectives of the University, as enshrined in Section 4 of Assam University

Act, are

"to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit and by the example of its corporate life to make provisions for integrated courses in Humanities, Natural and Physical Sciences and Social Sciences in the educational programmes of the University; to take appropriate measures for promoting interdisciplinary studies and research in the University; to educate and train manpower for development of State of Assam; and to pay special attention to the improvement of the social, economic conditions and welfare of the people of that state, their intellectual academic and cultural development."

The sprawling University campus at Silchar is spread over an area of about 600 acres on which there are 40 Academic departments and 06 Interdisciplinary Centres. In keeping with the policy of the Govt. of India, Skill Development Programmes have been initiated in the University. The University provides state-of-the-art facilities to students coming from different parts of the country and abroad. The current student strength is around 5000 at the postgraduate and Integrated Courses level and around 1000 at the Ph.D. level. These apart, there are nearly 25,000 students in the affiliated and permitted colleges in the five districts of South Assam which together constitute the jurisdiction of Assam University. The colleges impart undergraduate teaching in Science, Arts, Commerce, B.Ed. and the Law streams.

During the last one decade, the University has made impressive strides in establishing itself as a premier institution of learning by

blending quality education, socially relevant academic endeavours and scientific research with mission-orientation and tireless striving for excellence. The University Campus is fast developing and is endowed with amenities / facilities such as the Post Office, Telephone Exchange, Bank branches, Police Outpost, Water Treatment Plants, Electricity Substations, Students' Hostels (for both Boys & Girls), Health Centre, Staff Quarters, Shopping Complex, Guest House, Central Library, Gyms, Auditorium, Kendriya Vidyalaya and Parks. In addition, other amenities like ATM counters, a Sports Complex, Cafeteria, E-Journals, INFLIBNET, DELCON, Bio-informatics and KIOSK facilities are also available. The University has introduced the NEP-based curriculum at the postgraduate level from 2022-23.

DIPHU CAMPUS

The establishment of the Diphu Campus of Assam University has been a long-felt demand of the people of Karbi Anglong, Assam. The satellite campus at Diphu was launched during the academic session 2007-08. The authorities of Karbi Anglong Autonomous Council allocated 272 bighas of land along the Diphu-Lumding Road about 8 kms away from Diphu town. The campus site is located in a beautiful surrounding of the lush green hills.

There are 10 departments in the Diphu Campus: (i) English, (ii) Political Science, (iii) History, (iv) Physics, (v) Life Science, (vi) Commerce, (vii) Assamese, (viii) Anthropology, (ix) Hindi, (x) Geography, and a Centre for Tribal Studies.

ACADEMIC DEPARTMENTS

RABINDRANATH TAGORE SCHOOL OF INDIAN LANGUAGES & CULTURAL STUDIES

Department of Bengali

The Department of Bengali is one of the first six departments of Assam University. The Department started its journey in the month of July 2004. In its journey of about three decades, besides classroom instructions, the department organized number of national and international seminars and literary meets with an aim to introduce the students with contemporary trends in critical approach to literature. Major focus of the department is to inculcate deep understanding of inter-relation of literature, history and culture; it strives to enrich the students with skill of creative and critical writing. The thrust area of post-graduate and research programme in the department are: Contemporary Literary Theory and Application, Folk and Gender Studies, Comparative Literature, Sociology of Literature, Medieval and Modern Bengali Literature, Language and Translation Studies, Rabindra Literature, Cultural Studies, and North Eastern Literature.

The Centre for Studies in Endangered Languages, Manuscriptology & Folkloristics (CELMF), which is attached to this Department, is also actively involved in exploring new areas of research based on field study.

The teachers and researchers of the department regularly contribute different journals and books with scholarly articles. Regular publication of Departmental Journals and Peer Reviewed Scholars' Journal alongside Books by the faculties is worth mentioning.

Vision: The department aims to establish itself as a Centre of Academic Excellence in the field of Theoretical Research and studies in Ethnicity & Cultural Diversity of the North-East region. Academic activities under SAP-DRS II have been striving to achieve this goal.

Thrust Area: The thrust area of post-graduate and research programme in the department are: Contemporary Literary Theory and Application, Folk and Gender Studies, Comparative Literature, Sociology of Literature, Medieval and Modern Bengali Literature, Language and Translation Studies, Rabindra Literature, Linguistics, Narrative Studies, Cultural Studies, and North Eastern Literature.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake

Miss Das

Department of Indian Comparative Literature *

The Department of Indian Comparative Literature came into being in 2014 with an aim to set good standards for teaching and research from the beginning. Comparative Literature is one of the most significant disciplines of our age of multiculturalism. It is expected to educate students about the interplay of language and culture and is expected to bring a keener sensitivity to the language, culture and people of our region. The Department offers M.A., and Ph. D. programmes of study.

Vision: Indian Comparative Literature aspires to set a good standard for teaching and research. To educate students about the interplay of language and culture.

Thrust Areas: The major focus of the teaching and research programmes in the department is on areas like Inter-Indian Relations -Bhakti literature, Indian Regional Literature, History of Indian Literature & Culture, Epic Literature, Impact of Sanskrit & European literature on literature of Indian Languages, etc.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.A.	English & Bengali	Candidates of any discipline who have passed the TDC examination securing at least 40% of marks (or equivalent grade) are eligible to apply for admission. Intake: 00
2.	Ph.D.	English & Bengali	By course work & research work. Intake: 00

Faculty Profile:

Sl. No.	Name & Email ID	Designation	Area(s) of Specialization
1.	ARJUNDEB SENSARMA arjundebbensarma@gmail.com	Professor	Medieval Bengali Literature, Manuscriptology & Cultural studies
2.	SUMAN GUN sumangun12@gmail.com	Professor	Modern Poetry & Comparative Literature

Academic Collaborations: Rabindra Bharati University (WB), Daimond Harbour University (WB), Jadavpur University (WB), Bengali Department (AU).

USP of the Department: The department provides mentorship programmes on - Theoretical introductions, Writing skills, Language & intertextuality, Interdisciplinary approach, and Cinema criticism.

HEAD OF THE DEPARTMENT : DR. ARJUNDEB SENSARMA

☎: 9830149784

* As per decision of 94th Academic Council meeting dated 20th July 2023, Admission in all programmes of the Department of ICL is closed w.e.f. 2023-2024 Academic Session.

Department of Hindi

The Department of Hindi, which started its journey in July 1998, offers M.A., Ph.D., and D. Litt. Programmes. Located in a multicultural terrain of Northeast India, the Department gets the opportunity to interact with students of different linguistic backgrounds of the region and by teaching Hindi language and literature; the department tries to bring them together so that a national link and sensibility may get established.

Vision: To establish a centre of excellence for research activities in the field of language and literature.

Thrust Areas: The thrust area in the post-graduate programme is Hindi Literature with a special emphasis on Contemporary Hindi Literature and its interaction with other Indian languages and literature. Ongoing Ph.D. research at the department covers areas like Modern Hindi Poetry, Comparative Indian Literature, Hindi Fiction, Contemporary Hindi Literature and Historiography of Hindi Literature.

Programmes of Study:

3.	GOVIND SHARMA govindsharma1985@gmail.com	Associate Professor	Darsana

Centers of Study: Informal Sanskrit Education (Under Central Sanskrit University)

USP of the Department: Student and Alumni involvement along with cordial relation among university fraternity.

HEAD OF THE DEPARTMENT : PROF. SNIGDHA DAS ROY

☎: - 94357 30487

Department of Linguistics

The Department of Linguistics came into being in 1995 with the aim of developing a better understanding of language study and linguistics. With the diverse linguistic scenario in North East India providing its backdrop, the department has been endeavoring to study the different languages of North East India with special reference to the languages of South Assam. The department is also giving importance to the study of minority/lesser known languages of North East India as a lot of minority/lesser known languages of the region are unsafe and many are at risk of becoming endangered, extinct and forgotten. Besides, the majority of languages in the region show dialectal variations which need to be studied socio-linguistically and structurally. Such studies would help the standardization of languages and pave the ways for their use in education and other fields of socio-cultural life of North East India. Keeping this in view, the department has developed its course curriculum in such a way so as to enable the students at the Post Graduate level to acquire special knowledge to take up

independent researches in future on various languages/ dialects and their recent developments.

Vision: ■ Description, codification, and graphization of North East Indian languages. ■ To create awareness among the people about the importance of Linguistic study of the languages of North East India. ■ To protect, preserve and promote the minority and the lesser known languages of the North East India.

Thrust Areas: ■ Scientific analysis of the unexplored languages of the country belonging to different language families. ■ Special emphasis on description and documentation of lesser known and endangered languages of Northeast India.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.A.	Linguistics	Candidates who have passed TDC examination in Arts, Science or Commerce are eligible for admission. Intake: 20
2.	Ph.D.	Linguistics	candidates who have passed M.A. in Linguistics/ Masters in relevant subjects with at least 55% marks in aggregate or its equivalent grade are eligible to apply for admission (relaxation of marks for reserve categories will be available as per the guidelines of the Government of India). Intake: As per vacancy to be notified in due course.

Department of Urdu

The Department of Urdu at Assam University was established in 2017. Urdu, which is one of the most developed modern Indian languages, has centuries old history and a rich literary tradition. It has its origins in the western part of present Uttar Pradesh and areas around Delhi, but, unlike most of the other Indian languages, it is not confined to these areas or a single geographical area. The native Urdu speaking people are to be found all over the Indian subcontinent. It is widely understood in South Asian Countries. The language also enjoys the status of one of the official languages of some of the provinces of India. Its role in the promotion of cultural and communal harmony and in the freedom struggle of the country is well known. Urdu is one of the national languages under the 8th Schedule of the Indian constitution. Millions of people in northern India speak Urdu as their mother tongue. It is also largely used by the media as well as the entertainment industry. Currently, a large section of Indian society love to learn and speak Urdu for understanding Urdu poetry and reading about the glorious history and culture of medieval India and also modern India. Urdu, for millions of Indians, is not only a language but is an integral part of their cultural identity. The Department of Urdu has designed its M.A. programme covering different aspects of classical and modern Urdu literature and its significant contribution to Indian culture and civilization. The department offers M.A. and Ph. D Programmes of study.

Programmes of Study:

SUNITI KUMAR CHATTOPADHYAY SCHOOL OF ENGLISH & FOREIGN LANGUAGES STUDIES

Department of English

The Department of English, established in 1994, is one of the flagship departments of Assam University, Silchar. Over a period of almost three decades of its existence, this department has hosted notable academicians and artists like Bill Ashcroft, Paul Theroux, Mahesh Dattani and Salim Arif among others, multiple times when organizing seminars, conferences and workshops of both national and international levels. As part of a university situated in the culturally vibrant Barak Valley of Assam, this department has always striven to acquire and disseminate knowledge of expanding literary and cultural heritages to students and scholars of diverse ethnicities, aesthetics, and cultures in a multicultural environment.

The Department has also been catering its teaching services to other departments by teaching English and Communication skills to undergraduate students of various integrated courses. Classes for Teaching of English for Remedial English and for various competitive examinations have also been undertaken regularly by the department. The department has produced an impressive range of alumni who have carved out successful careers in education at all levels, research, professional writing and editing, publishing, business and law.

Vision: The vision of the department is to develop itself as a centre for academic excellence through teaching and research that encourages and fosters the intentional and critical ways of reading, writing, understanding and interpreting the English languages and literatures in order to produce culturally responsive and academically accomplished citizens capable of participating in and contributing significantly to the growth and development of their respective institutional, civic and professional communities. The department's commitment to the creative expression, informed interpretation and the study of English literatures' global and historical dimensions is customized to reflect its awareness and appreciation of the rich literary and cultural heritage of its unique socio-historical context.

Thrust Areas: The MA syllabus, in addition to English Literature, places focus on Contemporary Theoretical developments, New Literatures in English, World Literature in Translation, Translation Studies, Drama Studies and English Language Studies.

The ongoing research activities in the Department includes research on New Literatures written in English, Cultural Studies, Ethnic Literatures, Displacement Studies, Drama Studies, Writings in English from the Northeast and Translation Studies.

Department of History

The Department of History is one of the first six departments of Assam University, which started in 1994. It imparts quality education to the Post-Graduate students with different specialisations in History and conducts researches leading to Ph.D degree. The effort of the department is to introduce the political dynamics and cultural practices of the region with the wider historical framework so that a comprehensive history can be (re) written by adopting the approaches and methodologies developed in the global, transnational and local perspectives. The Department has a

Smart Classroom, an ICT Enabled Classroom, Research Scholars' Room, Museum, Conference room with LCD projector, along with a Departmental Library.

Vision: The vision of the department is to educate students about the world history and history of India in particular. Historical research in the North Eastern region and South Assam has been specially conducted by the department. The Department provides learning opportunities for students to develop their skills needed to engage in historical research and analysis and navigates the continuous dialogue between the past and present.

Thrust Areas: Ancient, Archaeology, Medieval, Modern and Contemporary History.

Department of Mass Communication

The Department established in 1996, the Department of Mass Communication of Assam University was the first department to offer a postgraduate program in the entire northeast India, and only second such department in the eastern India. The department also offers Doctoral and D.Lit. program. During the last three decades, the department at the postgraduate level has professionally trained more than 800 students with more than fifty scholars awarded M.Phil/Ph.D for journalism and other related professions as well as teaching. The department is equipped with modern cameras including teleprompter, linear as well as non-linear editing and multi-camera production studios, smart classrooms, screening room, department library and conference hall. Faculties of the department as a whole have a rich past experience in all fields of media, advertising and public relations. The department also organizes regular hand holding exercises with professionals from the industry and other higher academic institutions through seminars, workshops and special lectures. It has also completed many research projects.

Vision: The department envisages preparing the students for the ever-changing media-scape with deep theoretical understanding coupled with professional skills and a proper blend of inquisitive mind and training for research.

Thrust Area: ●Thrust area of pedagogy of the post graduate program is on creating an interdisciplinary blend of theoretical training along with learning research methods for media studies juxtaposed with practical exercises and internship with industry to hone the various skills related to journalism, audio and video-production, advertising, and public relations as well as media and social research.

●Thrust area of research in the department focuses on interdisciplinary studies related to content and possible impact of modern media, different aspects of development communication, traditional media, media and culture, as well as local history of the media-scape in northeast India.

Department of Performing Arts

Assam University, Silchar established the Department of Performing Arts in the year 2017 under Abanindranath Tagore School of Creative Arts and Communication Studies to nurture and promote the heritage and contemporary culture of India with a special focus on the North-East. Since its initiation, the Department is running a Bachelor of Performing Arts programme and offering BPA degrees in Hindustani Classical Music (Vocal), Drama/Theatre, Manipuri Dance, and Instrumental Music (Tabla). In less than Five years, with collaborative efforts, the Department of Performing Arts has expanded its reach beyond the state of Assam and now has a good number of students from different parts of India. Under the patronage of the University administration and the guidance of the faculty members, the students dream to excel in their life and career as trained professionals in traditional and creative art forms.

After completing the BPA programme in the Department, the students have the promise of good employment opportunities and bright prospects as successful academicians, scholars, artists, performers, researchers, and entrepreneurs at the National and International levels. Our students are getting opportunities for higher studies in the top-ranked universities of India. Our courses aim at providing exposure and opening up the vista of studying and practicing Performing arts in line with the interdisciplinary approaches focused on in NEP 2020. The course components of the programme are designed to assist the students to grow as scholars, music performers, performing arts pedagogues, or other performing arts professionals through a combination of theoretical knowledge and practical know-how.

The Department is also in the process of introducing PhD programme, which will provide greater scope for the students to explore the attributes of the subject better.

Vision: The department promises to produce a good number of students with good employment opportunities and bright prospects as successful academicians, scholars, artists, performers, researchers, and entrepreneurs at the National and International levels.

Thrust Areas: The Department assist the students in growing as scholars, music performers, performing arts pedagogues, or other performing arts professionals through a combination of theoretical knowledge and practical know-how.

ASHUTOSH MUKHOPADHYAY SCHOOL OF EDUCATIONAL SCIENCES

Department of Education

The Department Education started its journey in the year 1995 with M.A. in Education. At present the Department offers B.Sc. (Hons), B.Ed., M.A, M.Ed., and PG Diploma in Educational Planning and Management (PGDEPM) leading to Masters in Educational Planning and Management (MEPM), and Ph.D. programmes with the purpose of producing quality science teachers, teacher educators and educational leaders. Our department is one among the few others in the country where the entrants can develop themselves after their schooling by opting "Integrated B.Sc. (Hons). B.Ed." programme. The

Department has successfully completed a number of research projects funded by UGC/ICSSR/ICPR and regional level agencies. Department has done appreciable service to the cause of education and nation-building by producing eminent teachers and teacher educators. It is the first university department in the North East India that has been recognized and awarded with School of Education component under flagship scheme of PMMMNMTT by the Ministry of Education, Govt. of India in 2015.

Vision: Promotion of educational thought and practices, pedagogy of science in the context of Indian heritage, society and environment and bringing changes in the teaching-learning process in the region through its research input, innovative instructional strategies and student outreach programme.

Thrust Areas: Development of pedagogical knowledge, providing input for educational policy & imparting training programme for the stakeholders in the field.

Centre for Educational Planning and Management:

The Centre for Educational Planning and Management has been established and made functional from the Academic Year 2011. The Centre is attached to the Department of Education of Assam University, Silchar. The Director in-charge of the Centre is Prof. Ajay Kumar Singh. The centre offers a P. G. Diploma course leading to Post Graduate Degree in Educational Planning and Management.

Objective of the Centre: Educational Planning and Management

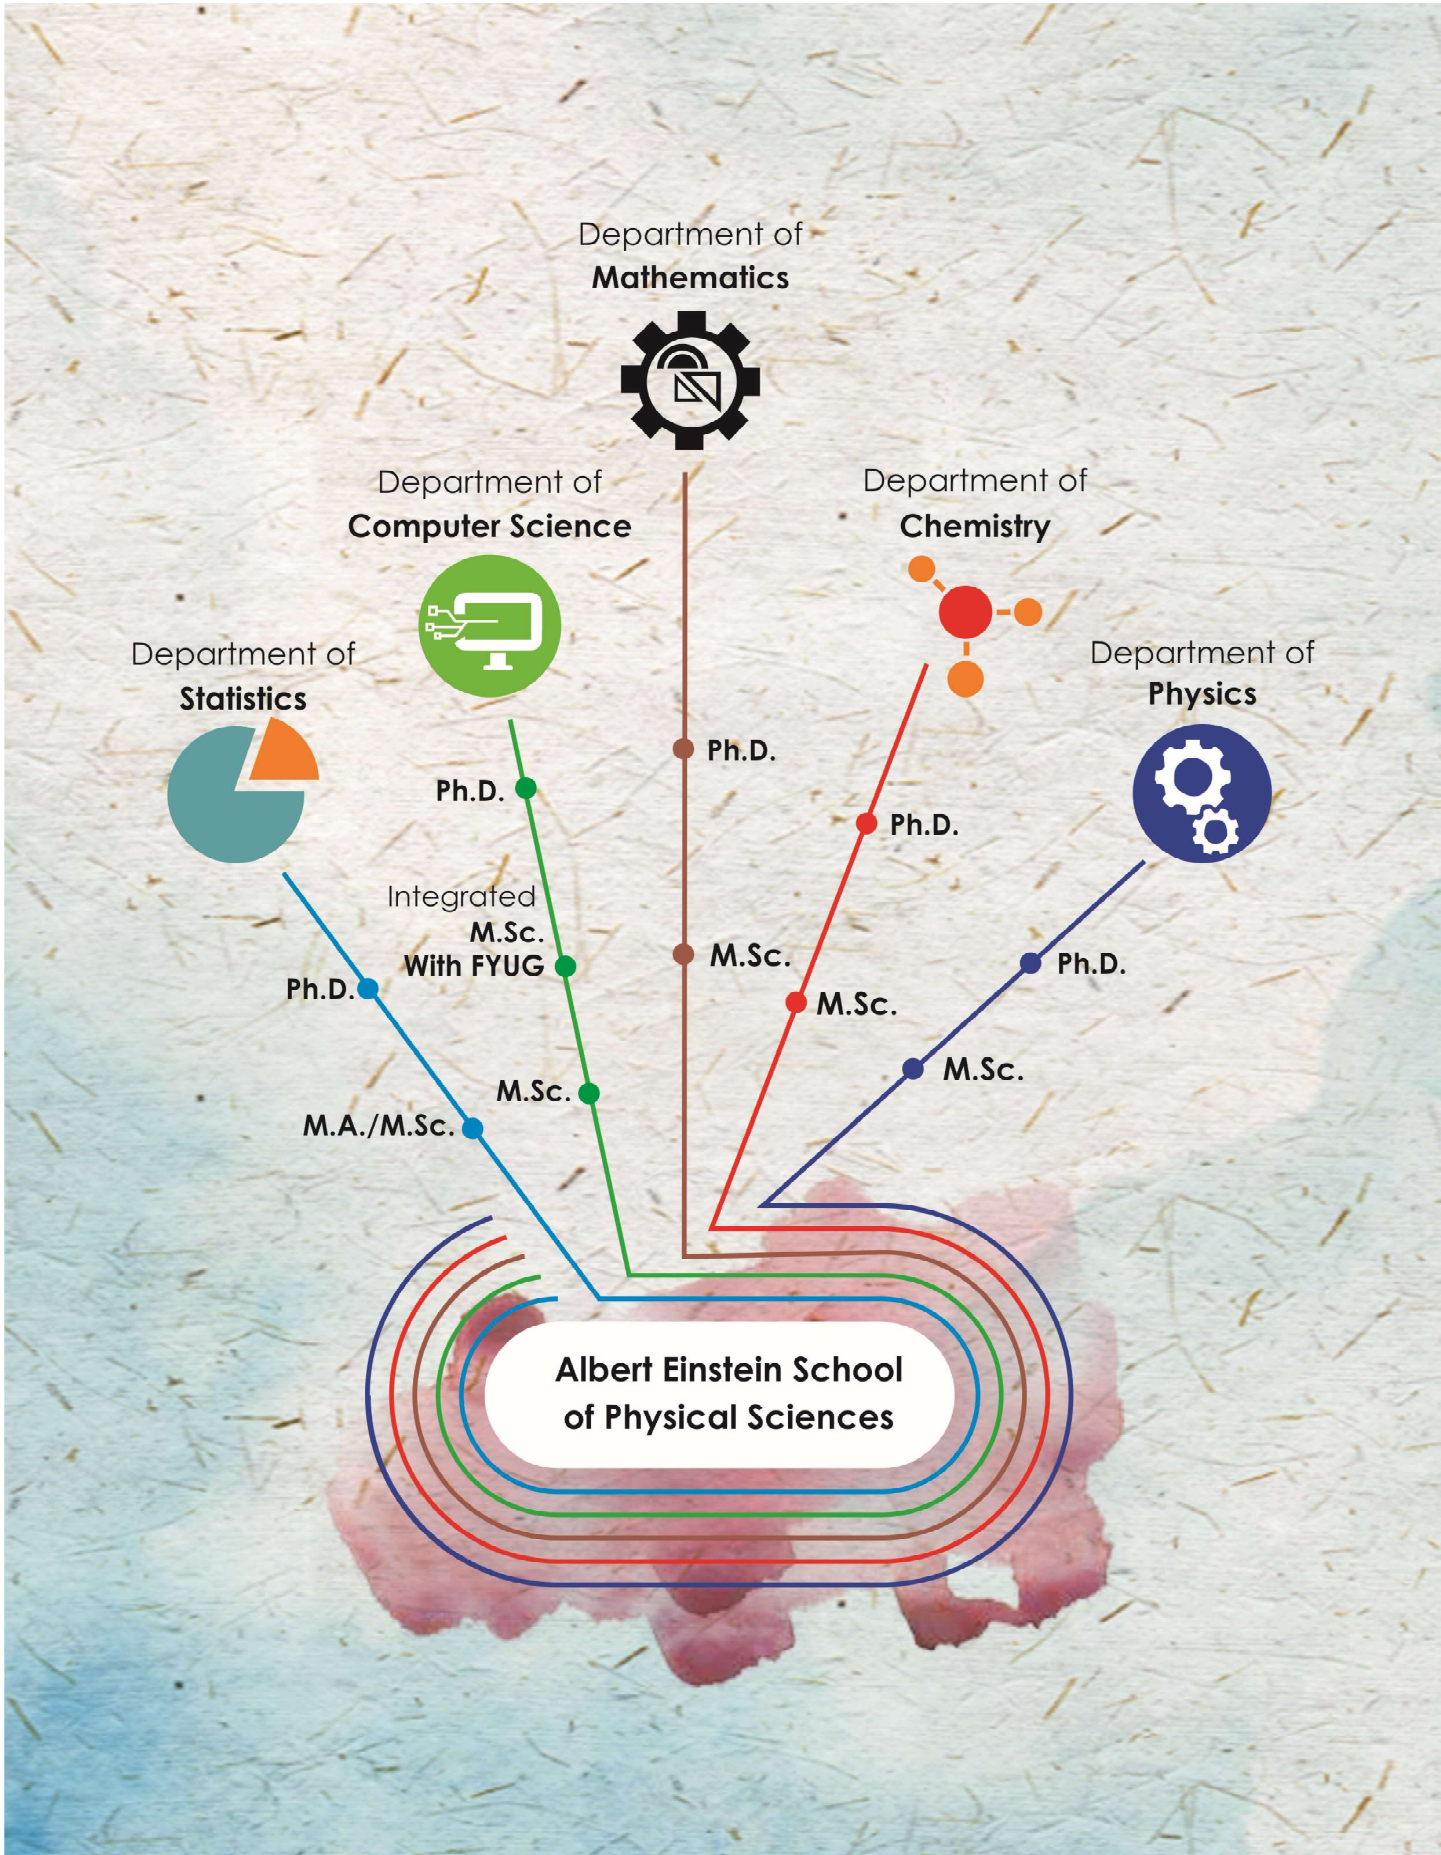

○ To develop leadership qualities, management efficiency and policy planning in the field of education.

○ To disseminate knowledge on the educational management among the graduate and educational practitioners.

○ To develop skills for identifying and solving the problems of educational institutions.

○ To develop skills in computer application in educational management.

○ To develop skills in the preparation of projects on educational planning and management and promote research in the related fields.

ALBERT EINSTEIN SCHOOL OF PHYSICAL SCIENCES

Department of Physics

The Department of Physics started functioning since the year 1996. The Department offers a four Semester M.Sc Programme (Two years duration) under new education policy (NEP-2020). The course is designed to train aspiring students to take up a career in Physics. Accordingly, the syllabus is structured into core, elective and open elective course papers, each with a specific purpose. The combination of elective papers gives students a first-hand experience of theoretical and/or experimental fields of Physics in advance stage. Research areas that are covered at present include- Astrophysics, Particle Physics, Cosmology, Chemical Physics (with application to bio-molecules), Nano-science and Atmospheric Physics. The Department possesses a number of sophisticated instruments that includes 16 inch Celestron Telescope, Astronomical CCD, Photometer, Ellipsometer, FTIR, UV visible spectrophotometer.

Vision: The vision of the department is to produce trained human resources to meet country's needs in future years and establish itself as a centre for academic Excellence.

Thrust Areas:

- Astrophysics and Cosmology
- Condensed Matter Physics
- Nano Science
- Atmospheric Physics

6.	PRADEEP KUMAR SHUKLA, Ph.D. pkshukla@ymail.com	Associate Professor	Chemical Physics, Computational studies of Complex Molecular Systems including Biomolecules
7.	BIDHAN MOHANTA, Ph.D. mbidhan@gmail.com	Assistant Professor	Nuclear Physics, Nano Physics, Biophysics
8.	SWARNADEEP BISWAS, M. Sc. swarnadeepbiswas@gmail.com	Assistant Professor	Electronics & Radio Physics
9.	MAHANANDA BARO, Ph.D. mahananda925458@gmail.com	Assistant Professor	Electronics, Carbon nanomaterials, Thin film based optoelectronic devices

Academic Collaborations: Following are the few Institutions, Faculty of Physics Department have academic collaborations.

- JNCASR, Bangalore
- Department of Astronomy University of Maryland USA,
- The Abdus Salam International Centre for Theoretical Physics (ICTP), Italy
- University of Valencia, Spain,
- University of Paris, France
- Harish Chandra Research Institute, Allahabad
- IUCAA Girawali Observatory, Pune
- IIA, Bangalore
- ARIES, Nainital
- Kobe University, Japan

USP of the Department (strength/uniqueness):

- Interactive research / research collaboration amongst the faculty and outside institutions.
- Research facilities available (infrastructure).

HEAD OF THE DEPARTMENT : PROF. B. INDRAJIT SHARMA

☎: (03842) 270 843 (O)/99457 09837

Physics Department Building

Research Scholar Computing Facility

Nano Lab: The laboratory is driven by the motive to synthesize high quality nonmaterial. It is equipped with necessary facilities required for nonmaterial synthesis.

Aryabhata Observatory: An Astronomical Observatory with various Telescopes is set-up in the Physics building for sky watching. It is open for public.

Department of Chemistry

The Department of Chemistry established in 1996 has been imparting training at advanced level of Chemistry in general for M. Sc students and Ph. D Scholars. The research interests of the faculty cover areas, like, Materials Chemistry, Surface Science, Liquid Crystals, Natural Products and Medicinal Chemistry, Theoretical Chemistry, Synthetic Organic Chemistry, Coordination and Bioinorganic Chemistry, Electrochemistry and Chemistry of Nanomaterials. The Department organizes Refresher's Courses, Workshops and Conferences with support from national level scientific organizations and societies. A number

of research Projects sponsored by UGC, DST, CSIR, DRDO, DBT, DAE, NRB, and BARC, have been undertaken by faculties. The Department has, already, been supported by DST-FIST and UGC-SAP programs. The Department is equipped with major scientific equipments, like, Powder-XRD, CHN Analyser, DSC, TGA, Polarizing Optical Microscope, ATR-FTIR, UV-visible Spectrometer, Fluorimeter, Electrochemistry Workstation, Impedance Analyzer, Tensiometer, Polymerase Chain Reaction (PCR), High Performance Cluster Computing (HPCC) etc. The Department is having a Computer Laboratory and Departmental Library.

Vision: To establish as model centre of excellence in the field of education and research in frontier areas of Chemical Sciences.

Thrust Areas: Materials Chemistry and Computational Chemistry.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.Sc.	Chemistry	B. Sc degree with Chemistry Hons having 55% marks and CUET score Intake: 45
2.	Ph.D.	Chemistry	Master Degree with at least 55% marks Intake: As per vacancy to be notified in due course.

Centre of Study: The Centre for Studies in Soft Matter, established under the aegis of the Department of Chemistry in 2009 under the UGC 11th Plan grant to enrich the academic and research pertaining to design, synthesis, characterization, physical properties and device application of soft materials. The purpose of the Centre is to provide a platform for study and research related to advanced arenas in Material Sciences which is one of the thrust areas of the Chemistry Department.

Academic Collaborations: Faculty members of the department have research collaboration with researchers of Intra- and Inter-Department of Assam University, various Indian and international Universities/Institutes.

USP of the Department:

- Experienced, young, motivated and dedicated faculties
- Sponsored research projects

* On Lien

HEAD OF THE DEPARTMENT : PROF. Sk. JASIMUDDIN

Department of Mathematics

The Department of Mathematics started functioning in the year 1994. The Department offers M.Sc., M.Phil., and Ph.D. programs in Mathematics. Academic activities of the Department apart from teaching and research include activities like organizing Seminars, Conferences, Workshops, Refresher Courses, Winter Schools, etc. for serving teachers and students. The Departmental Library is sponsored by the National Board for Higher Mathematics (NBHM), DAE, Govt. of India, Mumbai. The Department is also sponsored by UGC (SAP) and DST (FIST). The academic programmes are managed by a competent group of faculty members and backed by updated syllabi and a computer laboratory.

Vision: The vision of the department is to strive for higher academic and research excellence. The department aspires to produce quality mathematicians and scientists through high quality research who can serve the society in the fields of science and technology and allied branches.

Thrust Areas: Operations Research, Numerical Linear Algebra, Fluid Dynamics, Functional Analysis, Number Theory, Fixed Point Theory, Pattern Recognition, Biomathematics, Mathematical Modelling.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M. Sc.	Mathematics	Candidates who have passed TDC or equivalent examination with at least 45% in Major/ Honours or Pass in the respective subject are eligible for admission. All seats will be filled up on the basis of merit in the CUET-2023 to be conducted by NTA. However, upto maximum 50% seat shall be reserved for candidates graduated from Assam University affiliated colleges with provision of lateral migration based on merit. Candidates without CUET score shall not be considered eligible for admission. Intake: 58
2.	Ph.D.	Mathematics	Intake: As per vacancy to be notified in due course.

8.	VENKATARAO CHUKKA, Ph.D. vraochukka@gmail.com	Assistant Professor	Fluid Dynamics, Mono and Hybrid Nano fluids, Convective Instabilities, Spectral Methods

Academic Collaborations: Most of the faculty members of the department are actively collaborating with leading researchers of various national and international institutions.

USP of the Department: NBHM, DAE, Govt. of India funded library of the department is self-sufficient and it contains more than 4000 books to cater the needs of students, teachers and researchers.

PLACEMENT: Alumni of the Department of Mathematics, Assam University are now serving as faculty members/researchers in universities, colleges and research institutions in different parts of the country and also in several industrial organizations. Quite a few of the former students of the department have also qualified in competitive examinations like GATE, NET, JRF, GRE etc. and are pursuing research in India and abroad.

HEAD OF THE DEPARTMENT : PROF. SANJIB SENGUPTA

Department of Statistics

The Department of Statistics started functioning from July, 2014. The mission of the Department is to establish itself as a leading department in attaining excellence in teaching, research and training in applications of statistical techniques in different fields of knowledge. The department is at its initial stages but has joined the main stream of the university through activities like conducting of workshops, seminars, data analysis consultancy and external collaboration with organizations like the Indian Statistical Institute, Ministry of Statistics and Programme Implementation (MoSPI), Indian Council of Social Science Research, Chiltern International etc. The department possess fully air conditioned computer laboratory, airy classrooms in a serene setting, uninterrupted projection facility, public address system, licensed version of SPSS 23, Systat 13, Statcraft etc along with online teaching facility and separate sitting facility for research scholars. The basic objective of the M.A. / M. Sc. programme in Statistics is to produce postgraduates with sound knowledge in the major areas of statistical methodology, with a solid foundation on theoretical principles obtained through rigorous practice. The department also offers Ph.D. programme in Statistics. The basic objective of the Ph.D. programme is to enhance both pure and applied research in the field of Statistics and Statistical Sciences.

Vision: 1. To produce post-graduates in Statistics who have a sound knowledge of the major areas of statistical methodology, with a solid foundation on theoretical principles attained through rigorous practice

2. To improve and strengthen Statistical Services to the entire research community of the University and beyond

3. To contribute to the advances of science and technology through interdisciplinary research

4. To contribute towards improvement of the research and educational environment of the department and university by conducting programmes that enhance statistical thinking

5. To aim at all round development of the researchers of the university in general and Statistics in particular by providing training in data analysis

Thrust Areas: Statistical Graphics, Business Analytics, Cricket Analytics, Data Mining, Distribution Theory, Biostatistics, Medical Statistics, Bayesian Inference, Operation Research and Reliability theory.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake

Department of Computer Science

The Computer Science Department offers a Four Year Undergraduate (FYUG) leading to M. Sc. (Integrated) Five Year Programme in Computer Science. The Department also offers a 2 Year M. Sc. in Computer Science and Ph. D. Programme. The Ph. D. Programme in Computer Science offers students the possibility of doing intensive research in the areas of Computer Science.

Vision: Department of Computer Science aspires to produce qualified and skilled human resource in Computer Science and contribute to regional and national growth through education and research.

Thrust Areas: Artificial Intelligence, Machine Learning, Natural Language Processing, Image Processing, Data Mining, Soft Computing Techniques, Computer Networks and Security, Computer Architecture, Algorithms

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	Four Year Undergraduate Programme (FYUG) leading to Five Year Integrated M. Sc. in Computer Science	Computer Science	<p>Candidates who have passed the HS examination (10+2) in Science stream with Physics and Mathematics (in combination with any other science subjects) with at least 50% marks in aggregate are eligible for admission into the first semester of Four Year Undergraduate (FYUG) leading to M. Sc. (Integrated) 5-year Programme in Computer Science.</p> <p>Eligibility for promotion of students with three years undergraduate degree to the 7th Semester of the M. Sc. (Integrated) 5-year Programme (i.e. in the first semester of the PG level of the 5-year M. Sc. Integrated Programme): A student has to pass in all the papers up to the 6th semester of the Four Year Undergraduate Degree Programme and has to successfully complete the undergraduate degree of three years duration under the provisions of NEP 2020.</p> <p>Eligibility for promotion of students with four years undergraduate degree to the 9th Semester of the M. Sc. (Integrated) 5-year Programme (i.e. in the third semester of the PG level of the 5-year M. Sc. Integrated Programme): A student has to pass in all the papers up to the 8th semester of the Four Year Undergraduate Degree Programme and has to successfully complete the undergraduate degree (Honours with Research) under the provisions of NEP 2020.</p> <p>Relaxation in eligibility is as per GOI rule. Merit of the candidates will be on the basis of NTA-CUET score.</p> <p>Intake: 40</p>
2.	M.Sc. 2-year (Four Semester) Through lateral entry	Computer Science	<p>Students who have passed a B. Sc. (Major) degree in Computer Science with at least 50% of marks from a University recognized by UGC OR Students who have passed a B. Sc. (Pass) degree with Computer Science and Mathematics as compulsory subjects with at least 50% of marks from a University recognized by UGC OR Students who have passed a Bachelor in Computer Applications (BCA) degree with at least 50% of marks from a University recognized by UGC and also have passed the Higher Secondary / (10+2) level examination in Science Stream with Mathematics and Physics as compulsory subjects OR Students who have passed a Bachelor in Information Technology with at least 50% of marks from a University recognized by UGC and also have passed the Higher Secondary / (10+2) level examination in Science Stream with Mathematics and Physics as compulsory subjects. All seats will be filled up on the basis of merit in the CUET-2023 conducted by NTA. However, upto maximum 50% seat shall be reserved for candidates graduated from Assam University affiliated colleges with provision of lateral migration based on merit. Candidates without CUET score shall not be considered eligible for admission.</p> <p>Intake: 20</p>
3.	Ph. D.	Computer Science	<p>M.Sc. (Computer Science) with B. Sc. OR MCA with B.Sc. OR M. Tech. with B. Tech. in Computer Science, Electronics, Electrical Engineering, Information Technology OR M. Sc. (Physics, Mathematics) with Computer Knowledge.</p> <p>Intake: As per vacancy to be notified in due course.</p>

* Provision exists for lateral exit after six semesters with a B. Sc. Degree in Computer Science.

HARGOBIND KHURANA SCHOOL OF LIFE SCIENCES

Department of Life Science and Bioinformatics

The Department of Life Science and Bioinformatics (previously Department of Life Science) was established in the year 1996. The department is the first in the university to be awarded the Special Assistance Programme by UGC in 2007 and subsequently upgraded to DRS-II in 2013. The department was also recognized under the DST-FIST Programme for infrastructure development in 2008. Under the initiative of faculty members, the Department of Biotechnology, Govt. of India has established Bioinformatics Centre and Institutional Biotech Hub in the department. The faculty members have received research experiences from overseas institutions National Institute of Health (USA), University of California, Barkley (USA), University of North Carolina, Chapel Hill (USA), Oklahoma State University, Stillwater (USA), University of Dusseldorf (Germany), Liverpool John Moores University (UK), University of Chicago (USA), Cleveland Clinic (USA), Slovak University of Agriculture (Slovakia) and many others. The faculty members of the department are actively involved in research in their respective field of specializations and expertise and effectively published research papers and articles in high impacted journals of international repute. The department has also organized several national and international workshops, seminar, conferences and webinar with the aim to disseminate the knowledge in the upcoming areas of biological sciences. The students passing out from the department are placed in various universities, colleges and research institutes both in India and abroad. The faculty members of the department have received several research projects funded by governments agencies such as DBT, DST, SERB, NTRF, UGC, CSIR, JSPS, etc. The students of the department have cleared national examinations such as CSIR-NET GATE, etc. During the first NAAC visit of the university in 2008, the Department of Life Science and Bioinformatics was declared as Flagship Department of the University.

Vision: *"Unveiling Excellence in the Field of Biological Sciences"*

Thrust Areas: The thrust areas of the department include Mammalian Molecular Cell Biology, Cancer Biology, Metabolomics, Ethnobotany and Medicinal Plants Research, Drug Discovery, Toxicology & Conservation, Aquatic Toxicology, Remediation, Molecular neurobiology, Computational phytochemistry, Plant Taxonomy and Biosystematics, Microbial Biotechnology, Reproductive Biology, Abiotic Stress Tolerance in plants, Agricultural Sciences, Extremophiles, etc.

Programmes of Study:

Bioinformatics and Computational Biology Centre Formerly Bioinformatics Centre (DBT-BIF)

Bioinformatics and Computational Biology Centre, Assam University, Silchar is the continuation of Bioinformatics Centre (DBT-BIF) established in 2008. Based on the performance of past years, Department of Biotechnology (DBT), Govt. of India has granted continuation of the centre in the new name and style as **Bioinformatics and Computational Biology Centre**. Out of 176 centres operating in the whole country only 66 centres have been given continuation and from 28 centres operating in the North East India only 3 centres have been allowed to continue of which this centre is one. It is an independent centre under School of Life Sciences with full financial assistance from Department of Biotechnology, Govt. of India. Centre is running Post Graduate Diploma in Bioinformatics (PGDBI) Course of 1 year (2 semester) duration. Till date thirteen batches of students have already completed the course. The 14th batch is on the roll. The main aim of this course is to create skilled manpower in the field of Bioinformatics. The main thrust area of research of the centre is Computer Aided Drug Designing. The centre has special Journal access facility under DBT's e-Library Consortium (DeLCON). 1137 nos. of high impacted and peer reviewed journals are accessible from the centre. The centre has extended this facility to whole of Assam University and to 02 affiliated colleges.

Achievement: As per DBT, Govt. of India Ranking, Bioinformatics Centre of Assam University was ranked **fifth (5th)** in publications in the field of Bioinformatics among all the Bioinformatics Infrastructure Facilities in different Universities in India in **2015**. The rank was **1st** and **4th** in 2014 and 2013 respectively. The Centre has a strong Alumni connect.

Course Offered: (a) PG Diploma in Bioinformatics (Self financing, **Add-On Courses**). Students and Research Scholars pursuing Post Graduate, M.Phil and Ph.D. are eligible to take up the course simultaneously with their regular course of study. (**Classes are conducted on Saturdays, Sundays and during vacations**).

(b) **Certificate Course in Bioinformatics for Foreign Students**

Intake: 25

Eligibility Criteria: Graduate in any Science subject from a recognised University or a graduate in engineering, Technology, Pharmacy, Veterinary Science, Fishery Science, Medicine or Agriculture are eligible for the Post Graduate Diploma in Bioinformatics Programme. Candidates appearing for Degree (Final Year) Examination in the above-mentioned subjects are also eligible to apply for admission.

Duration: One Year (Two semesters).

Intake : 30

Subject to approval of competent authority the centre has a plan of initiating M.Sc. Bioinformatics course of 80 credits with option for lateral exit and entry as per NEP-2020 guideline in self finance mode from the session 2023-2024. M.Sc. Bioinformatics course shall have provision for two academic programme simultaneously to fulfill the objectives of NEP.

Email: auniysilchar.btisnet@nic.in, **Website:** www.bioinfoaus.ac.in

Department of Microbiology

The department of Microbiology was established in the year 2009. The main objective and focus of the department are to guide and impart innovative education to provide trained and efficient microbiologist to the society. The department endeavours to specialize its student in distinct areas of Microbiology. The department is well equipped with modern and sophisticated instruments like QPCR, DGGE, DFGE, gradient thermal cycler, gel documentation system, high speed refrigerated centrifuge, UV-spectrophotometer, fermentor, water purification system, environmental shaker, deep freezer (-50° C), blotting apparatus, bio-safety cabinets and high-quality research microscopes. Faculty members of the department are having various projects funded by DBT, DST, UGC etc. Various reputed papers are being published time to time in high general impact by the faculty members.

The course contents have been kept as per UGC guidelines and support competitive exams like UGC-CSIR NET/ DBT-JRF/GATE/IMCR-JRF/ICAR-JRF. The department is also involved in conducting seminars, quiz and NET counselling, group discussions to enrich the knowledge and to motivate students for appearing in competitive examinations of National and International levels. Guest lectures are regularly held by inviting distinguished academicians, scientists of international repute from various esteemed institutes, universities and industries. The department encourages the students to establish new methodologies and encourages innovative ideas.

Vision: The goal is to transform the Department of Microbiology into State of the Art facility. Department's mission is to provide world-class microbiology education and produce quality microbiologists per international standards to meet the growing demand for microbiologists.

Thrust Areas: Soil and Environmental Microbiology, Plant -Microbe Interaction, Genomics, Bioactive Molecules and Drug Discovery, Molecular Parasitology, Antimicrobial Resistance (AMR), Medical Microbiology, Gut Microbiota and Veterinary Microbiology.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.Sc.	Microbiology	Candidates who have passed TDC(Science) examination with at least 45% marks in major/Honours or pass course in Microbiology, Zoology, Botany, Biotechnology or Life Sciences B.Sc. MBBS, B. Pharma & B.Tech/B.E. are eligible for admission. Intake: 25
2.	Ph.D.	Microbiology	Candidates who have passed M.Sc with at least 55% marks in Microbiology, Biotechnology, Life Sciences, Botany, Zoology and Allied subjects are eligible for admission. Intake: As per vacancy to be notified in due course.

Department of Biotechnology

The Department of Biotechnology offers M.Sc., M.Phil., Ph.D. and D.Sc. programmes in Biotechnology. The Master Degree program of the department was started in July 2004, and is of two-year duration. The Choice Based Credit System (CBCS) was adopted from July 2010 onwards. Core courses as well as advanced courses like Genetics, Molecular Biology, Biochemistry, Immunology, Microbiology, Bioinformatics, Genetic Engineering, Plant Biotechnology, Animal Biotechnology and Medical Biotechnology are covered. The M.Sc. final semester students also undertake a short term research project towards completion of the programme. Our main goal is to impart hands-on-practicals in six different laboratories:

1. Biochemistry, 2. Animal Cell Biology and Immunology, 3. Molecular Biology, 4. Microbial Technology, 5. Plant Biotechnology, and 6. Bioinformatics and Genomics.

The departmental faculties are actively involved in research in the broad areas of Molecular Biology, Cancer Biology, Plant Biotechnology, Immunology, DNA Barcoding, Genomics, Genetics and Bioinformatics. Department has several research projects on cancer genomics, DNA Barcoding, Methanogenomics, Molecular Characterization of Nitrogen Fixing Bacteria, Plant Biotechnology etc. The department is equipped with a small animal house, and state of the art equipments such as deep freezer (-20°C & -80°C), gradient and personal thermal cycler, real time PCR equipment, gel documentation system, animal cell culture and plant tissue culture facilities, automated DNA sequencer etc. These facilities are available to M.Sc., M.Phil. and Ph.D. students. Students actively participate in the seminars and workshops conducted at both university and national levels. They are also encouraged to participate in co-curricular activities at university level.

Vision: To train human resource in Biotechnological methods of international standard so as to produce manpower who can cater to the increasing demand for services and entrepreneurs in the biotechnology sector at national level, as well as to provide consultancy for industry, agriculture, healthcare and environment.

Thrust Areas: Molecular medicine, DNA barcoding, Plant molecular biology, Microbial molecular biology, Natural products & biomedicine, Plant genetics, QTL mapping in plant, Sequence based DNA analysis, Quantitative genetics, miRNA prediction, Molecular oncology, Physiology and Cancer biomarkers

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.Sc.	Biotechnology	Candidates who have passed B.Sc. (Biotechnology, Microbiology, Botany, Zoology, Bioscience/ Life Science, Biochemistry and Agriculture) with at least 60% (55% for SC/ST) marks in aggregate are eligible for admission to M.Sc. (Biotechnology) Course. However, the candidate must score qualifying marks in written test, as decided by the Departmental Admission Committee during the time of admission test. Intake: 25
2.	Ph.D.	Biotechnology	As per university norms. Intake: As per vacancy to be notified in due course.
3.	D.Sc.	Biotechnology	As per university norms.

JAWAHARLAL NEHRU SCHOOL OF MANAGEMENT STUDIES

Department of Business Administration

The Department of Business Administration under the Jawaharlal Nehru School of Management Studies, Assam University (JNSMS-AU) started functioning in July 1997. The mission of the J.N. School of Management Studies is to contribute through innovative academic endeavours pertaining to teaching, research, consultancy and training to the development of capable managerial and human resources and thereby to the corporate, industrial, economic, social, intellectual and cultural development of India. To accomplish its mission, JNSMS-AU offers through the Department of Business Administration a full-time Master of Business Administration (MBA) programme, and also a research programme in Management leading to the degree of Doctor of Philosophy (Ph.D.).

Vision: To establish itself as one of the premier institutions of management in India.

Thrust Areas: Marketing Management, Human Resource Management, Financial Management, Operations Management.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.B.A.	Business Administration	Candidates with a Bachelor's degree in any discipline with 60% marks or equivalent CGPA are eligible for admission. Relaxation in Minimum eligibility will be as per GOI guidelines. Seats will be filled on the basis of merit in the Composite Score of CUET-2023/CAT/XAT/CMAT score, GD & PI. The scores of the CUET-2023/CAT/XAT/CMAT tests shall be valid for one year from the date of declaration of the results. CUCET 2023 Scores shall be valid for 2024 admissions. Intake: 75
2.	Ph.D.	Business Administration	As per UGC Norms Intake: As per vacancy to be notified in due course.

The detailed admission guidelines and other courses offered by the Department are available in the departmental Prospectus 2023.

Separate prospectus is available for MBA Programme 2023-2024

Department of Hospitality & Tourism Management

The Department of Hospitality and Tourism Management under the Jawaharlal Nehru School of Management Studies, Assam University started functioning in the year 2020 with a mission to develop quality human resources for Hospitality, Tourism and allied services and also to develop the students to be the business leader/entrepreneur of the future. The department strives to nurture professional and managerial excellence, moral and ethical responsibility, social and cultural sensitivity with an approach towards excellence, innovation and value for others to keep pace with the changing scenario of the country. To accomplish its mission the Department of Hospitality and Tourism Management offers full time MBA in Hospitality and Tourism Management (MBA-HTM) programme and also offers PhD programme in Hospitality and Tourism Management.

Vision: To strive hard to become global center for excellence in hospitality & Tourism education.

Thrust Areas: Hospitality, Tourism.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	MBA-HTM	Hospitality and Tourism Management	A candidate having a bachelor degree in any discipline with at least 55% marks or equivalent CGPA is eligible to apply. (Relaxation of marks in case of the candidates belonging to reserved categories will be as per GoI rules). All seats will be filled up on the basis of merit in the CUET- 2023 to be conducted by NTA. However, up to maximum 50% seat shall be reserved for candidates graduated from Assam University affiliated colleges with provision of lateral migration based on merit. Intake: 20
2.	Ph.D.	Hospitality and Tourism Management	Candidates for admission to the Ph.D. programme shall have a Master's degree or a professional degree declared equivalent to the Master's degree with at least 55% marks in aggregate, or its equivalent grade or an equivalent degree from a foreign educational institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized, by an authority established, recognized or incorporated under a law in its home country or any other statutory authority in that country empowered for assessing, accrediting or assuring quality and standards of educational institutions. (Relaxation of marks in case of the candidates belonging to reserved categories will be as per GoI rules). Intake: As per vacancy to be notified in due course.

E. P. ODUM SCHOOL OF ENVIRONMENTAL SCIENCES

Department of Ecology and Environmental Science

The Department established in 1996, the department offers Master Degree (MSc), and Ph.D. programmes. Ongoing researches in the department include areas like natural resource management, biodiversity conservation, rivers, wetlands, forests and agro-ecosystems, algal ecology, wildlife ecology, environmental pollution, biofuel, carbon sequestration, mapping natural resources through RS and GIS, plant ecology, phytotaxonomy, ethnobotany, and medicinal plants conservation and management. Over the

years, the department has established collaboration with various national level institutes. The department is supported by the UGC Special Assistance (DRS-I and DRS-II) and DST-FIST programmes. The department has been granted a 'Centre for Biodiversity and Natural Resource Conservation' by UGC under XIth Plan. An Ornamental Fish Hatchery Unit has been established and maintained in the department with support from CIFA and Govt. of Assam. The alumni of the department are placed in responsible positions in India and abroad rendering meaningful contributions in different spheres of life including environment.

Vision: To achieve academic excellence in environment education and explore sustainable solutions, enhance informed and active participation of individual in the protection of environment and rational uses of natural resources.

Thrust Areas: Algology, lichenology and Environmental Biotechnology, Plant Ecology Ethnobotany and Conservation of Medicinal Plants & Management, Environmental Monitoring and Management; Forest and Agricultural Biodiversity and Ecology, Remote Sensing and GIS applications, Wildlife Conservation Ecology.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake

CENTRE FOR BIODIVERSITY AND NATURAL RESOURCE CONSERVATION

Biological diversity is fundamental to the fulfilment of human needs. An environment that is rich in biological diversity, offers the broadest array of options for sustaining human welfare and for adapting to changes in the environment. The Barak Valley falling in Assam in Northeast India belongs to the Indo-Burma Hotspots and is one of the most biologically diverse regions in the country. Barak Valley constitutes 8.9% geographical area of the state covering an area of 6922 sq km. the land use/land cover area of the valley may be characterized by its semi evergreen and evergreen forests, agricultural land, and tea plantations. Barak Valley has 12 Reserve forests, (RFs) and two Wildlife Sanctuaries (WLS). The Valley is richly endowed with plant and animal resources, which need to be managed on a sustainable basis to serve as the main driver of development in the area. The sustainable development of any area depends on the proper utilization of its natural resources.

The Centre for Biodiversity and Natural Resource Conservation attached to the Department of Ecology & Environmental Science is mandated to carry out research works pertaining to biodiversity conservation and its scientific management of the natural resources of the valley.

Aim and Objectives of the Centre

- To study the ecology and conservation of flora and fauna of North-Eastern Region.
- To study the landscape ecology of Barak Valley.
- To study the natural resource utilization pattern and management by the different communities of North-Eastern Region.

TRIGUNA SEN SCHOOL OF TECHNOLOGY

Department of Agricultural Engineering

The Department of Agricultural Engineering started its journey in the year 2006. The detailed course structures and syllabi for the undergraduate (B.Tech.) and postgraduate (M.Tech.) courses are designed considering the AICTE guidelines and also updated from time to time. The course structures focus to meet the requirements of National level competitive examinations (GATE, NET, ARS, IFS, Teaching & Technical and Banking etc.), National and Regional Level Industries and Software etc.

Vision: To develop agricultural engineering professionals, create and

disseminate knowledge, and promote the application of engineering principles to meet societal needs with respect to agricultural, farm mechanization, irrigation, soil and water conservations, aquaculture, agricultural processing and natural resource systems etc.

Thrust Areas: Soil and Water Conservation Engineering, Food Engineering and Food Industry Management, Farm Implements and Machinery, Aquaculture Engineering, Remote Sensing and GIS, Tea Processing Technology, Renewable Sources Energy and Utilization.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	B. Tech.	Agricultural Engineering	As per (JEE Main) conducted by the C.B.S.E. Intake: 60
2.	B. Tech. B. Voc. Programme (FP and FMPT)

Bachelor of Vocation (B. Voc.) Programme started in the Assam University, Silchar in December, 2015 in (i) Food Processing, and (ii) Farm Machinery and Power Technology disciplines. It was initially sponsored by UGC and continues as self-financing system from the academic session 2019-2020 onwards. B. Voc. Programme is a skill development based full time 3 year (6 semesters) degree course with work-ready skill levels under National Skill Qualification Framework (NSQF) such as,

- (i) Certificate (at the end of 1st semester, NSQF level4)
- (ii) Diploma (at the end of 2nd semester, NSQF level5)
- (iii) Advanced Diploma (at the end of 4th semester, NSQF level6)
- (iv) B. Voc. Degree (at the end of 6th semester, NSQF level7)

NODAL OFFICER (B. VOC.) : DR. CHETAN B. KHOBRAGADE

☎: 99572 00379

Department of Computer Science & Engineering

The Department has grown based on the following points during the years of its existence:

1. The teaching process is designed by the recent trends of the technological perspective, and the syllabus is regularly updated based on the current structure in Computer Science and Engineering as approved by the All India Council for Technical Education (AICTE).
2. The Department mainly focuses on excellence, innovation, and interdisciplinary research.

3. The Department is creating a knowledge-sharing environment with the collaboration of other reputed institutes and research centers in India and abroad.

4. The Department has an intense Training and Placement cell, providing an accurate employment path. Moreover, Department is conducting skill-based training programs with the collaboration of eminent academicians and industry experts.

5. Well-equipped laboratory facilities are available for the students, researchscholars and faculty members for doing technological oriented and scientific research work. The laboratory facilities are available 24x7.

6. The Department has formed a student mentoring system to help the students in their academic activities.

Vision:

Meet the changing needs of the society by: 1. Building a tradition of innovation.

2. Enabling students to discover and apply knowledge for the benefit of society.

3. Solving problem with interdisciplinary collaboration.

Thrust Areas: Artificial Intelligence and Soft Computing, Speech Processing, Natural Language Processing, Trust and Reputation, Image Processing, Hyperspectral Image Processing, Communication and Signal Processing, Mobile Computing, Cognitive Radio Network, Network and Information Security, Data Mining, Ad-hoc Networks, Quantum computing, Reversible Computing, Information Retrieval, Network On Chip.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	B. Tech.	Computer Science & Engineering	10+2/ Higher Secondary & Joint Entrance Examination Main (JEE Main) conducted by NTA. Admission is regulated by Central Seat Allocation Board (CSAB) through all India Counselling based on the all-India Rank of a candidate in the JEE-Main. NB: Candidates are advised to follow CSAB instructions. Intake: 60
2.	B. Tech. (Lateral Entry) (3 years)	Computer Science & Engineering	10+3/10+2+2/10+2+3 Years Diploma in Computer Science Engg./ Information Technology discipline with minimum 60% (55% for SC/ ST/PwD and 54% for OBC-NCL) marks in qualifying diploma. Academic Collaborations: Internship programme/Training programme/research work with NIT Patna, IIT (ISM) Dhanbad, NIT Silchar, West Bengal University of Technology (MAKAUT), Jadavpur University, Kalyani University, APT Software Avenues Pvt Ltd, Bhawan Institute of Management Science Kolkata, West Bengal State University, CDAC Silchar, INTERNSALA, , InsAnalytics Ltd. Kolkata, Indian Statistical Institute (ISI) Kolkata, IIT Guwahati, Drivers4Me, BSNL Silchar, Trilltale Technologies Pvt. Ltd, ONGC, RCPL, Naresh IT, Hyderabad

USP of the Department (a one-line summary of the Department's strength/uniqueness): The strengths of the Department are:

- Student admission policy
- Highly focused teaching-learning process
- Holding of induction program for new incumbents.
- Conducting industry talks and seminars on a regular basis.
- Students are actively involved in organizing and participating in different activities beyond their course curriculum.

As a result, the department is doing well in placement, research output and internal revenue generation.

Department of Electronics and Communication Engineering

The Department of Electronics & Telecommunication renamed as Department of Electronics & Communication Engineering vide EC resolution no EC: 101:04 -15:24.4 was established in 2011. The primary objective of the department is to impart quality education and training in the various fields of Electronics & Communication Engineering to meet the requirements of well-skilled engineers in the region as well as in the country and abroad. The department offers courses, which are industrial as well as research-oriented. Some of the Graduates of this department have been working in reputed corporate firms like Cadence, IBM, BSNL, etc. and some are pursuing higher studies in NITs and IITs. Many Multinational Companies providing Consulting and Technology Services like Capgemini, Cognizant, etc. also participated in the on-campus placement program of the University recently and offered placements to the students of the department.

Vision: The department has a clear vision to provide a vibrant and optimum learning environment to students in order to help them excel in today's competitive environment. To keep pace with the current technological trends, the department has a well-designed, constantly reviewed AICTE-recommended syllabus for B.TECH and M.TECH courses to incorporate all advancements in existing and emerging technologies which give students a holistic and pragmatic view of the present scenario of the Electronics and Communication industry.

Thrust Areas:

The primary focus areas of the Department are:

- Basic Electrical & Electronic Components and circuits
- Digital Electronic Circuit Design & Synthesis
- Analog and Digital Communication Engineering
- VLSI and Embedded System Design
- Digital Signal Processing
- Microwave Engineering
- Xilinx ISE tool & FPGA

- Microprocessor & Microcontroller

Primary Research Area

- VLSI Interconnects
- Nanoelectronics and Nanotechnology
- MEMS/NEMS Technology
- Speech Processing
- Data Mining
- Image & Video Processing
- Pattern recognition
- Computer Vision
- Bioelectronic

Department of Applied Science and Humanities

The Department as one among the departments under Triguna Sen School of Technology, Department of Applied Science and Humanities participates in B.Tech and M.Tech programmes by offering courses in Applied Mathematics, Applied Physics, Applied Chemistry, and Professional Communication & Humanities .

Vision: The courses offered by the department encourage the applications of scientific knowledge, strengthen the conceptualized frameworks, lay strong foundation, imbibe core essentials, and bring forward comfort in communication in the field of Applied Science and Humanities. With an orientation of interdisciplinary learning, the department aims to promote practical aspects of Applied Sciences and Humanities to build a solid foundation as part of the Engineering Education.

Thrust Areas: Engineering Mathematics, Engineering Physics, Engineering Chemistry, Communication Skill.

Faculty Profile:

Sl. No.	Name & Email ID	Designation	Area(s) of Specialization

Separate prospectus of Triguna Sen School of Technology is available for more information regarding eligibility, admission criteria and intake capacity of B. Tech and M. Tech programmes.

The Department of Pharmaceutical Sciences under the Sushruta School of Medical and Paramedical Sciences at Assam University (A Central University), Silchar, initiated the Bachelor of Pharmacy (B. Pharm.) programme in August 2010. The Department started a full-fledged B. Pharm. programme in the 2011-2012 academic year to provide students with a quality education and professional training in the sector. The primary objective of the Department is to deliver programmes that are applicable to the current standards and issues in pharmaceutical education and research. This is done to provide trained technical manpower in the field of pharmacy, mostly for the southern region of North-Eastern India. The Department is demonstrating its expertise in bridging the gap between academia and industry through a variety of on-campus recruiting efforts, the implementation of industrial training in reputed pharmaceutical industry for the students, the organization of national seminars and conferences, and invitation of renowned industry figures to deliver quality lecture. In addition, the Departmental undergraduates receive numerous prestigious accolades and medals in both academic and extracellular endeavors, such as international yoga competitions, etc., on a global scale. Several research initiatives supported by many funding organizations are also undertaken in the Department. The location of the Department offers a barrier-free environment for everyone's holistic development.

Vision: ○ To position the Department of Pharmaceutical Sciences as a premier national hub for pharmaceutical and healthcare research and education, able to meet the global needs of both business and academia via exemplary career achievements.

○ To position the Department as the world's leading organization for collaboration, research, and entrepreneurship as well as for value-added academic leadership.

Thrust Areas: ➤ Formulation and development of various novel drug delivery system.

➤ Computer-Aided Drug Design (CADD), synthesis of lead molecules, lead optimization, in silico ADME and toxicity modeling.

➤ Molecular pharmacology to understand the mechanism of drug action.

➤ Methodology development of bioactive molecules and natural product-based drug discovery.

➤ Ethnic Medicinal plant research, Medicinal Plant Garden exploration.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	Bachelor of Pharmacy (B. Pharm)	Pharmaceutical Sciences	Candidates who have passed 10+2 level examination with individual pass marks in Physics, Chemistry, Mathematics or Biology both in theory and practical and 50% aggregate marks in the above subjects are eligible for admission. Relaxation in eligibility is as per GOI rule. Merit of the candidates will be based on NTA score. Intake: 50
2.	Master of Pharmacy (M. Pharm)	Pharmaceutical Sciences	A pass in the following examinations - a) B. Pharm degree examination of an Indian University established by law in India from an institution approved by Pharmacy Council of India and has scored not less than 55% of the maximum marks (aggregate of four years of B.Pharm). Provided that - a) there shall be reservation of seats for the students belonging to the Scheduled Castes, Scheduled Tribes and Other Backward Classes in accordance with the instructions issued by the Central Government/State Government/ Union Territory Administration, as the case may be, from time to time. b) For SC/ST candidates the prescribed percentage of marks will be 50% of the maximum marks (aggregate of four years of B.Pharm). c) Every student, selected for admission to postgraduate pharmacy course in any of the pharmacy institution in the country should have obtained Registration with the State Pharmacy Council or should obtain the same within one month from the date of his admission, failing which the admission of the candidate shall be cancelled. Merit of the candidates will be based on admission test. Intake: Pharmaceutics - 8 Pharmaceutical Chemistry - 8
3.	Ph. D (Pharmacy)	Pharmaceutical Science	Candidates who have passed M. Pharm. / MS (Pharm.) / M Tech (Pharm) examination with 55% marks from Pharmacy Council of India (PCI) recognized institute are eligible for admission. Relaxation in eligibility is as per GOI rule. Merit of the candidates will be based on admission test, Personal interview. Intake: As per vacancy to be notified in due course.

ARYABHATTA SCHOOL OF EARTH SCIENCES

Department of Earth Science

The Department was established in 2009 and has been supported by DST-FIST in 2021. Along with the Master of Science programme in Applied Geology, the department offers Ph.D. programme in Earth Science (Geology) with an aim to carry out high-quality scientific research in the identified thrust areas of the discipline. The course structure of M.Sc. (Applied Geology) is devised as per NEP-2020 with up-to-date contents of the curriculum, will provide mileage to the students for qualifying competitive examinations like UGC-CSIR NET/JRF and GATE etc. The department is equipped with smart class rooms, computer laboratory and departmental library. The laboratories are furnished with basic and advanced equipments including Leica Petrological and Stereo-zoom Microscopes, Leica Petrological Workstation equipped with camera and Q-win software for photomicrography, imaging softwares like ERDAS and ARC-VIEW etc.

Vision: The Department envisions preparing Human Resources skilled in multidisciplinary areas of the Earth Science and also to foster the cause of the discipline in the Nation vis-a vis the region.

Thrust Areas:

- ❖ Petrogenesis of magmatic rocks
- ❖ Hard and soft rock Geochemistry

- ❖ Metamorphic Petrology
- ❖ Micropaleontology
- ❖ Sequence Stratigraphy
- ❖ Deformation of crustal rocks
- ❖ Himalayan Tectonics

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M. Sc.	Applied Geology	Candidates who have passed TDC (Science) examination with Geology as Honours/ Major subject, from a University recognized by UGC, and have a CUET (PG) Score (mandatory) in the subject are eligible for applying in the course. Selection of candidates will be based on candidate's score in CUET (PG) or as per criteria laid out by the Central Admission Committee of the University. Intake: 25
2.	Ph.D.	Earth Science	Candidates having Master degree in Geology/Applied Geology with at least 55% marks from a university recognized by UGC are eligible for applying in the course. Selection of candidates will be based on candidate's score in qualifying examination, performances in Entrance Test and Personal Interview or as per criteria laid out by the Admission Committee of the University. Intake: As per vacancy to be notified in due course.

SWAMI VIVEKANANDA SCHOOL OF LIBRARY SCIENCES

Department of Library & Information Sciences

The Department of Library and Information Science was set up by Assam University in 2009 with its specific vision and missions. It is a remarkable addition in LIS education not only for North-Eastern Region but also for the country with its unique features along with its own building and infrastructure. The department started its first batch in 2010. As declared by the former Honb'le Vice-Chancellor Prof. Topodhir Bhattacharjee on its university's foundation day on 21st January, 2011 the department has got its own separate school named as 'Swami Vivekananda School of Library Sciences' and aimed to set up different centers for specialized LIS education. The establishment of this department at Assam University is a step towards excellence in LIS education. It started with the intake capacity of 25 students for Masters Degree in Library & Information Science. Now, there are only a team of four faculty members. The department has started its M. Phil. and Ph. D. Programmes in 2013. A total of 11 M. Phil. and 12 Ph. D. scholars have been awarded with degrees. The students come from different communities and places mainly from different districts of Assam, and various parts of the country as well.

Vision of the Department: The Department of Library and Information Science at Assam University, Silchar educates students in the principles, practices, and ethics of library and information science, imbues them with a sense of service to diverse populations, and prepares them to be life-long learners and active leaders in a rapidly changing information and knowledge society.

Thrust Areas: The department strives to offer high-quality student-centered programs necessary to prepare students in the knowledge society of the 21st century. Some of the thrust areas are:

- Library and Society
- Reference Sources and Services
- Knowledge Organization
- Information Literacy
- ICT Application in Library
- Academic Library System
- Management of E-Resource
- Library Automation and Networking
- Digital Library
- Users' Study
- Information Seeking Behaviour
- Research Methodology & Statistical Techniques
- Information Storage and Retrieval
- Web Applications
- LIS Research
- Library Administration and Management
- Bibliometric Analysis
- Statistical Techniques.
- Webometrics, etc.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.Lib.I.Sc.	Library and Information Science	A candidate who has passed the Bachelor degree with 45% marks in any discipline from Assam University or any other recognized university will be eligible to apply for admission to the Master of Library and Information (M.Lib.I.Sc.) Course. All seats will be filled on the basis of merit in the CUET-2023 to be conducted by NTA. However, 50% seat shall be reserved for candidates of Assam University affiliated colleges with option of lateral migration based on merit. Candidates without CUET score shall not be considered eligible for admission. Intake: 25
2.	Ph.D.	Library and Information Science	Candidates for admission to the Ph.D. programme shall have a Master's degree in LIS or a professional degree declared equivalent to the Master's degree with at least 55% marks in aggregate, or its equivalent grade or an equivalent degree. A relaxation of 5% of marks, from 55% to 50% or an equivalent relaxation of grade may be allowed for those belonging to SC/ST/OBC (Non-creamy layer)/ differently able and other categories of candidates as per the decision of Government of India (GoI) from time to time. Intake: As per vacancy to be notified in due course.

DESHABANDHU CHITTA RANJAN SCHOOL OF LEGAL STUDIES

Department of Law

The Department of Law, started functioning in July 2004, as the first and the only Law Department in the entire North Eastern India, with a five year integrated B.A.LL.B. Hons. course, with an intake capacity of 45 students. From July 2011, the department was segregated from the School of Social Sciences and designated as a new school of Law, which is named after the famous freedom fighter, political activist and lawyer during the Indian Independence Movement and the Political Guru of Indian freedom fighter Netaji Subsh Chandra Bose, as "Deshbandhu Chittaranjan School of Legal Studies". This School of Law, offers a Ph.D. Program since 2014, a two year LL.M. Program since 2011 and a five-year integrated undergraduate Law course, leading to the degree of B.A.LL.B.(Hons.)

Vision: (A) To continue with its constant endeavor to establish this Law School to be a centre of excellence in quality legal education and research in North East India; (B) To produce efficient and skilled law graduates who can assist the administration of justice from both the sides in settling the legal and Constitutional disputes in any part of the world; (C) To produce law graduates who can be the torch bearers for rendering justice in the society- either as lawyers or judicial officers or in any other capacity; (D) To produce graduates in law who are aware of their duties towards the society who can be identified as good and compassionate citizens of the country; (E) To produce knowledgeable and research oriented LL.M. scholars who can be good, efficient, articulate and highly qualified persons who have all the potentiality to become teachers in any reputed University; (F) To produce Ph.D. scholars who through their qualitative Legal Research will add value to the existing level of Legal knowledge.

Thrust Areas: B.A. LL.B. (Hons.) Integration of Social Sciences with Law, Clinical Legal Education and Constitutional Law.

LL.M. Criminal Laws, Intellectual Property Laws and Environmental Laws.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	B.A.LL.B.(Hons.) (Five years, by course work) Duration: Ten Semesters	Under Graduate Law	Higher Secondary pass in any subject, with CUET Score Intake: 60
2.	LL.M. (Two years, by course work) Duration: Four Semesters	Post Graduate Law	A 3 year or 5 year Integrated Law Course with at least 50% of marks in the qualifying exam with CUET Score.
3.	Ph.D	Doctoral research	A Post Graduate Degree in Law (LL.M.) Intake: As per vacancy to be notified in due course.

Centre for Studies in Human Development

A brief introduction: The Centre for Studies in Human Development was established on 8 January 2010 vide Order No. AUK-206/53/2007/1532-35 dated 08.01.2010 in pursuance of the Resolution No. AC: 52:09:02 dated 04 December 2009 of the Academic Council of Assam University.

Before the advent of the centre there existed Unit of Study on Human Development that functioned from March 2007 onwards for a period of over two years under the Project Cooperation Agreement signed between UNDP and Assam University to initiate academic and research activities on human development. During the project period a common elective course on "Human Development" was in operation under the School of Social Sciences for three consecutive academic years, i.e, from 2007 to 2009. At the same time, courses on human development were introduced in the Department of Economics and curriculum components on human development were incorporated in the curriculum of the departments such as Political Science, Law and Social Work, which have been further enriched over the years, creating huge interest in human development studies among the students and teachers of the university. Impressed by this performance of the Unit, the university decided to carry on the rich dividends of its legacy and therefore this university level centre for interdisciplinary studies and researches, i. e., Centre for Studies in Human Development was established.

The Vision: The Centre envisages establishing itself as one of the premier centres of interdisciplinary learning and researches in India where emphasis will persistently be to blending quality studies and researches on human development, responding to the social needs and expanding the people's capacities by working in a situation of academia-people interface.

The Mission: The mission of the Centre is to prepare the world class human resource for liberating the people particularly in the vicinity and those of the Northeastern region as a whole from miseries, sufferings, discriminations and inequalities as well as to raise awareness, build capacity and develop skills of the people in the vicinity and the region so that they may come up to live a decent life.

Objectives: The Centre formulates the following objectives to achieve the aim:

- To provide impetus to multidisciplinary studies and researches on human development in a cross-cultural, cross-national and inter-sectoral perspective
- To train students and scholars in such skills as to pursue careers in human development among the people
- To encourage optimal understanding of the status of human development in the region vis-à-vis poverty alleviation and removal of discrimination as well as to promote human rights, social justice and good governance in the region
- To create a resource base of publications and other relevant materials and information on human development in the region
- To undertake programmes and projects on human development seeking appropriate solution-based outcomes in the specific cultural, national, regional and local situations
- To generate the practical knowledge on human development for use of policy-makers, planners, administrators and NGOs
- To develop the research methodologies relevant to capture human development in different socio-cultural and regional situations

DIRECTOR : PROF. NIRANJAN ROY

Dr. Ambedkar Chair, AUS

About Dr Ambedkar Chair: In the year 1992, a Sub-Committee on Education was set up by Babasaheb Dr B.R. Ambedkar Centenary Celebrations Committee, recommended a scheme for setting up subject wise "Dr Ambedkar Chairs" in different universities/institutions. Dr. Ambedkar Foundation, New Delhi has signed a MoU with 24 Universities/ Institutions at BHU Varanasi on 22nd April, 2022 and Assam University, Silchar is one among these.

Vision: The Scheme for creating Dr Ambedkar Chairs in various Universities/Institutes was for befitting tribute to this illustrious son of India and study the present-day relevance of Babasaheb Dr Ambedkar.

Thrust Areas: The Chair will serve as Centres of learning and research not only on the subjects concerning Dr Ambedkar's Works and Philosophy but also on the issues concerning the socio-economic and cultural life as well as biological aspects of Scheduled Castes, Scheduled Tribes, Minorities, Backward Classes and other socially and economically Weaker and Oppressed Sections of the Society.

Programmes of Study:

The functions of the Chair are some of the following:

- 1) To conduct research on the present and the past of the deprived people, teaching and organizing lectures, seminars, symposia, workshops, and other similar academic activities on the justice and employment of the weaker and oppressed section of the population with a minimum of one National level seminar.
- 2) To engage in field research work relating to the contemporary problems and issues concerning SC/ST/Minority/Weaker Sections/Women/Transgender etc. in addition to the table research work.
- 3) To supervise doctoral students in research in accordance with the thrust areas of the Chair.
- 4) To design and execute short-term awareness and capacity-building programmes for teachers in higher education focused on the objectives, including the thrust areas of the Chair.
- 5) To coordinate and to provide a think tank on the thrust areas of the Chair, drawing expertise and inputs from academic experts from other sectors like Government and other National/ International NGOs.

Faculty Profile:

Sl. No.	Name	Designation	Area(s) of Specialization & Email ID
1.	ANUP KUMAR DEY * M.Phil, Ph.D. anupkumar.dey@aus.ac.in	Professor	Subaltern Studies, Social Inclusion and Exclusion Studies, Postcolonial Studies, Indian Writings in English, Northeast Studies
2.	VACANT	Assistant Professor	

Centre of Study: Dr Ambedkar Chair, Assam University, Silchar

Academic Collaborations: Project works in collaboration with Dr. Ambedkar Foundation, New Delhi.

USP of Dr Ambedkar Chair: It has the potential to provide a forum for research policy level dialogues, discussion meetings, summer/ winter institutes involving universities/ institutions/ government agencies/ non-government agencies.

HEAD OF THE DEPARTMENT : PROF. ANUP KUMAR DEY

☎: 7002504730;

Central Instrumentation Laboratory

The Central Instrumentation Laboratory (CIL) was established as an Academic Centre for Research & Development in various areas of scientific research by the University Grants Commission (UGC) in the year 2009. The CIL is currently revamped and will house new sophisticated instruments.

Chairman: Prof. Paritosh Mondol (2020 onwards)

Professor

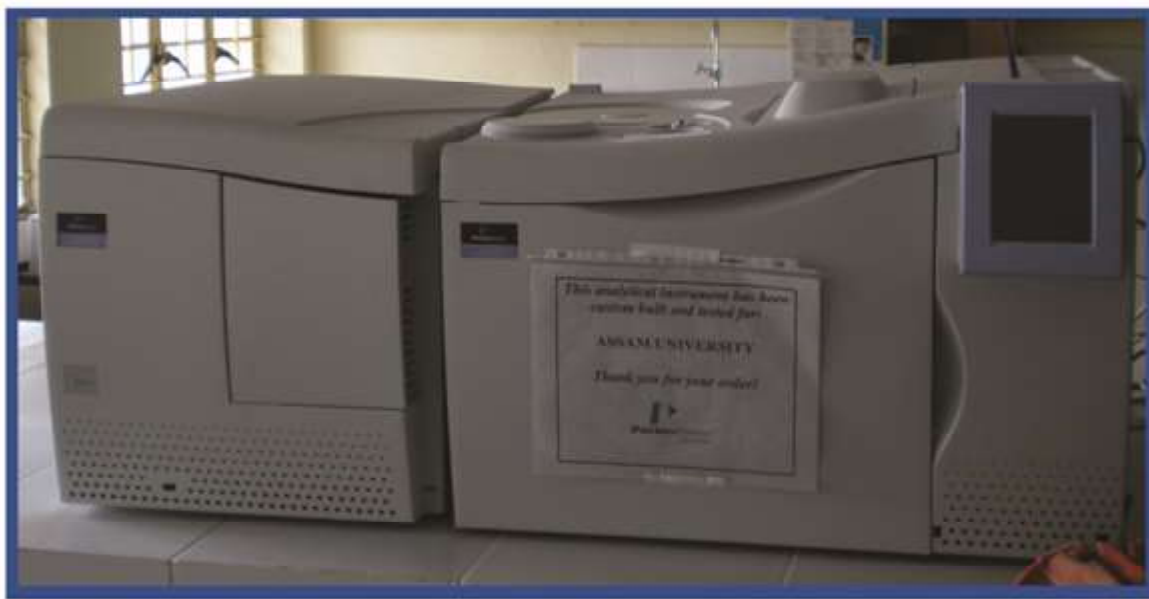

Department of Chemistry, Assam University, Silchar

Core Committee of CIL

1.	Chairman, CIL	Chairman
2.	Head, Deptt. of Chemistry	Member
3.	Head, Deptt. of Life Science & Bioinformatics	Member
4.	Head, Deptt. of Ecology & Environmental Science	Member
5.	Head, Deptt. of Physics	Member

Computer Centre

The Computer Centre, Assam University Silchar is established in March 1997. It is a centralized servicing centre for providing campus internet and intranet services; web services; mail services; database services; name resolution services; video conferencing services; etc. These ICT services are run on 24X7 basis in both the campuses of Assam University at Silchar and Diphu. The Centre maintains the University data for All India Survey in Higher Education portal.

The Centre offers a one year Post Graduate Diploma Course in Computer Application (PGDCA). The Centre is the Nodal

Center for running the outreach programme and conduct the live & Interactive courses offered by Indian Institute of Remote Sensing, Dehradun in distant learning mode.

The best practices of Computer Centre are:

- Next Gen Network Firewall for Unified Threat Management and Network Security Services.
- Network User Access Authentication services.
- Assam University Campus Network and National Knowledge Network Services.
- Campus Wi-Fi Services.
- Software Development Services
- Intranet based IP Telephone Services.
- Providing Lab Facility to the User Departments.
- Conducting Computer Based Tests for National Testing Agency (NTA).

Vision: The academic activities of the higher education are heavily dependent on ICT services. The Centre wishes to provide uninterrupted ICT services to the university so that the research and academic activities of the departments may excel continuously.

Thrust Areas: Assam University Campus Network Security, Network Extension, Software Development, Website Maintenance, Mail Server Maintenance.

Additional Courses

The University is also offering certain PG diploma/fast track Courses in the following subjects :

1. Post Graduate Diploma in Marketing Management. (Offered by Commerce Department)

PGDMM (by course work). Duration : Two Semesters.

Intake capacity : 25

Eligibility Criteria : Any graduate in Commerce/ Arts/Science is eligible.

2. Post Graduate Dip./ Degree in Educational Planning Management (offered by Dept. of Education)

PGD/ PGDEPM (by course work). Duration : Two/ Four Semesters.

Intake capacity : 19

Eligibility Criteria : Graduation in any discipline.

3. Post Graduate Dip. in Bioinformatics (Offered by Bioinformatics and Computational Biology Centre)

PGDIB (by course work). Duration : Two Semesters.

Intake capacity : 38

Eligibility Criteria : Graduate in any Science subject from a recognised University or a graduate in engineering, Technology, Pharmacy, Veterinary Science, Fishery Science, Medicine or Agriculture are eligible for the Post Graduate Diploma in Bioinformatics Programme. Candidates appearing for Degree (Final Year) Examination in the above mentioned subjects are also eligible to apply for admission.

4. Post Graduate Diploma in Biodiversity Conservation (offered by Dept. of Ecology and Env. Science)

PGDBC Duration : Two Semesters

Intake capacity : 19

Eligibility Criteria : Graduation in any Science discipline.

5. Post Graduate Diploma in Computer Application (offered by Computer Centre)

PGDCA Duration : Two Semesters

Intake capacity : 19

Eligibility Criteria : Candidates securing not less than 45% marks in Bachelor degree in any discipline of Assam University or any other recognised University and candidates having Degree/ Diploma in Engineering with minimum 50% marks are also eligible.

6. P.G Diploma in Entrepreneurship and Innovation (offered by Dept. of Commerce, Diphu Campus)

PGDEI (by course work). Duration : Two semesters

Intake capacity : 19

Eligibility Criteria : Any Graduates with 40% marks from any recognised university / Institution.

7. P.G Diploma in Data Science (Online), offered by Dept. of Statistics

OPGDDS (by course work). Duration : Two semesters

Intake capacity : 40

Total Payable fees for the programme is Rs. 40,000/-

8. P.G Certificate Course in French in Hospitality and Tourism Management, offered by Dept. of French. Duration : Two semesters

Intake capacity : 35

Total Payable fees for the programme is Rs. 13,820/- (For Fresh candidate).

Total Payable fees for the programme is Rs. 6,700/- (For AUS Post Graduate candidates).

9. Certificate of Proficiency in English and Communication Skills. (This is self-financing Course). (offered by Dept. of English, AUS).

Duration: One Semester

Intake Capacity: 60

Course Fee: Rs. 3925/- (Rs. 3625/- for AUS registered students)

Eligibility Criteria : Candidates who have passed + 2 (Intermediate/ Higher Secondary examination conducted by any recognized Board/ Council in India.

10. Certificate Course in Bioinformatics for Foreign Students.

Intake Capacity: 25

Total Payable fees for the programme is Rs. 40,000/-

Non Formal Sanskrit Education Centre

**** Courses offered by Non Formal Sanskrit Education Centre Located at Assam University, Silchar Near UCO Bank organised by Central Sanskrit University, New Delhi.**

1. Certificate Course in Sanskrit Duration : September to May

2. Diploma Course in Sanskrit Language Duration : September to May

Intake Capacity: 150

**** Eligibility Criteria :** H.S. / Graduation/ PG/ M. Phil/ Ph.D/ Faculty Members/ Staff

**** Fees Payable for above course - Rs. 500.00**

**** Above both course equivalent to Sanskrit Madhyama/ H.S. On passing the course any candidate will be eligible to admit into Sanskrit Shastri Course/ Sanskrit B. A.**

Ragging in any form is strictly prohibited by the Supreme Court

ACADEMIC AND STUDENT SERVICES

CENTRAL LIBRARY

The Assam University Library was started with the establishment of the University in the year 1994 as a central facility for meeting the information requirement of the academic community of the University. The Central Library was shifted to its permanent building in January 2006 and was rechristened "Rabindra Library". The new building has a total plinth area of 38,700 sq. ft. At present, the Central Library has a collection of over books 1, 50,000. It has a good collection of rare books donated by prominent academicians. Moreover, the facility of Electronic Resources is also available through UGC-Infonet, Delnet & Delcon consortia. The Library provides all academic library services in an automated environment with the help of Koha OSS LMS. The Library follows the open access system where the users can visit the stacks and chose their required books or documents. The books and library cards are bar-coded for the ease of operation. The Library has a reading room with a sitting capacity of 200, and an Internet Access Lab as well. The resources of the Library can be viewed at <http://libraryopac.aus.ac.in>.

HOSTEL ACCOMMODATION

There are at present eleven hostels, five for boys

and six for girls, in the University campus. The

hostels are furnished with basic facilities. A separate booklet for hostel boarders containing guidelines for the latter is available on the University website.

HEALTH CARE CENTRE

The University Health Centre is managed by experienced medical professionals along with a Pathologist, Staff Nurses, a Pharmacist, and Paramedical staff. The Centre caters to the medical needs of all the beneficiaries and members of the

Assam University family. The Health Centre is supported by ambulances round the clock. Almost 300 types of medicines are being dispensed free of cost from the Health Centre. Critical cases are being referred to the Higher Centre by ambulances after providing primary treatment. Specialist doctors from the field of psychiatry, medicine & homoeopathy, as and when required, visit the Health Centre. The University's Health Centre has procured equipments like the X-ray machine, the ECG equipment, Auto analyzers, and it also has a Diagnostic Laboratory. The University has introduced Medical Insurance for each student. Apart from this, health camps, awareness programmes with eminent doctors of the country are frequently organized by the Health Centre. The University issues Health Cards to each student for extending medical facility efficiently.

NSS ACTIVITY

Students are encouraged to participate in NSS (National Service Scheme) activities organised by the NSS Unit of Assam University. The NSS is sponsored by the Ministry of Sports and Youth Welfare. There are around 5000 volunteers enrolled from different colleges affiliated to Assam

University. The volunteers are actively engaged in

community engagement activities, namely, disaster mitigation, rural development in the neighbouring villages, etc. The volunteers actively participate in regional and national level events.

GYMNASIUM

Well-equipped gymnasiums for both boys & girls. Interested students can get their names enrolled for availing the gymnasium facilities.

NCC TRAINING

The NCC Unit in Assam University arranges NCC training for the students of the University, both boys and girls.

GAMES AND SPORTS

Since its inception in 1994, games and sports have been one of the important foci of Assam University's endeavour to facilitate the all-round development of students' physical and mental abilities. Every year, an Annual Social Meet is organized in the University where along with cultural activities, indoor and outdoor sports are held.

The University is currently a member of the Inter-University Sports Board of India and its teams participate in Zonal and All-India University Tournaments bringing laurels and prizes and

medals for the University.

The Central Sports Complex which is in the process of coming up is expected to give a major boost to games and sports and to other extra-curricular activities of the students in Assam University.

BUS SERVICE

Bus service is also available for the benefit of the students commuting between Silchar and the University campus and also Hailakandi and the University campus.

STUDENTS' WELFARE

The office of the Dean of Students' Welfare looks after the welfare of the students with active support of the representatives of the students, faculty and administration. A Students' Community Centre has been added from the year 2010 for various students' activities. For the benefit of the needy and deserving students, the University maintains and operates a Fund called the Assam University Students' Aid Fund, which is maintained by the contribution from the students of the University and collections from other sources. The main objective of the Fund is to render financial assistance to the poor and deserving students for payment of tuition fees, examination fees, purchase of text books, stationery, etc. A student requiring financial assistance from the Fund shall have to apply in the prescribed form through the Head of the Department concerned. There is a Students' Union in the University which caters to the students' interests and contributes towards the promotion of students' extra-curricular activities. The Students' Union also organises a week-long social meet every year. During these seven days, the students display their creative talents in the field of sports and various cultural

activities. There are various clubs in the University, like the Assam University Debate Club, Assam University Quiz Club, Assam University Drama Club, Assam University Astronomy Club, etc., which organise various co- and extra-curricular programmes, adding to the vibrancy of the campus life in the University.

THE UNIVERSITY MAGAZINE

The Assam University Magazine, Prachi Prangan, is published annually. The Magazine offers to the University students a medium to give expression to their literary talent.

STUDENTS' DISCIPLINE

Each student with respect to his/her work in the course (P.G./U.G./Integrated course/ Ph.D./ Certificate/Diploma) as well as his/her general conduct in the University, shall remain under the guidance of the respective School and the Department and shall be guided by the disciplinary code of the University. The Proctor looks after the discipline amongst the students.

It is mandatory for the students to keep their respective photo identity card with them while moving around within the university campus.

There is complete ban on ragging in the campus as per order of the Supreme Court of India.

As per guidelines, ragging is strictly prohibited inside or outside the University campus. Each student will be required to submit one affidavit as per the format provided by the MHRD at the time of admission. Students can fill out their online undertaking on the link

https://www.antiragging.in/affidavit_registration_disclaimer.html
(Students only)

There is a National Anti-Ragging Help Line: 1800-180-5522

If any incidence of ragging or any other act of gross violation of discipline comes to notice of the authority, the students concerned will be given adequate opportunities to explain and if their explanations are not satisfactory, appropriate disciplinary measures will be initiated by the authorities concerned.

COMPUTER CENTRE

The Assam University Computer Centre is a central facility to facilitate, foster and support the computing and communication needs of the University fraternity. Students have access to the computers in the Centre for their lab or project

work. The Centre has acquired all the latest softwares/ computers to cater to all types of computing requirements of the research scholars, faculty and students.

CAREER COUNCELLING AND PLACEMENT CELL

Assam University Silchar is proud to be associated with recruiters who have been regularly recruiting the students of the University. The University is committed to excellence as its core mission and practices innovation in learning which has supplemented all-round personality development of the students. A proactive learning style and a dynamic academic system have equipped the students to do extremely well in various demanding situations of the corporate world. The Career Counseling and Placement Cell extends counseling services to all the placement aspirants. The major activities of the Cell include the organization of workshops and lectures by professionals and experts from various industries. The placement cells in the various departments of the University are currently engaged in developing a detailed Employer's database that would help students to trace out employment opportunities in India and abroad. The lists of esteemed recruiters who participated during last two years are as follows: Capgemini, Deloitte, Max Cement, Dalmia Cement, Airtel, Karvy Stock Broking Ltd., Marico, Chola Mandalam Finance, Oceanic Pharmachem, ITC, Asian Paints, Air Plaza Retail, Collabera, Vodafone, Berger Paints, Mahindra Finance, UNISYS, Patanjali, Thyrocare Tech, ICICI Bank, Power Grid, Bandhan Bank, Azim Premji Foundation, Select Hub, and CDAC among others. Prof. D Ghose of the Department of Business Administration is the Present Coordinator of the Career Counseling and Placement Cell.

DIPHU CAMPUS

A new campus of the University at Diphu in the Karbi Anglong district of Assam was proposed as part of the University's aim to provide the chance of Higher Education to a wider section of people as well as to satisfy a long felt demand of the people of Karbi Anglong.

Conceived as an outreach campus of Assam University, academic activities in the Diphu Campus started from the Academic Session 2007-08. The authorities of the Karbi-Anglong Autonomous Council have allotted 272 bighas of land on Diphu-Lumding Road about 8 kms away from the Diphu town. The land so allotted has already been taken over by the University and the

construction process is in progress. The campus site is located in a picturesque place surrounded on all sides by lush green hills.

Academic and Administrative activities for the Diphu Campus is at present being carried out in a temporary accommodation as the construction of the appropriate infrastructure in the permanent campus site is in progress. Arrangement of Hostel accommodation for students is in the process.

Assam University Diphu Campus has a Central Library which initiated from the month of December, 2007. Presently, the library is equipped with 13.571 titles including text books and reference books commonly needed by the students, scholars and faculty. Altogether 23 Journals, 9 magazines and 16 Newspapers are subscribed by the Library.

SUNITI KUMAR CHATTOPADHYAY SCHOOL OF ENGLISH AND FOREIGN LANGUAGE STUDIES

Department of English

The Department of English at Diphu Campus of Assam University had its inception in 2007 and it is one of the oldest departments established in the campus. The department addresses the social and educational disparity by giving students of the under-privileged sections of the society of the hill districts of Karbi Anglong, Dima Hasao and other adjoining districts of Assam and Nagaland the opportunity to study P.G courses in English and Research based course viz Ph D.

Vision: It envisions to help students gain an understanding of English literature as it produces and is produced by history, society and culture. It aims to develop critical thinking skills among the students which help them in life choices and make them thinking members of the community and society.

Thrust Areas: The MA syllabus (CBCS) in addition to basic courses put special focus on contemporary theoretical development, Indian writings in English, American Literature, Postcolonial Studies, English Literatures in Translation, ELT etc. The research scholars who are pursuing Ph. D are working on multiple areas of research viz. Indian writings in English, Northeast Literature, Contemporary Black British Literature, Postcolonial Literature, Feminist literature, American Literature, African American Literature, Literatures from the Sub-continent, Drama Studies etc.

MAHATMA GANDHI SCHOOL OF ECONOMICS AND COMMERCE

Department of Commerce

The Department of Commerce, under the Mahatma Gandhi School of Economics and Commerce is one of the ten Departments of Assam University, Diphu Campus that started functioning from July 2007. The Department offers Master of Commerce Programme, Master of Philosophy [M. Phil] and Doctor of Philosophy [Ph. D] Programme. It also offers a P.G. Diploma Programme in Entrepreneurship and Innovation. The department offers range of specialisation in the areas of Accounting, Finance, Banking, Human Resource Management, Marketing, Entrepreneurship etc.

The Department also regularly organizes seminars, conferences, symposia and workshops. Online applications are sought for during the month of May and June every year for P.G. courses and in December for M. Phil/Ph.D. research. Mode of admission is through written test and viva-voce. Department also provides counselling to students for career and personality development.

The academic curriculum governed by the university, is delivered through improved introspection and sustained implementation of the academic planning and delivery over a period of time. The department has valid and reliable plan of assessment for the development of students and the actual achievement of defined institutional curricular goals. The department has several academic flexibilities in all the three programs. Choice Based Credit System is the main feature of the programs. Enrichment programs, remedial classes and bridge courses are common in the department. Enrichment of the curriculum engaged beyond the classroom to innovative teaching practices and offers opportunities to the students to express their views and improve their skills. Skill development programs such as ICT orientation, debate and quiz are organized by the department. Student oriented methods

like group discussion, experiential learning, preparation of project reports, paper presentation, seminars, assignments, tutorials and other aids to promote general communication skills among students and also help to apply new teaching techniques by the faculties. Study tours, field visits, encouraging initiative, independent and collaborative learning are organised.

Vision: To cater to the aspirations of the young generations in general And people of Karbi Anglong District in particular and

Thrust Areas: The thrust of the teaching and Research Programme in the department is on developing capabilities among the students for analyzing contemporary business scenario so as to enable them to make correct and timely business decisions.

Programmes of Study:

ALBERT EINSTEIN SCHOOL OF PHYSICAL SCIENCES

Department of Physics

The Department of Physics is one of the first six Departments of Assam University Diphu Campus that started functioning from July 2007. The Department offers a four semester Master of Science Programme in Physics with specialization in Condensed Matter Physics, Non - linear Optics & Laser Spectroscopy and Advanced Quantum Field Theory. The department has well equipped Laboratories with experimental facilities in Analog & Digital Electronics, Fiber Optics, Laser Optics and Spectroscopy, Nuclear Physics, Plasma diagnostic, X-ray crystallography and a modest computational facility. Specialization is offered in the third semester of the course. In the fourth semester project work in specialized field is mandatory. The class rooms of the Department are equipped with modern audio visual devices like smart board, LCD display solutions to enhance and augment the teaching - learning process.

Vision: To produce good Physicists having good human values.

Thrust Areas: Condensed Matter Physics, Non-Linear Optics, Quantum Computation, High Energy Physics.

Programmes of Study:

HARGOBIND KHURANA SCHOOL OF LIFE SCIENCES

Department of Life Science and Bioinformatics

The Department of Life Science & Bioinformatics established in July 2007, offers Post Graduate and Ph. D programs in Life Science as per National Education Policy (NEP) 2020.

The Post Graduate program offers courses in Cell Biology, Biochemistry, Genetics, Environmental Science, Biostatistics, Microbiology, Biotechnology and Research techniques in the first year. In the 2nd year, the students are trained to take up independent research projects in frontier areas of plant and animal sciences.

The Ph. D course includes a compulsory six months course work followed by independent research work on the proposed research topic. The Department is currently operational to

support research in areas of Biomedical Science, Soil microbiology, Plant taxonomy, Plant biotechnology, Genomics and Environmental biology.

An Institutional Biotech Hub sponsored by the Department of Biotechnology (DBT), Govt. of India, supports and organizes regular vibrant academics activities like seminars, symposiums, workshops and training programmes for exposure and experience benefit of the students and scholars. Currently the faculties of the department are supported in their research activities by grant awards from DBT, DST & UGC.

Selection for admission to all the above courses in the department is through rigorous process of entrance exams.

ARYABHATTA SCHOOL OF EARTH SCIENCES

Department of Geography

The Department of Geography, School of Earth Sciences has been functioning in Diphu Campus since July 2014. It offers the M.A./M.Sc. Geography Programme (four semesters) and covers the courses namely Geomorphology, Climatology and Climate Change, Biogeography, Environmental Geography, Political Geography, Regional Development and Planning, Population Geography, Economic Geography, Human Ecology, Regional Geography of India and Geography of North East India; It also includes dissertation writing, field study, computer application lab, Quantitative methods of study in geography, Applications of cartographic techniques, Remote Sensing, GIS and GPS. The Department is equipped with the laboratories for cartography, GIS, Surveying and Levelling. In addition to this, the Department also offers the Ph.D. programme.

Vision: To be the leading Geography Department in the North-Eastern region of the country and to attain the excellence in the field of teaching and scientific research.

Thrust Areas: Fluvial Geomorphology, Disaster Management, Geospatial Sciences, Agricultural Geography, Geopolitics and Climate Change Policy.

Programmes of Study:

Sl. No.	Course	Subject	Eligibility Criteria & Intake
1.	M.A./M.Sc.	Geography	A candidate must have passed TDC examination with Geography as honors/ major subject from a UGC recognized university. Intake: 28
2.	Ph.D.	Geography	M.A / M.Sc / M.Tech. degree in Geography or equivalent degree in allied streams. Preferable qualification may be UGC/ CSIR score for getting the financial assistances. The candidates with DST INSPIRE fellowship for PhD are also eligible. Intake: As per vacancy to be notified in due course.

MEDALS AND PRIZES

The toppers in the U.G. and P.G. Degree Courses are awarded the University Gold Medals. For the purpose of awarding medals and prizes, the latest university rules shall be followed, which are subject to modification from time to time.

Also, with a view to encouraging good performance in studies, the University offers several Endowment Awards. The Endowment Awards are presented to candidates securing a First Class/ Division First position in certain subjects as per the University regulations.

Note: There is an Endowment Scholarship named Rita Kar Memorial Scholarship in the Department of Bengali for extending financial aid every year to one female PG student of the Department who is the financially the weakest among the students admitted in the respective year.

FACILITIES AVAILABLE FOR SC/ST/OBC/EWS and PWD STUDENTS

1. There is a provision for the reservation of seats for SC, ST, OBC, EWS, and PWD students at 15%, 7.5%, 27%, 10%, and 5%, respectively. OBC reservations will be allowed, excluding the creamy layer category as defined by the GOI. The candidates seeking admission against the OBC quota must submit a valid non-creamy layer (NCL-OBC) certificate issued by the appropriate authority for the current financial year.
2. There shall be a reservation for the Economically Weaker Section (EWS) as per GOI directives.
3. Relaxation of marks in the qualifying examination for SC/ST/PWD and OBC (non-creamy layer) candidates as per Govt. of India rules as and when applicable.
4. Selection of SC/ST students for hostel admission will be made on the basis of their previous qualifying examination results.
5. Coaching for NET or SET is available for students from the SC, ST, and the minority communities.
6. Coaching for entry into different services for SC, ST and the minority community students is available.

Concessions to the Kashmiri migrant students:

1. Extension in the date of admission by about 30 days.
2. Relaxation in the cut-off percentage up to 10% subject to the minimum eligibility requirement.
3. Increase in the intake capacity up to 5% course-wise.
4. Reservation of at least one seat in the merit quota in technical/ professional institutions.
5. Waiving off domicile requirements.
6. Facilitation of migration in the second and subsequent years.

ADMISSION OF FOREIGN STUDENTS

International students are encouraged to seek admission in the various programmes offered by Assam University. The Directorate for Internationalization of Higher Education, Assam University is the single window for all foreign nationals who wish to seek admission in various courses of Assam University --

1. A Foreign student will be required to furnish the following documents from concerned authority for admission to any programme of Assam University:
 - a] Equivalence and Eligibility Certificate from Association of Indian Universities, AIU House, 16, Kotla Marg, New Delhi - 110002 (Ph 911112320059 Fax 911123232131)
 - b] Student Visa obtained from the Indian Mission (Embassy / High Commission/ Consulate) before leaving his/her home country. However, students from SAARC countries may be selected for admission provisionally on Tourist Visa, subject to subsequent production of valid Student Visa.
 - c] A foreign student will be allowed provisional admission on production of the above documents (Serial 1.a & 1.b] and his/her admission will be confirmed after successful completion of all other formalities as per GOI/ AUS rules.
 - d] Preference will be given to Foreign students sponsored through cultural exchange programme of the Govt. of India or under the provisions of MoU signed by Assam University with Foreign Universities.
2. a] 15% supernumerary seats shall be available in Assam University for admission of foreign students including PIOs as per UGC/GOI rules in each department and in each programme.
b] 5% of the 15% Supernumerary quota will be earmarked for admission of foreign students being children of Indian workers in the Gulf and South East Asia.
3. Medical test: All International students will have to undergo a medical fitness test including HIV & Tuberculosis test before taking final admission.
4. Hostel facility: There will be the provision of separate hostel facility dedicated for the international students.
5. Discipline in the hostel: The discipline to be maintained by the International students shall be governed by the existing hostel rules of the Assam University.
6. A foreign student seeking admission shall not be required to appear for the admission test procedure for any programme provided he/she furnishes letters of references from two teachers testifying his/her suitability for the course applied for and submit the transcript of his/her mark sheet issued by the competent authority.
7. a) All Foreign students must inform Directorate of Internationalization of Higher Education, Assam University immediately after reaching University Campus.
b] A Foreign student must report to the Foreign Branch of SP office immediately after reaching India.
c] Foreign Registration must be done within 14 days after reaching India.
d. All Foreign students shall have to provide emergency contact number of their home country to Directorate of Internationalization of Higher Education, Assam University, immediately after reaching University campus.
e. Involvement of Foreign students in any kind of anti-Indian activity or any other kind of illegal activity will lead to the summarily cancellation of their admission without any prior notice.
f. India being a culturally diverse country with number of ethnic traditions and practices expects that all Foreign students shall respect the cultural and ethnic diversity and traditions of the country.
g. Admission of Foreign students in Assam University in any way does not provide guarantee for Post Study Work Permit (PSWP) or status of Permanent Resident (PR).

Prof. Dipendu Das, Working Chairman, Internalization of Higher Education, Assam University Silchar, Assam.

CODE OF CONDUCT FOR STUDENTS OF THE UNIVERSITY

- Students enrolled at Assam University must recognize their responsibilities to this university, to the teachers, to the officials and to fellow students, bearing in mind the prestige and the reputation of the institution. Failure to maintain appropriate standards of conduct, decency and decorum would warrant disciplinary action.
- 75% of attendance is compulsory for all the students. A student shall be considered to have satisfied the requirement of attendance for appearing the semester-end examination, if he/she has attended not less than 75% of the number of classes held up to the end of the semester including tests, seminars and practicals, etc. However, there is a provision for the condonation of attendance on medical grounds for those students who have an attendance between 60% and 74%. The production of medical certificates is mandatory.
- If a student represents his/her the University, State or Nation in sports, NCC, NSS or Cultural or any other officially-sponsored activities, he/she shall be eligible to claim the attendance for the actual number of days during which he/she participated, subject to a maximum of 20 days in a semester based on the specific recommendations of the Head of the Department.
- A student who does not satisfy the requirements of attendance shall not be permitted to take internal assessment as well as the semester-end examinations.
- Any problem related to students must be processed through the DSW or the Heads of the Departments or the Deans of Schools.
- If students have grievances, they are to register their grievances through the Grievance Redressal Committee of the University. Students are prohibited from approaching any outside agency regarding their grievances. Consequent upon the order of the Hon'ble Supreme Court of India on curbing ragging in educational institutions, it has been decided that, if any incident of ragging comes to the notice of the authority, the student concerned shall be given adequate opportunities to explain and if his/her explanation is not found satisfactory, the authority will initiate appropriate disciplinary action against him/her.

MISCONDUCT

Student misconduct includes, but is not limited to, the following:

1. Disruption of classroom activities or hindering the learning of other students anywhere in the University,
2. Cheating while writing assignments or taking examinations,
3. Behaviour which interferes significantly with the normal operation of the University, disrupts education, challenges the health or safety of staff or students, or causes disfiguration or damage to the property of the University or belongings of staff members or students.
4. Possession and/or use of intoxicating beverages on campus,
5. Possession of illicit drugs in the campus,
6. Falsification of documents or the supply of false information in order to obtain admission, the possession of weapons.
7. Failure to return loaned materials to settle debts with the University.
8. Disobeying any instructions of any kind issued by the Head of the University, i.e. the Vice Chancellor, or the Head of the Department or any authority empowered by the VC to make decisions regarding matters related to students.
9. Bringing the University into disrepute by any action /behaviour /instigation with a proven intention to tarnish the image of the university.

Failure to adhere to the guidelines above shall invite strict disciplinary action which may lead to expulsion from the university.

BESIDES, STUDENTS SHALL HAVE TO ABIDE BY RULES AND REGULATIONS OF THE UNIVERSITY WHICH MIGHT BE ADOPTED FROM TIME TO TIME.

IMPORTANT RULES FOR GUIDANCE OF STUDENTS

Conduct, Discipline, Attendance and Evaluation of students of PG / Integrated and other courses.

Each student, with respect to his/her work in the Course as well as his/her general conduct in the University, shall remain under the guidance of the respective School and the Department and shall be guided by the disciplinary code of the University.

To be eligible to appear at the end-semester examination, a student is required to attend a minimum of 75% of the lectures, seminars, and tutorials organized by the department during a semester.

The students who have passed their qualifying/ last examination from another University or Council/ Board other than Assam University/ AHSEC must submit their Migration/No Objection Certificates in original from the University or Council/ Board concerned along with the application for registration.

There will be an end-semester examination and also continuous sessional evaluation for each course of study. Unless otherwise mentioned, 70% of the total weightage of marks will be assigned to end-semester examination and 30% will be reserved for continuous sessional assessments during the semester. A student shall be required to pass the sessional assessment criterion to be eligible for end-semester examination in each subject/ paper.

Continuous evaluation of sessional work will be made on students' performance in (i) tests organized for this purpose by the department and (ii) written assignment and /or seminars, field work and other such activities.

The marks awarded for sessional test, as moderated and approved by the Departmental Affairs Committee, will be made known to the students within 10 days of the conduct of the test. Students may discuss and seek clarification, if any, about their performance in Sessional Tests from the Heads of the Departments, who are the ex-officio

Chairpersons of the Departmental Affairs Committees.

Students of Integrated courses will not be eligible for admission to 7th Semester till they complete all the courses up to 6th semester, as per the rules of the University

A student, who does not clear a course, owing to a failure to pass or to appear in sessional work and/ or end-semester examination, will have to clear the course in the immediate next opportunity. Under no circumstances will a student be allowed to carry more than three backlog courses to the next opportunity. A student has to get minimum of 40% of seasonal marks in each course to be eligible for appearing in the end-semester examination.

Ordinarily a P.G./U. G./ Five-year Integrated Post-Graduate student should complete all courses during the period of four/eight/ten semesters. However, a student may be allowed to participate in the academic programme up to a maximum of two years after the mandatory period for the completion of the course.

No candidate shall normally be allowed to appear at examination of any course more than twice and no candidate shall be allowed to appear in the examination of any course beyond the permitted number of semesters, stated hereinbefore, counted from his/her first admission to the programme.

In order to qualify for the Master's degree, a candidate must have secured at least 40% marks or equivalent grade in each course and 40% marks or equivalent grade in the aggregate of all courses.

A successful candidate shall be awarded grade on the basis of CGPA (Cumulative Grade Point Average) scoring under the CBCS (Choice Based Credit System) introduced in the 2010-2011 session. The details of the Regulations for CBCS are available separately.

If any student does not claim the refund of any amount lying to his/her credit within one calendar year of his/her leaving the University, it shall be considered to have been donated by him/her to the Students' Aid Fund.

INTERNAL QUALITY ASSURANCE CELL

The Internal Quality Assurance Cell (IQAC) of Assam University is the nodal body for coordinating the quality related activities of the University. The Director of the IQAC is Prof. Piyush Pandey. There is a Steering Committee of the IQAC with Vice-chancellor as Chairman and Director as Member-Secretary. The Steering Committee helps to take policy decisions of the IQAC.

Regular activities of the IQAC include:

- ❖ Preparation of Annual Report for onward submission to the Ministry.
- ❖ Preparation of AQARs for onward submission to the NAAC.
- ❖ Collection, compilation and submission of data for participation in NIRF ranking and other ranking agencies.

CRITERIA FOR PG ADMISSION COURSES

GENERAL

Candidates who have passed their graduation in a subject shall be eligible for admission to the four semester Post Graduate Course in the respective subjects and those candidates who have passed HS or equivalent examinations (10+2) in the relevant streams shall be eligible for admission to Under Graduate/ five year Integrated Courses.

Candidates whose qualifying examination result is awaited may also apply for admission. However, such candidates must submit the photocopies of marksheet and / or certificate of the qualifying examination before the finalization of admission list by the concerned department. Further, they have to satisfy the additional criteria, if any, set by the Departmental Admission Committee of the concerned department.

Preference in admission will be given to the students having Major/Honours in the relevant subject. However, subject to availability, up to ten percent of the seats may be filled up with students from other related subjects.

Applications from candidates who have already obtained a Master's Degree from this University or any other university may be considered for admission in any allied subject only if there is any vacancy after considering all other eligible candidates. Candidates seeking admission for the first time in Assam University have to submit Migration Certificate within two months of their admission.

Selection of candidates for admission to UG / Integrated program will be made solely on the basis of percentage of marks secured in the qualifying examination. The selection procedure for the PG program shall be notified at a later date.

The reservation of seats for admission in each

department will be as follows:

Scheduled Caste category (SC) :	15%
Scheduled Tribe category (ST) :	7.5%
Other Backward Class (OBC) :	27%

Economically Weaker Section (EWS) : 10%
Candidates seeking admission under OBC category should submit valid NCL Certificate for the current financial year (i.e. 2023-2024). Candidate claiming reservations facility under EWS category must submit valid Income & Asset certificate issued by appropriate authority.

There is a provision for 5% reservation for persons with disability.

For B. Tech. courses 50% of the total seats in each Department are reserved for the students of North-eastern region. The North-eastern region comprises Assam, Arunachal Pradesh, Meghalaya, Mizoram, Manipur, Nagaland, Sikkim and Tripura.

There will be a relaxation of 5% marks in the qualifying (HS/10+2, UG) examination for the candidates belonging to SC & ST categories as per GOI regulations. However, OBC (NCL) candidates may also be given a relaxation in the minimum eligibility by the Departmental Admission Committee to the extent of 10% of the minimum eligibility for the UR candidates. For example, if the minimum eligibility for admission to a course is 50% for the UR candidates, the minimum eligibility for the OBC (NCL) would be 45% (i.e., 50 minus 10% of 50).

All types of reservation of seats for admission as well as relaxation of marks in qualifying examination will be guided by the Govt. of India rules.

Students graduated from colleges affiliated to Assam University will be eligible for 30% weightage on the aggregate percentage of marks secured in the qualifying examination for the purpose of merit calculation.

Candidates having Honours/Major subject

at Under-Graduate level are eligible for 10% weightage over the aggregate percentage of marks secured in the Honours/Major subject for the purpose of determining the merit.

Other things being equal, preference will be given to candidates who have achieved excellence in sports/games or in cultural activities as evident by their participation in national or international level events with valid documentary proof.

Nevertheless, the competent authority may relax the minimum eligibility of marks if seats remain vacant after the normal course of admission is over. There is also a provision

for free of charge admission in all Diploma, Certificate, Integrated, UG and PG Courses of the University for the dependent children of Leprosy Affected persons with maximum two dependent children.

For Diphu Campus: ST(H) candidates of the State of Assam applying for admission in Diphu Campus, will be given a special weightage equivalent to 20% of marks secured in the qualifying examination over and above other weightage mentioned in the Prospectus.

VENUE OF ADMISSION TEST TO BE HELD IF ANY

For Courses in Silchar Campus	For Courses in Diphu Campus
Respective Department of the University or nearby departments.	Respective Department of the University Campus, Diphu.

* The above schedule is tentative & is subject to the declaration of the results of TDC Final examinations 2023 of Assam University. Stake holders are advised to follow University website for latest notification related to admission 2023-2024.

Important Note: Candidates are to produce all testimonials in original at the time of personal interview. Also they need to submit self attested photo copies of all such testimonials in the department during their personal interview. Both the aforesaid clauses are mandatory failing which may even lead to rejection of the candidature of the applicant. Candidates are advised to mention their e-mail ID, Fax/Land phone and Mobile Phone number etc. in the application form. Any of these channels may be used by the concerned departments for communication if necessary. Candidates are requested to check the website regularly for admission related notification.
