The Chairman welcomed all the members to the Twelfth meeting of Departmental Affairs Committee of the Department of Statistics, Assam University.

The agenda of the discussion circulated before the meeting. The discussions were held on all the agenda. After thread bearing discussion the following resolutions are taken.

Resolution 1: Academic Matters.

The chairman informed the house about his absence during the next academic semester as he shall be availing Sabbatical leave from 1st July to 31st December, 2018. Necessary possibilities of inviting visiting faculty/ adjunct faculty were discussed. The chairman assured the house that he shall take up the issue with the competent authority and such possibility shall be explored.

Resolution 2: Workshop related matters

The chairman explained the need of organizing a training program in R software. Some other members opined that some lectures on Bayesian Data analysis in R be organized. Accordingly, a **four day workshop on R Programming** from 2nd to 5th January, 2019 was decided by the house.

It was further decided that for organizing the training program an amount of Rs.1,03,000/- would be required. An amount of Rs. 25,000/- would be used from the annual course fee of the department and another Rs. 30,000/- may be asked from University fund for workshop/seminar. The remaining fund shall be generated from the registration fees of the participants. The house agreed to it. **Approval** of the competent authority shall be sought for this regard.

Meeting ended with thanks from and to the chair.
