

DEPARTMENT OF STATISTICS ASSAM UNIVERSITY, SILCHAR

Proceedings of the Second Induction Program, of the Department of Statistics, Assam University, Silchar held on 15.11.2021 for the Third Semester Students for Physical Classes

As the physical classes (Offline classes) for the 2020-2022 batch started for the first time in 15th November, 2021 so the department decided to conduct an Induction program for the students. The basic objective of the program was to orient the students about the Covid protocol of the department, physical facilities available in the department, lab rules, discipline and general academic schedule. The program was organized in the seminar hall of the department on 15.11.2021 at 10:30 am. All the teachers, non-teaching staff, M. Sc third semester students were invited to attend the event.

The program started on time with Dr. Rama Shanker, Head of Department of Statistics as the Chairman and Ms. Sangeeta Goala as the anchor of the event. Ms. Goala welcomed all the participants of the event, described briefly about the department and asked the Head of the Department of Statistics, Dr. Rama Shanker to deliver his address. During his deliberation Dr. Rama Shanker, described the different events conducted by the department in addition to the regular class schedule and introduced the staff and teachers of the department. He also advised the students to be focused in their studies and to discuss with the teachers freely as and when they feel.

Next, Dr. Tanusree Deb Roy, Assistant Professor of the department discussed about the facilities available in the department and briefly talked about the journey that the department had undergone since its inception.

Dr. Jonali Gogoi, Assistant Professor of the department welcomed the students in the department. She discussed about the departmental Wall Magazine they need to undertake as due to the pandemic it could not be done. Dr. Vivek Verma, Assistant Professor of the department suggested the students to be disciplined and punctual as punctuality leads to better opportunity and bright future scopes. Then, the third semester students of the Department, were asked to speak about their expectations from the department to which Mr. Jintu Baruah, Mr. Subham, Ms. Puja Nath, Mr. Rajib Das, Ms. Masuma Khanam and Mr. Kaustab Bhattacharjee commented about learning new software tools, know about the job prospects in the field of Statistics after completing M. Sc and guidance is needed if they deviate from their path. The last speaker of the program was Prof. Dibyojyoti Bhattacharjee, who discussed about the various lab related rules they need to follow and asked the students to keep the department clean and tidy. Professor Bhattacharjee told the students about the Internet Log-in credentials they need to avail the internet facility in the department and the Covid protocol they need to follow while they are in the department and campus. Next Ms. Sangeeta Goala offered the Vote of Thanks and declared the closure of the program after taking necessary permission from the Chair.
