**Report of the Workshop on Leadership, Team Building and Communication Skill  
for Post Graduate Students**

**25<sup>th</sup> November, 2021**

As the physical classes in the department started from 15<sup>th</sup> November, 2021 so the department was planning to restart the usual practice of conducting workshops and seminars once again in the offline mode. Accordingly, for proper grooming of the PG students a workshop on leadership, team building and communication skill was organized. Taking the advantage of the presence of Prof. Ranjit Singh from the Indian Institution of Information Technology, Allahabad in the campus, the department invited him to act as a resource person for the said workshop. No registration fees was charged from the students for the said workshop.

The Workshop was designed to orient the PG students of the department with respect to some soft skills like Team Building, Leadership Quality and Communication Skill. All the PG students of the department currently available in the department i.e. the Third semester students of the M. Sc (Statistics) program were the participants of the event. The details list of the participants are as follows:
