

**DEPARTMENT OF STATISTICS  
ASSAM UNIVERSITY :: SILCHAR**

**Proceedings of the Induction Program of the Department of Statistics,  
Assam University, Silchar held on 12.12.2022 for  
First and Third Semester Students for Physical Classes**

With the ushering of the National Education Policy (NEP) 2020 by the Government of India, Assam University adopted new syllabus in keeping with the objectives of the NEP for the UG/PG and Integrated Courses. In keeping with the NEP an Induction Program was planned by the department for two-weeks for the newly admitted PG students of the Department for the 2022-24 session. The inaugural program of the induction program was held on the 12<sup>th</sup> of December, 2022 at 11 AM.

The program started on time with Dr. Rama Shanker, Head of Department of Statistics as the Chairman and Prof. Karabi Dutta Choudhury, Dean School of Physical Sciences as the Chief Guest.

Dr. Jonali Gogoi, Assistant Professor of the Department, anchoring the event- welcomed all the participants of the event. The Head of the Department of Statistics, Dr. Rama Shanker delivered the welcome address. During his deliberation Dr. Rama Shanker, described briefly the history and development of the department. He also introduced the staff and teachers of the department to the house. He advised the students to be focused in their studies and to discuss with the teachers freely as and when they feel necessary.

Next, Prof. D. Bhattacharjee discussed about the facilities available in the department and briefly talked about the journey that the department had undergone since its inception.

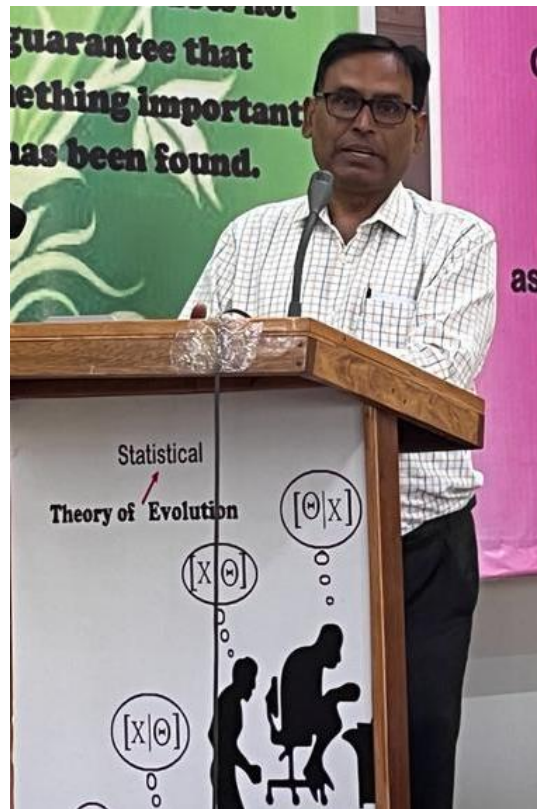

Next, Prof. Karabi Dutta Choudhury, Dean of Albert Einstein School of Physical Science discussed about the facilities available Albert Einstein School of Physical Science and briefly talked about the journey and all the facilities that the School provides. She also described the helping nature of the departments falling under this School.

Next, Prof. Atri Deshamukhya, Professor of Physics Department and Chairperson of Internal Complaint Committee (ICC) talked about the Gender Awareness Harassment Act. She discussed about the working of ICC and asked the audience to take help of ICC in case they face any type of gender discrimination or harassment in the institution.

Finally, Dr. Tanusree Deb Roy, Assistant Professor of the department offered the Vote of Thanks and declared the closure of the program after taking necessary permission from the Chair.

There were 16 students from 1<sup>st</sup> Semester, 15 students from 3<sup>rd</sup> Semester along with 8 research scholars who attended the event. The speakers took this opportunity to welcome the students of First semester and create awareness regarding the new education policy and the changes in syllabus from this session (i.e., syllabus from 2022 onwards).
