9. Dr. Chinmoy Paul -Member

**Agenda items**

1. Syllabus for UG (Statistics) course as Per NEP-2020.
2. Any other item.

**Proceedings of the Meeting**

At the very outset the Chairman welcomed all the members, external members and special invitee present in the meeting to the 6<sup>th</sup> meeting of the BUGS (Statistics).

The agenda items of the discussion were circulated before the meeting. The discussions were held on the agenda items. The meeting resolved the following agenda items.

**Item No. 1:** Syllabus for UG (Statistics) course as Per NEP-2020.

The guidelines for framing the syllabus for UG (Statistics) course as per NEP-2020 were circulated among members of the syllabus framing committee well in advance. The committee placed the syllabus in the meeting. There were detailed discussion among the members and it was decided that some minor modifications required in some papers of the syllabus of UG (Statistics) as per NEP-2020 such as name of papers, contents of the paper, objective of the papers etc. After thread bearing discussion some minor modifications in some papers of the syllabus were done in front of the members. It was also decided that after finalizing the syllabus as per the suggestions given by members, once again an online meeting will be arranged to see the final structure of the syllabus.

**Resolution:** The House agreed to arrange one more online meeting after 10 days to finalize the syllabus of UG (Statistics).

**Item No.2: Any other matter**

Under this agenda an issue related to the evaluation of answer scripts of Undergraduate Statistics (Honours) papers was raised by some of the members.

The BUGS members from the colleges raised the issue of evaluation of answer scripts of undergraduate Statistics (Hons) papers. Members informed that college teachers are not getting answer scripts of Undergraduate Statistics (Honours) papers and due to involvement of other teachers, outside the colleges, many students are failing or getting lower marks. College teachers were of the opinion that as they are teaching, they should be involved in evaluating the answer scripts of Undergraduate Statistics (Honours) papers to the COE.

**Resolution:** The house agreed that HOD of Statistics should inform the concern of college teachers regarding evaluation of answer scripts of undergraduate statistics (Honours) papers.

The meeting ended with thanks from and to the chair.
