Dear Sir

With due regards, I am to inform you that, my mother has been diagnosed with a terminal illness (Gastric Cancer). At present I am here at Asian Institute of Gastroenterology, Hyderabad. A surgery may be scheduled in the next week and I am very tensed about it. Therefore sir, I won't be able to join my regular duties after my break. As and when I join, I shall give the appropriate leave application.

Thanking You

The Departmental level meeting was held on 10/11/2016 in the HOD room, Deptt. of CSE, TSSOT.
