About Assam University

Assam University is a teaching-cum-affiliating Central University, which came into existence in 1994 by an Act of the Parliament of India. It is a great place of learning and research. The campus is situated in Dargakona which is about 20 km from Silchar town, occupying an area of about 600 acres (2.4km²) surrounded by lakes and mountains providing an ideal environment for academic pursuit. There

are forty one departments under the sixteen schools of the University. Besides, a second campus of the University is at Diphu in the Karbi-anglong district of Assam. The M.G. School of Economics and Commerce, Assam University Silchar shall be co-ordinating the conference at Assam University. The School comprises of the Department of Economics and Department of Commerce and both the departments are those out of the six departments which came into existence along with the establishment of the University in 1994. For more details please visit the university website www.aus.ac.in.

About TIES

The Indian Econometric Society (TIES) is a registered society under Public Societies Registration Act, formed in 1960. It is one of the oldest and largest bodies of professional econometricians and quantitative economists with more than 2000 members from all over India and abroad. TIES organises annual conference where experts from all over India and abroad participate and deliberate on various issues

The Host City: Silchar is the second largest city in terms of population and municipal area of state, Assam and the Headquarter of the District of Cachar. It is situated on the shore of Barak River, 343 kms away from the Capital (Guwahati) of the state. The District is bounded on the North by Barail and Jayantia hill ranges, on the south by the state Mizoram, on the east by the state of Manipur and on the west by sister districts Hailakandi and Karimganj of Assam. The climate condition of this city is also very good; summer is hot and humid, the average annual temperature is about 24.90C and

average annual rainfall is about 3144 mm. The winter season starts from the month of December and continues for next two months.

How to Reach Silchar:

Silchar is well connected by road from Guwahati, Agartala, Imphal and other cities and towns of Northeast India. The host city is well connected by rail to various cities in India. There is direct railway connectivity from the national capital New Delhi to Silchar. It is also well connected to Guwahati and Agartala via daily train service. It is also connected on air route by some airlines viz., Indian Airlines, Jet Airways, Spicejet etc.

By Road:

Silchar is well connected by road from Guwahati, Agartala, Imphal and other cities and towns of Northeast India.

By Rail: The host city is well connected by rail to various cities in India. There is direct railway connectivity from the national capital New Delhi to Silchar via Sampark Kranti Express. Kanchenjunga Express connects Kolkata (Sealdah) with Silchar directly. Silchar is also well connected to Guwahati and Agartala via daily train service.

By Air: Silchar is well-connected to various cities in India via Kolkata and Guwahati. The nearest airport is located at 22 km away from host city.
