Item No. 22 : Minor modification of TDC (CBCS) Zoology Syllabus :

EC:136:09-20:22 : The Chairman, BUGS Zoology (TDC) has submitted the following proposal for minor modification of TDC (CBCS) Zoology syllabus

The existing syllabus uploaded in AUS website has difference in structure and in detailed syllabus which is the main reason of confusion. Honours course has two SEC (Skill Enhancement Course) paper in 3rd and 4th sem. whereas Pass course has four SEC papers in 3rd, 4th, 5th and 6th sem. SEC-I (Apiculture) is common in pass and Honours in 3rd Sem and so there is no confusion. In 4th Sem SEC-II is Medical Diagnostics in pass course; but in case of Honours course Medical Diagnostics in the summary/structure page of syllabus and Aquarium fish keeping in the detailed syllabus which actually creates the confusion. SEC-III and SEC-IV being Aquarium Fish keeping and Sericulture respectively in the pass course syllabus.

In this regard, the HODs from affiliated colleges are of the opinion that SECs in pass and honours should be the same to facilitate teaching the pass and honours students together in the same class room. Therefore, it is necessary to have a common SEC course (Designated as SEC II) for the ongoing 4th semester pass and honours students. Considering the fact that the honours students will have exposure to a fisheries related paper as DSEII in subsequent semester, there was a general consensus that the paper

SEC II in 4th semester for both pass and honours students should be 'Medical diagnostics'. Accordingly, the SEC III and SEC IV for the pass students will be 'Aquarium fish keeping' and 'Sericulture' respectively in 5th and 6th semesters respectively as below. All other papers remain unchanged.

Semester	Pass Course	Honours
3 rd sem	SECI (Apiculture)	SECI (Apiculture)
4 th Sem	SECII (Medical Diagnostics)	SECII (Medical Diagnostics)
5 th Sem	SECIII (Aquarium Fish Keeping)	-
6 th Sem	SECIV (Sericulture)	-

The matter was placed before the Academic Council approval, so that teaching on the said course can continue in the ongoing fourth semester.
