

Two Days
Skill Development Training Program
On
Mushroom Mountain: Small Scale
Mushroom Production Technology

(19 – 20th March, 2021)

Coordinators

Dr. C. B. Khobragade

Dr. Ajita Tiwari

Dr. Alok Srivastava

Jointly Organized by
Assam University Silchar
and ICAR-NBAIM, Mau

About the Assam University

Assam University silchar is a central University established by an Act of the Indian Parliament (Act XXIII of 1989), and came into existence in 1994. Situated in the Barak Valley of southern Assam, the University is nestled in a sprawling 600 acre campus at Dorgakona, about 23 km from Silchr town. In 2007, Assam University opened a satellite campus at Diphu in the Karbi Anglong Hills District of Assam, thereby making quality higher education accessible to a wider section of society. Apart from the two campuses of the University, there are 65 affiliated colleges in the five districts of south Assam, which together constitute the jurisdiction of Assam University.

About Department of Agricultural Engineering

Department of Agricultural Engineering was established in the year 2006 under Triguna Sen School of Technology (TSSOT), Assam University Silchar. Department offers 4years B. Tech degrees and 2 years M. Tech degree in four specialization. The course structure and syllabus for the B Tech and M. Tech programmes are designed to create skilled and technically sound human resources to cater the engineering needs of farm mechanization, irrigation and drainage, soil and water

conservation and appropriate design and utilization of aquaculture resources. The Department also offers PhD in the field of agricultural engineering. The Department derives the faculty strength from different reputed institutes of the country.

About the Two Days **Skill Development Training Program**

The workshop combines informationally rich lectures and presentations with hands-on training in technologies of mushroom cultivation, supervised by a select team of skilled staff members. The information and techniques imparted represent a lifetime of accumulated knowledge.

This intensive will give the participants to cultivate edible and medicinal mushrooms for home use or as a small commercial mushroom farmer. The participants will learn the detailed step-by-step process of how to cultivate mushrooms, from finding one in the wild through growing mycelium to fruiting mushrooms. It will explore different ways to make this process happen with varying levels of skills and tools needed. Participants will go home with the knowledge and materials to dive right into growing mushrooms. From small scale to larger production, this workshop will give hands on experience to start their own cultivation right away! So the community can be benefited.

TWO DAYS TRAINING PROGRAM

REGISTRATION FORM

(To be sent on or before 16th March, 2021)

Name : _____

Designation: _____

Address for Communication: _____

PIN: _____

Mobile/ Telephone No.: _____

Email: _____

Date: _____ (Signature of the Applicant)

The duly filled application form should be sent to the following address (Whatsapp /email /speed post/by hand):

Dr. C. B. Khobragade

Assistant Professor & Coordinator
Department of Agricultural Engineering,
TSSOT, Assam University Silchar-788011
Email: khobragadechetan@gmail.com
Cell: 09957200379

Dr. Ajita Tiwari

Assistant Professor & Coordinator
Department of Agricultural Engineering,
Assam University, Silchar-788011
Email: ajitatiwari@gmail.com

Important Dates:

Last date for receiving applications: **16.03.2020**

Intimation of selection: **17.03.2020**

Registration Fees: **Nil**

Criterion:

- Farmers (70 Nos.) and students (30 Nos.) should belong to NEH regions of Assam and NEH region.
- Selection will be done on first come first serve basis.
- TA (to & fro) to the training centre and local hospitality will be provided to the selected participants.
- After successful completion of the training each farmer will get a spawn kit which will have the capacity to produce approx 100 kg of mushroom (₹ 10,000.00).
- Submission of duly filled TA form is mandatory to all the selected participants.

Organizing Committee:

Patron

Prof. Dilip Chandra Nath,
Hon'ble Vice Chancellor,
Assam University, Silchar

Convenor

Prof. L. N. Sethi,
HOD (AE) & Dean, TSSOT

Coordinators

Dr. C. B. Khobragade
Assistant Professor, Deptt. of AE

Dr. Ajita Tiwari
Assistant Professor, Deptt. of AE

Dr. Alok Srivastava,
Principle Scientist
ICAR-NBAIM, Mau, UP

Members:

Faculties Department of Agricultural Engineering, Assam University, Silchar.

Speakers

- Experts from different reputed Institutes of India will deliver lectures.
- Hands on training on mushroom production will be taken care.

Bipin Chandra Pal Seminar Hall,
Assam University
Silchar, Assam
