

ASSAM UNIVERSITY::SILCHAR CORRIGENDUM

This is for information of all concerned that a minor modification is necessary in the Admission Prospectus for UG/Integrated Courses 2021-22 at Page No. 5 (Department of Computer Science) already uploaded in the University Admission Portal and University website. The corrected version shall be now as:

"THRUST AREAS OF RESEARCH: Image Processing, Natural Language Processing, Data Mining, Soft Computing Techniques and Mobile Networking & Computing.

Criteria for Admission : Candidates who have passed the HS examination (10+2) in Science stream with Physics and Mathematics (in combination with any other science subjects) with at least 50% marks in aggregate are eligible for admission into the first semester of M. Sc. (Integrated) five year programme. To be eligible for admission in the 7th semester of the M. Sc. (Integrated) programme, a student has to pass in all the papers up to the 6th semester of the M. Sc. Integrated programme" instead of *"Criteria for Admission : Candidates who have passed the HS examination (10+2) in Science stream with Physics and Mathematics (in combination with any other science subjects) with at least 50% marks in aggregate in the three science subjects as well as the overall aggregate, (credit for 3rd science subject besides Physics and Mathematics will be given to the one in which the candidates score is higher) are eligible for admission into M. Sc five years course to the first semester. To be eligible for admission in the 7th semester M. Sc. (Integrated) course, a student has to pass in all the papers up to the 6th semester of the M. Sc. Integrated course"* as published earlier.

This is also to be noted that there is no provision of conducting study tour as per the curricula of the courses of the Department.

Inconvenience thus created is regretted.
