Sir,

With reference to the subject cited above, I am directed to inform you that the Hon'ble Supreme Court of India has launched the electronic version of the Supreme Court Reports (e-SCR) to provide the digital version of Supreme Court judgments as reported in the official law report "Supreme Court Reports". The database of e-SCR contains about 34,000 reported judgments of the Supreme Court. The e-SCR is available free of cost and will be for the benefit of law students, researchers, educational institutions, lawyers and litigants.

The access link/tab of e-SCR is provided on the Supreme Court website; the mobile application of the Supreme Court as and on the judgment portal of the e-Courts project (<https://judgments.ecourts.gov.in>).

You are, therefore, requested to take necessary steps for disseminating the information about e-SCR to all concerned.
