NOTIFICATION

This is for information of all concerned that the issue related to Ph.D. supervision by the teachers of the Depts. having non core subjects (teachers specialized in one subject, however, appointed in a Dept. offering degrees in different subject) was considered by the 161st meeting of the Executive Council vide resolution no. **EC:161:10-23:07**, where as it was resolved to permit such faculties to persue Ph.D. guideship in their core department (department which offers degree in subject matching the specialization of the concerned teacher) with immediate effect as there is no bar in UGC Regulations in this regard. The respective departments now onwards may follow the decision of the Executive Council.
