Two-Week Online Multi-Disciplinary Refresher Programme

on

**Indian Knowledge System in the Context of Higher Education:
Relevance and implications in the contemporary era**

27.03.2025. to 11.04.2025

Objectives	1. To develop multidisciplinary perspective and critical thinking on IKS 2. To ascertain the need for rejuvenation of IKS in the context of higher education. 3. To elucidate different dimensions of IKS 4. To promote understanding on IKS in the realm of higher education 5. To establish the grandeur of scientific, cultural, and technological advancements embedded in Indian Civilization. 6. To equip participants to integrate the elements of IKS in their respective disciplines.
Programme Duration	It is a two-week multi-disciplinary online programme to be held from 27 March, 2025 to 11 April, 2025
Expected Outcomes	After successful completion of the refresher course online programme the participants will develop valuable insights on different paradigms of IKS. Further it will enable them to conduct field studies in the domain of IKS leading to high quality outcome-based research and innovation.
Eligibility Criteria	Faculty members of Central & State Universities/Deemed Universities/Affiliated & Constituent Colleges/Private Universities & Colleges/ HEIs.
Fees	No fees will be charged from participants.
Registration	Participants can register for the programme by registering through https://mmc.ugc.ac.in/registration/Index For registration & NOC, kindly scan the QR code below and follow the step-by-step instructions to complete your registration.

N.B.: Participants who have already completed FIP are eligible for this online refresher course.
