

ASSAM UNIVERSITY, SILCHAR

NOTICE

It has been observed that several unscheduled flash mob activities have recently taken place in high traffic corridors and main thoroughfares of the campus. These gatherings have resulted in significant obstacles to commuters and emergency vehicle movement.

To ensure the safety of all campus residents and smooth operation of University logistics, flash mobs and spontaneous performances are strictly prohibited in narrow hallways, main roads, or any area that disrupts the flow of traffic within the campus or in front of the University Gate.

It is also mandatory to seek prior permission by the organizers through the appropriate channels at least 72 hours in advance. While seeking permission, please mention the exact location & duration of the activity and name of the Teacher Coordinator. Further, the organizer must ensure that bystanders do not block pathways.
