

Advertisement for Recruitment of 'Project Assistant' (One Post) on Temporary Basis

One (01) post of 'Project Assistant' is lying vacant in ANRF-ARG project titled "**Taxonomic investigation on Indian *Cirsium* Mill. (Asteraceae: Cardueae) highlighting morpho-anatomical studies of cypsela traits**" under **Prof. Debjyoti Bhattacharyya (Principal Investigator)** in the Department of Life Science and Bioinformatics, Assam University, Silchar.

Interested eligible candidates may appear for a **walk-in interview** with detailed CV along with photocopies of all necessary testimonials **on 26/05/2026 (Tuesday) at 11:30 am in the Dept. of Life Science and Bioinformatics, Assam University, Silchar**. Candidates must carry all original mark sheets and certificates with them for verification.

Eligibility and essential qualification for the above post is as follows:

Post: Project Assistant (01)

Essential Qualification: Bachelor's degree in Science with Botany as compulsory subject.

Desirable Qualification: Preference will be given to candidate(s) having M.Sc. degree in Botany with specialization in Plant Taxonomy. The candidate should also possess computer knowledge with statistical data handling skill and understanding on molecular taxonomic tools.

Work requirement: The selected candidate will be required to undertake extensive field surveys across high-altitude Himalayan regions.

Terms and Conditions: No TA/DA will be paid for attending the interview. The other terms and conditions of ANRF, Government of India and Host Institute (Assam University, Silchar) will be applied.

Duration: The post is purely on temporary basis for three (03) years or co-terminus with the project, whichever is earlier.

Fellowship: As per funding agency guideline.

For more details, interested candidate(s) may contact the undersigned.
