Demonstration of SAGE Journals

Exploring Journal Content, Metrics and Publication Features

The trainer demonstrated the use of the SAGE Journals platform using **Administrative Science Quarterly**, showing how to access journal information, impact metrics, current issues and publication-related features.

Key Features Demonstrated

Journal Information

View journal homepage, scope and overview details.

Journal Metrics

Check Impact Factor (7.9) and 5-Year Impact Factor (12.3).

Current Issue

Explore the latest volume and issue (Volume 71, Issue 3, September 2026).

Browse Content

Access articles through Current Issue, OnlineFirst, All Issues and Special Collection Index.

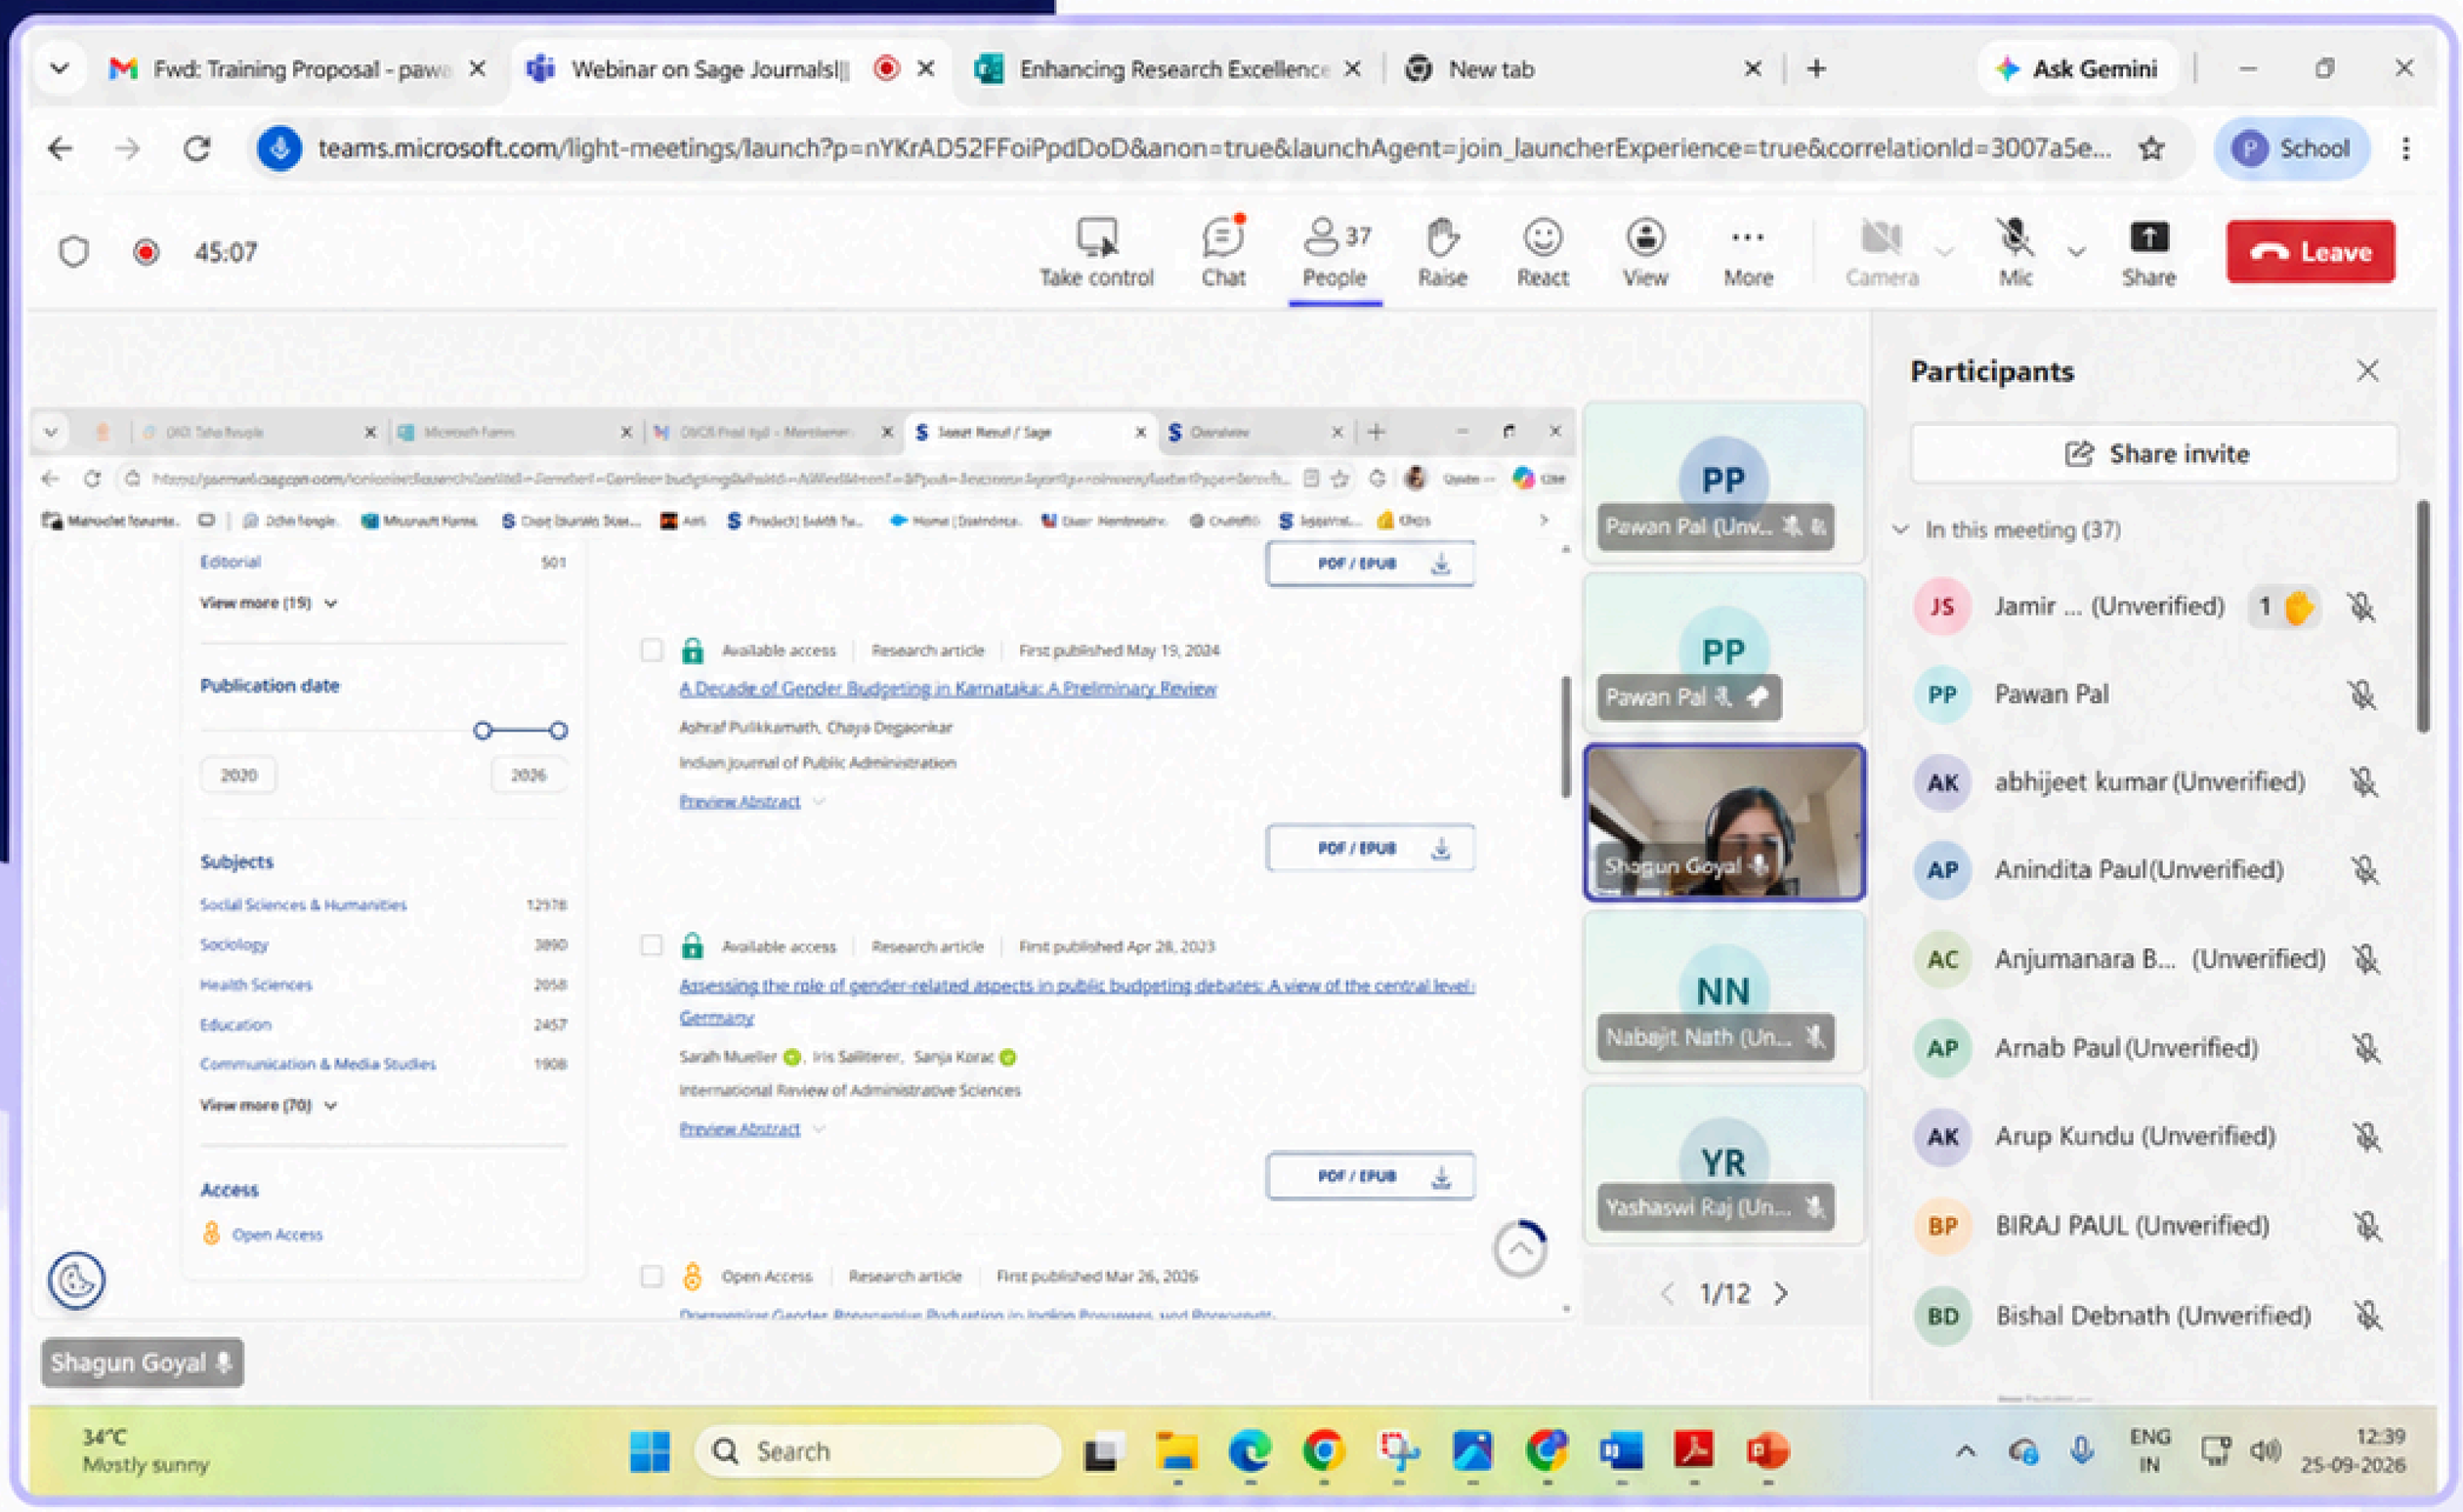

Publication Support

Access Submission Guidelines for author information.

Interactive Q&A Session

The trainer also cleared doubts raised by the participants during the workshop, addressing various queries related to SAGE journals and the platform.

More than **40** participants attended the workshop.
