RABINDRA LIBRARY
ASSAM UNIVERSITY, SILCHAR

# School Visit Report

**Saint Capitanio Senior Secondary School**
Silcoorie Grant, Assam

Visit to
**Rabindra Library**
12th October 2026

# Introduction

On **12 October**, students from various classes of **Saint Capitanio Senior Secondary School**, accompanied by their teachers and staff members, visited Rabindra Library.

The students were first welcomed by the **Librarian and Deputy Librarian**, followed by an introduction to the library staff. They were then introduced to the **different sections of the library** and familiarised with the **various services and facilities** available to them. The visit provided the students with an opportunity to understand the functioning of the library and explore its resources and services.

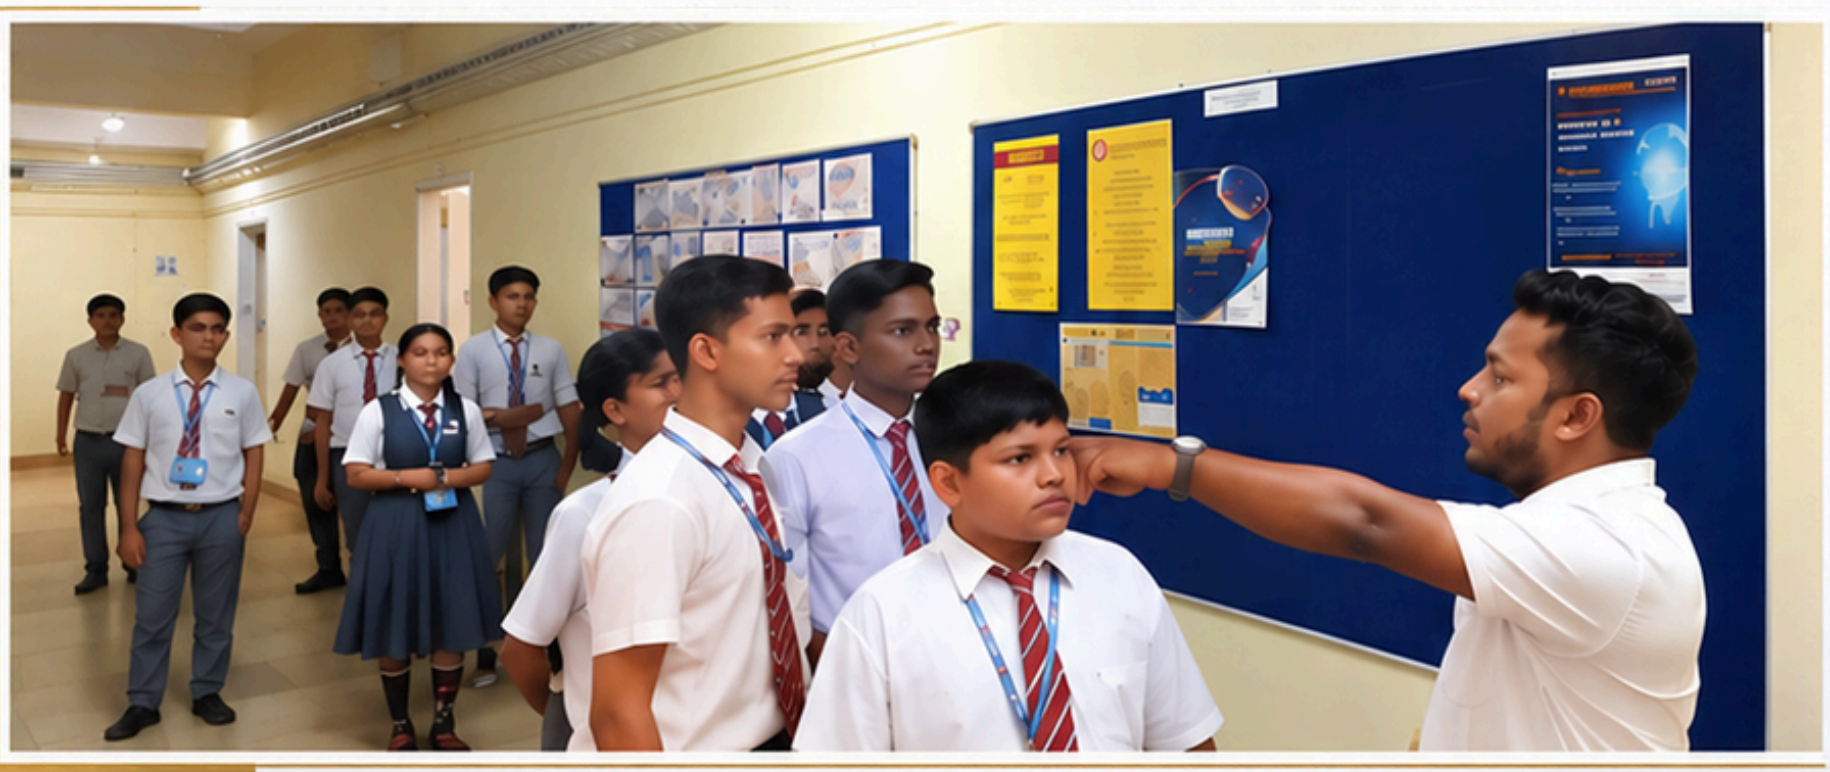

# Library Visit

The students were divided into **4 groups** and taken for a tour around the library.

# Tour of Different Sections

Exploring knowledge, resources and support across the library.

01 **Social Sciences and Humanities**

02 **Science**

03 **Reference**

04 **Periodical**

05 **Help Desk**

## A JOURNEY THROUGH KNOWLEDGE

EXPLORE • LEARN • DISCOVER

RABINDRA LIBRARY

# INTRODUCING THE LIBRARY

Introducing the students to the different subjects and the resources available, and explaining how the circulation process works.

SUBJECTS AND COLLECTIONS

RESOURCES AVAILABLE

HOW CIRCULATION WORKS

LIBRARY ORIENTATION PROGRAMME — 2026

# STACKS & READING ROOM

## Exploring the Library Collection

Students were introduced to the Stack and Reading Room areas, with an overview of how books are searched, arranged and shelved. The session also introduced the different sections of the library and how to navigate the collections.

# PERIODICAL SECTION

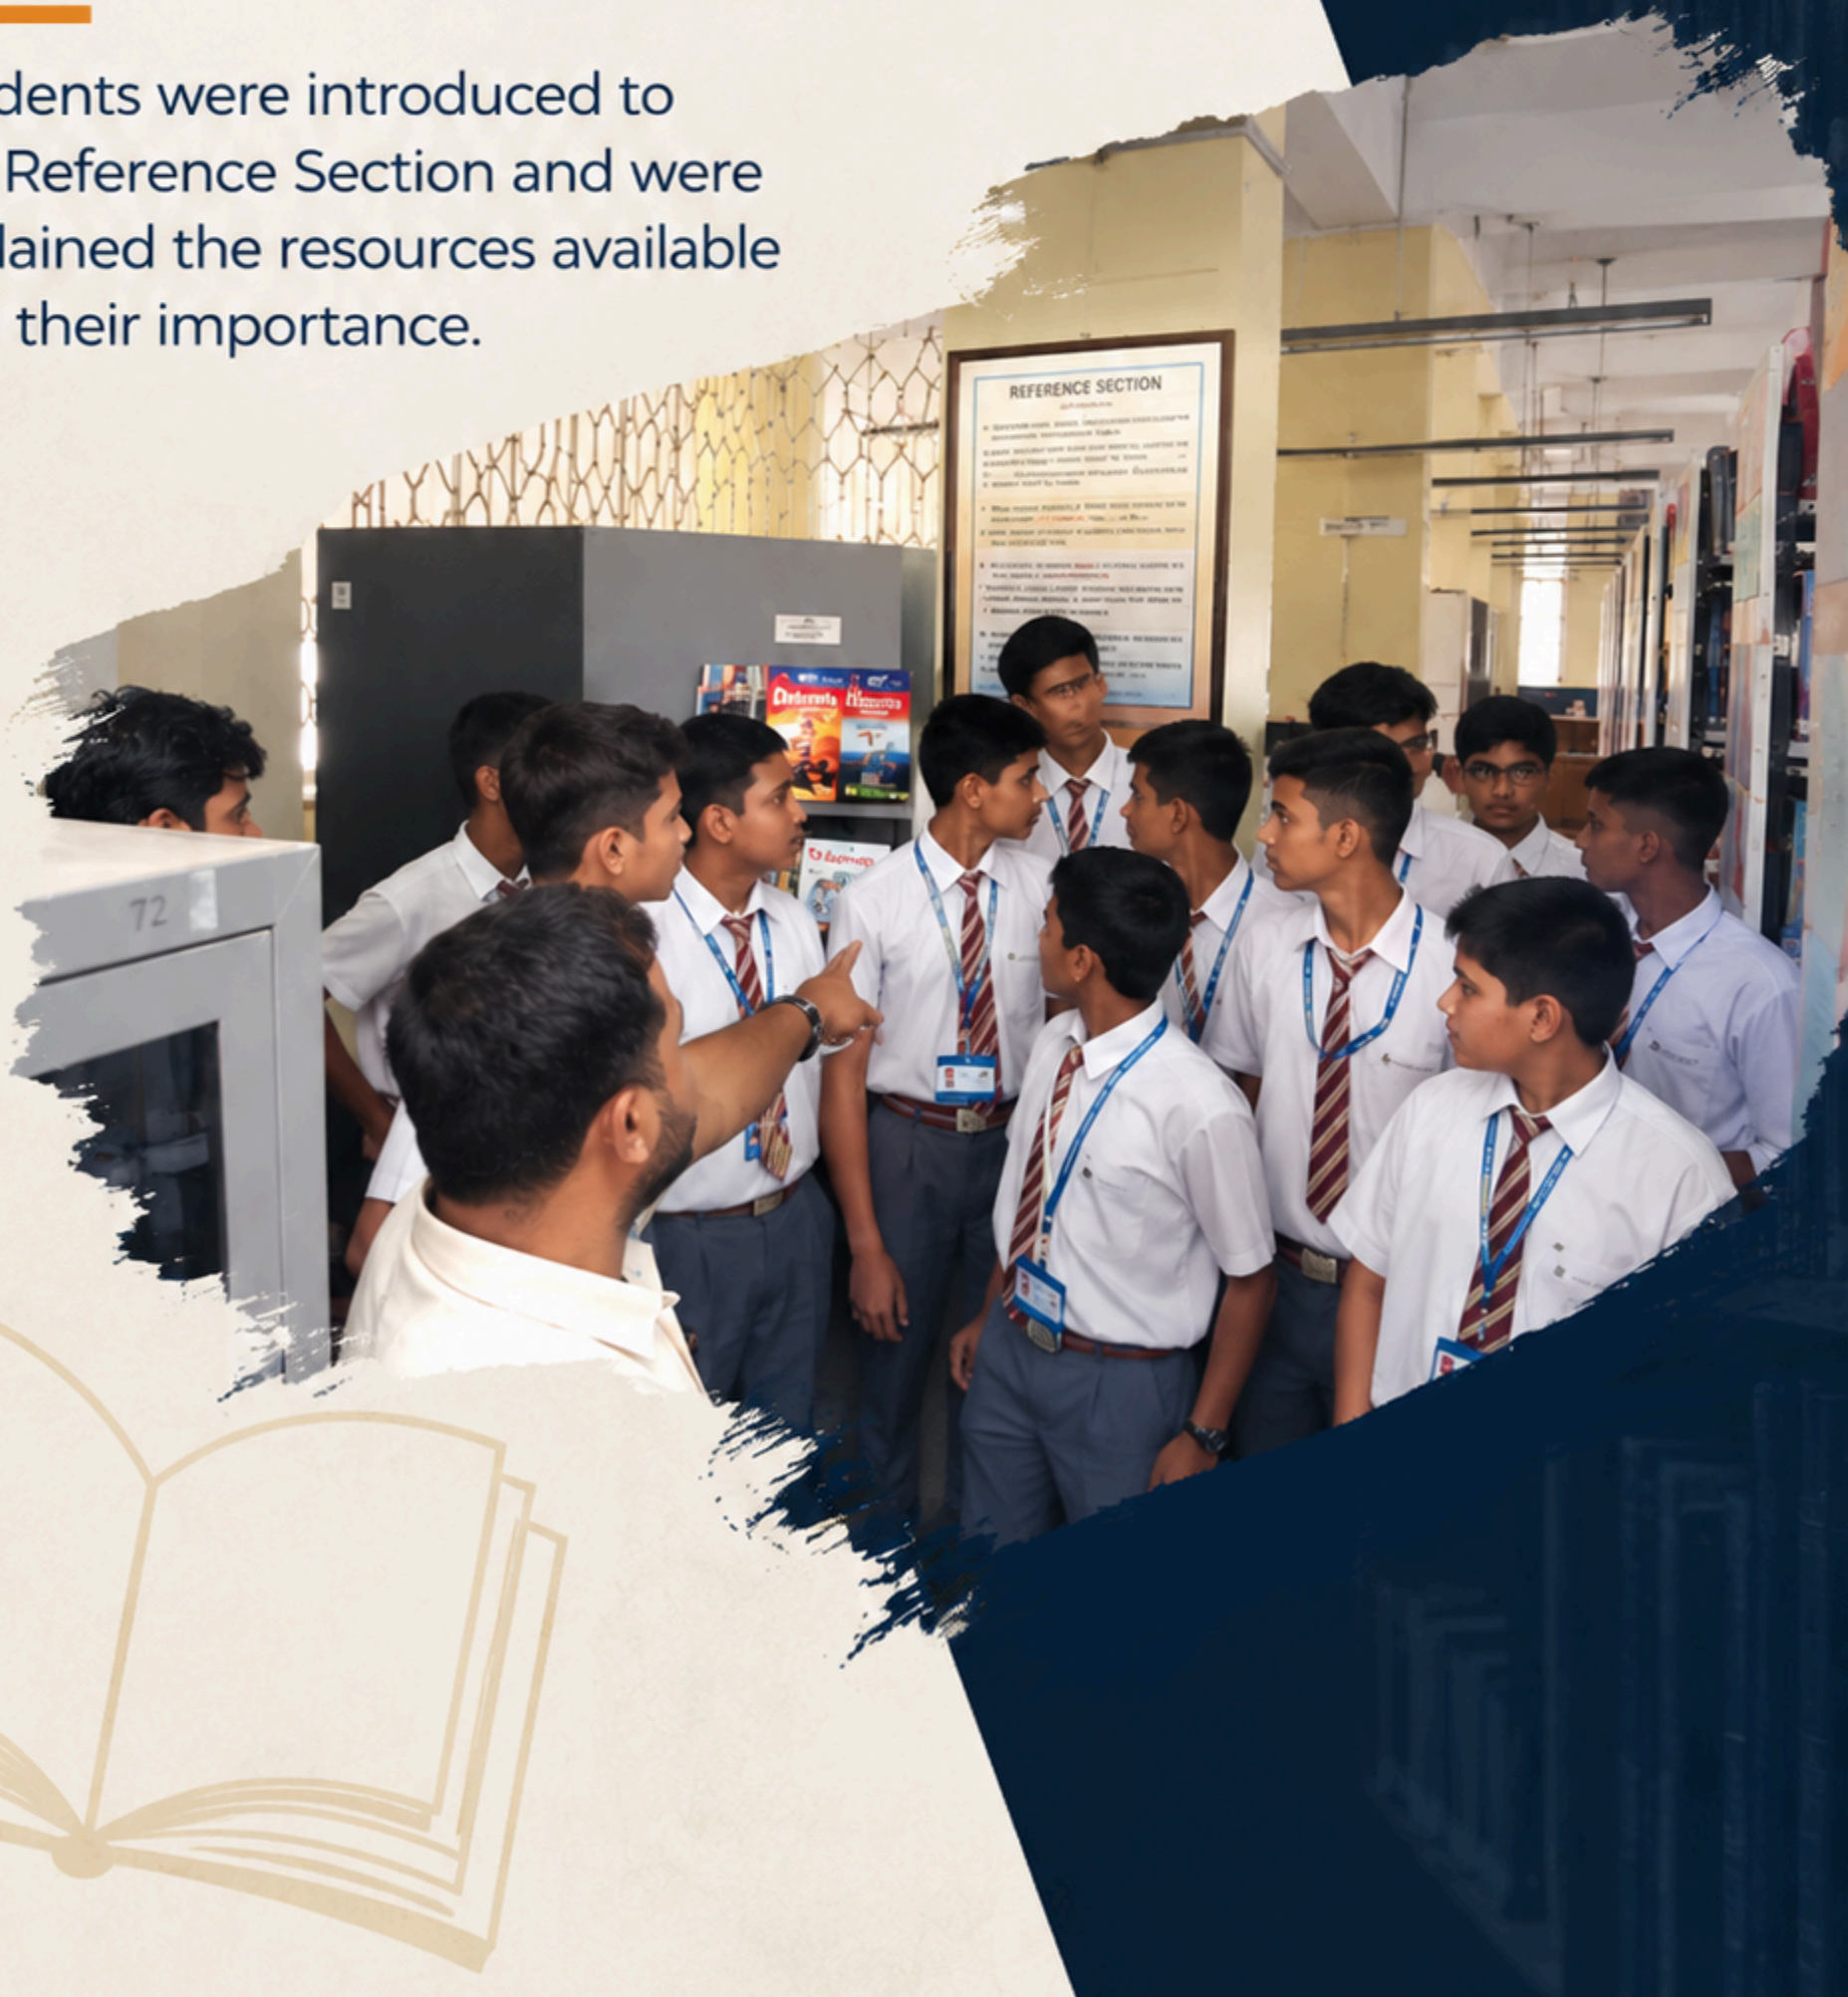

Students were introduced to the Periodical Section and were explained what periodicals are and their importance.

RABINDRA LIBRARY

# REFERENCE SECTION...

Students were introduced to the Reference Section and were explained the resources available and their importance.

# RFID Demonstration

## RFID Gate

## Self Check-In Kiosk

**Quick and Easy Check-in and Check-out**

**Faster Transaction**

**Secure and Reliable**

**User Friendly and Convenient**

# RFID Security Demonstration

The library is secured with **RFID technology.**
A demonstration was given to the students to explain its application in library security, book detection, and theft prevention.

### Enhanced Security

Helps prevent unauthorized removal of library materials.

### Book Detection

Detects library books carrying RFID tags at the gate.

### User Awareness

Students were demonstrated about the working and application of RFID.

### Safe and Smart Library

Ensures a secure and user-friendly library environment.
