NOTIFICATION

This is for the information of all concerned that based on Resolution No. 8 of the 13th Meeting of the Quarter Allotment and Advisory Committee (QAAC) held on 17/08/2026, the following guidelines and procedures regarding the allotment of residential quarters are hereby notified for implementation with immediate effect:

1. Finalization of Priority for Quarter Allotment

Application Date Priority: Henceforth, for the allotment of quarters, the date of application will be given priority over station seniority.

Definition of Application Date: The date on which the application is received by the Registrar's Office shall be considered the official date of application. This date needs to be properly entered by the Registrar's Office, and the applicant must retain a copy for future reference.

Station Seniority Exception: If applications are received from two applicants on different dates, but within two successive QAAC meeting dates, station seniority will be given priority when allotting quarters.

Applicability Across Pay Levels: The above rules will also hold for applicants having the same designation but different pay levels.

Tie-Breaking Criteria: If both station seniority and application seniority are identical, higher pay level will be given preference. If all parameters remain identical, the decision of the QAAC on the allotment will be final and binding.

2. Mandatory Routing & Application Completeness

Only applications submitted through the Office of the Registrar mentioning all required details, including the date and signature of the applicant, will be considered for allotment. Any incomplete application will be summarily rejected.

3. SC/ST Reservation of Residential Quarters

As per Government of India guidelines, eligible SC/ST category applicants may claim reservation against clear vacancies for quarter allotment purposes (up to Type-IV quarters).

Vacancies against such reservation will be calculated based on the total number of residential quarter units of that particular type available on the Assam University Silchar campus, rather than on individual vacant quarters.

Issued with the approval of the Competent Authority.
