

Department of Business Administration, Assam University, Silchar Launches Cleanliness Drive

The Department of Business Administration, Assam University, Silchar, launched a campus cleanliness drive on 9 October 2026 as part of its ongoing initiative under the Paryavaran Wing of the Management Club of the Department. The initiative aims to promote environmental awareness and collective responsibility towards maintaining a clean, green, and sustainable university campus. The drive witnessed enthusiastic participation from faculty members, staff, students, and research scholars from various departments of the university.

The cleanliness drive was conducted through five teams, this time, each team assigned a specific route covering different parts of the AUS campus. **Team A**, comprising faculty members, staff, and research scholars of the Department of Business Administration (MBA), carried out the drive from the MBA building towards the SOT Point. **Team B**, also comprising members of the MBA Department, proceeded from the MBA building towards the SOT Point via the Department of Library Science and M. Pharma. Department.

Team C, with participation from the Departments of Pharmaceutical Sciences, Performing Arts, and Urdu, conducted the drive from the Old Examination Building to the main gate of Assam University, **Team D**, comprising faculty members, staff, and research scholars of the Department of Visual Arts, undertook the cleanliness drive from the Visual Arts Department towards Amul Point. **Team E**, comprising faculty members, students, and research scholars of the School of Technology (SOT), carried out the drive across the school premises, including its all Departments, workshops and adjoining surroundings.

The **Hon'ble Vice-Chancellor of Assam University, Professor Rajive Mohan Pant**, also joined, whose presence added significance to the initiative and reinforced the importance of collective efforts towards environmental cleanliness and sustainability.

Through this initiative, the Department of Business Administration reiterates its commitment to fostering environmental consciousness and civic responsibility among the university community. The cleanliness drive reflects the department's continued endeavour to contribute towards a cleaner, greener, and more sustainable campus through active participation and collaborative action of all the Departments of Assam University and all other stake holders.
